

The **MiraCosta College Biotechnology Center (MCBC)** was created to facilitate the recruitment, education and training of technicians for the biotechnology industry. The center works as a point of contact for biotech and related industries to interact with community college programs in biotechnology. **MiraCosta College** offers specialized training in Bioscience programs that train students in basic and applied lab methodology. www.miracosta.edu/biotech

California's Research & Development (R&D) Tax Credits range from 15% to 24%. For more information go to www.ftb.ca.gov/forms/misc/1082.pdf.
