At the City Council's March 5, 2008, meeting, staff will be providing an overview of the many accomplishments that were made throughout the course of 2007. The purpose of this brief presentation will be to celebrate the number of significant achievements that the Council and City staff made in calendar year 2007. It is important that we take time to reflect on the successes of the past year. Additionally, Council will also be provided with copies of 2008 Citywide Goals and priorities for your perusal. As we did last year, I will be providing the Council with monthly updates regarding the progress of key goals and priorities. Should you have any questions, please feel free to contact me.
