STAFF REPORT

ITEM NO. 7

CITY OF OCEANSIDE

DATE: August 17, 2011

TO: Honorable Mayor and City Councilmembers

FROM: Fire Department

SUBJECT: **PURCHASE ORDERS OVER $50,000**

SYNOPSIS

Staff recommends that the City Council approve annual purchase orders for the purchase of equipment, supplies, materials and services in amounts over $50,000 from various Fire Department funds for a total of $1,407,962; and authorize the Financial Services Director, or designee, to execute the annual purchase orders.

BACKGROUND

Each fiscal year, the Fire Department estimates the quantity of special equipment, supplies and materials that will be needed for fire and emergency medical response operations during the next twelve months. Purchase requisitions are then submitted to obtain the required equipment and supplies. Staff procures three bids, unless the purchase is a sole-source item. The vendor or supplier is selected based on the criteria of most applicable product and best service for the needed items or service at the lowest cost.

ANALYSIS

The Fire Department has reviewed its spending practices and recognized that many routine functions require purchases that will exceed $50,000 during the fiscal year. A selection process was conducted to determine the best price from each vendor, considering quality, performance and availability.
