Greening Your Special Event

The City of Oceanside is requesting that all special events at city parks, beaches, harbor and/or other city facilities, comply with state and local mandates for the proper disposal of solid waste and recycling. To ensure the greatest diversion rate possible, we would like to assist you with meeting this requirement by providing you with several options and/or recycling containers for your event. When you apply for your event permit at the City Recreation Department, they will provide a required form with all the details. Additionally, Waste Management of North County can provide bigger recycling containers for the large venues. You may also call our Recycling Hotline for more information on how to recycle at your next event at (760) 435-5015.

The following are a couple of tips on how to green your event, large or small:

- Send E-vites rather than actual invitations. Reduce your use of paper.
- Check that your event location has a recycling bin prior to the event. If there is no bin close by, designate a personal container for recycling, or for larger events, please call the Recycling Hotline at (760) 435-5015 for some free special event recycling containers.
- Purchase food that does not have a lot of packaging, or is in packaging that can be recycled. All plastics with the recycling symbol #1-7 can be recycled in Oceanside, as well as bottles, cans, paper, and cardboard, all of which can be placed in one recycling container. Bottles and cans with a CRV are cash redeemable at your local recycling center.
- Do not use Styrofoam and/or plastic bags.
- Provide food and condiments in bulk. Avoid excess packaging.
- Leave no trace: Conduct a thourough clean-up of event area. Lets make Oceanside litter free!

Call the Recycling Hotline at (760) 435-5021, to order free recycling containers for your special event.
