RESOURCE DRAWDOWN

The following tables represent the number of occurrences throughout the month where multiple Engine Companies (includes engines and trucks) and Ambulances are assigned to a call at the same time. For example, there were 643 individual instances in September where 2 Engine Companies were both assigned to a call at the same time at any given point during the month.

2 Engines	643
3 Engines	254
4 Engines	97
5 Engines	34
6 Engines	12
7 Engines	5
8 Engines	0

2 Ambulances	624
3 Ambulances	316
4 Ambulances	74

INJURIES AND FATALITIES	
FIREFIGHTER	0 Injuries, 0 Fatalities
CIVILIAN	0 Injuries, 0 Fatalities,

TRAINING & PUBLIC EVENTS

Pub-Ed, Station Visits, School Visit, Ride-alongs: The OFD participated in 13 outreach programs in September. Station visits, school site visits and other public education programs are a key element to our fire prevention program.

Ventilation Drill: All OFD units participated in the annual ventilation drill. Crews rotated through the FTC to assess chainsaw, axe and other ventilation skills in a scenario based training event.

Annual EMS Skills Update: The OFD had mandatory refresher training on EMS skills. EMS training is an ongoing element of the OFD paramedic program to ensure all personnel remain adequately trained to be in compliance with local and state laws.

Engineer Training: The OFD will have an engineer test in November, so many candidates have been out with their crews practicing pumping and other engineer work.

Vista Courthouse Walk-Through: Crews stationed on the Vista border (and the new OFD Tiller Truck) participated in a walk-though of the Vista County Courthouse to familiarize themselves with the layout in the event a major emergency occurs there.

Preceptors: Oceanside Fire Department Paramedics are currently preceptors to 3 college paramedic interns. Interns will do 22 shifts with an assigned OFD Firefighter/Paramedic as a part of their education to complete paramedic school.

Palomar Academy: OFD personnel participated in the regional fire academy at Palomar College.

Multi-Company Drills: Fire crews did multiple multi-company drills down at the OFD Fire Training Center.

Engine Pump Testing: Annual pump testing continued on all Oceanside Fire Department Engines and Trucks to comply with state and federal regulations.

Command Training Center: The OFD Command Training Center has begun! Chief officers have gone through the program and the line personnel will start in October.
