RESOURCE DRAWDOWN

The following tables represent the number of occurrences throughout the month where multiple Engine Companies (includes engines and trucks) and Ambulances are assigned to a call at the same time. For example, there were 605 individual instances in July where 2 Engine Companies were both assigned to a call at the same time at any given point during the month.

2 Engines	605
3 Engines	222
4 Engines	80
5 Engines	35
6 Engines	22
7 Engines	7
8 Engines	1

2 Ambulances	581
3 Ambulances	244
4 Ambulances	57

INJURIES AND FATALITIES	
FIREFIGHTER	0 Injuries, 0 Fatalities
CIVILIAN	1 Injuries, 0 Fatalities

TRAINING & PUBLIC EVENTS

Pub-Ed, Station Visits, School Visit, Ride-alongs: The OFD participated in 13 outreach programs in July. Station visits, school site visits and other public education programs are a key element to our fire prevention program.

Wildland fire refresher: OFD personnel continued the annual wildland training. This included tent shelter deployment, progressive hoselays and proper use of handtools.

Annual VHF radio training: The OFD had mandatory refresher training on the VHF radio system. VHF radios are used on wildland fires and as a backup system to our primary 800 mHz radio system.

Wildland Drill Burns: The OFD held live fire drill burns near the Oceanside Airport.

Confined Space Rescue: Confined Space Rescue drills were conducted with Oceanside Sewer workers at a pump station off Foussat Dr. This training meets OSHA mandated training for confined space rescue.

Preceptors: Oceanside Fire Department Paramedics are currently preceptors to 3 college paramedic interns. Interns will do 22 shifts with an assigned OFD Firefighter/Paramedic as a part of their education to complete paramedic school.

Palomar Academy: OFD personnel participated in the regional fire academy at Palomar College.

Sources: FireRMS/NCJPA Visinet/Firestats

Multi-Company Drills: Fire crews did multiple multi-company drills down at the OFD Fire Training Center.

CPR/AED Training: OFD Personnel put on a public CPR/AED training session.

Engine Pump Testing: Annual pump testing continued on all Oceanside Fire Department Engines and Trucks to comply with state and federal regulations.

Command Training Center: The OFD Command Training Center will begin training OFD Personnel soon!
