ITEM NO. 17

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OCEANSIDE EXPRESSING INTEREST IN IMPLEMENTING ANOTHER REGIONAL BEACH SAND PROJECT

WHEREAS, in 2001, SANDAG implemented a Regional Beach SAND Project (RBSP); and

WHEREAS, several San Diego region cities have expressed an interest and desire in implementing another such regional project as economies of scale and efficiencies would result in a more productive and successful project , and

WHEREAS, recent scientific studies clearly demonstrate that a number of benefits, including recreational, economic and enhancement of public safety occur as the result of such beach sand projects such as the 2001 RBSP.

NOW THEREFORE, the City Council of the City of Oceanside does resolve as follows:

1. That the foregoing recitations are true and correct.

2. That the City is conceptually interested in assisting another RBSP in coordination with SANDAG.

3. That the City, while not presently committing itself to a specific financial contribution, acknowledges that some level of financial contribution may be necessary in the near future and is prepared to give serious consideration to participating in funding and/or lobbying for such funds as needed.

4. That SANDAG is requested to prepare a time line/cost estimate for managing and implementing such a project to assist local cities desiring to participate.

5. That the State of California Department of Boating and Waterways is encouraged and requested to provide funds for this RBSP.

6. The City recognizes that SANDAG does not currently have funding to carry out a beach replenishment project.

7. That the City Manager or his designee is encouraged to actively participate in the SANDAG Shoreline Preservation Working Group to implement another RBSP style project and

to identify potential sources of funding for such a project.
