Heritage Park

Located within walking distance from the San Luis Rey Mission, Heritage Park was created in the 1970's as a permanent and perpetual symbol of Oceanside's heritage. Heritage Park allows historic Oceanside to serve as a background to private parties, weddings, and special events. Ideally situated within Heritage Park lies the gazebo that has been used as the focal point for many events. For more details and/or to arrange a visit to Heritage Park, please contact John Andrade, park caretaker, at (760) 801-0645.
