

STOP TRASHING CALIFORNIA

The City of Oceanside and Keep California Beautiful have teamed up to spread the word about littering—it's just not cool.

As residents of Oceanside, we need to reduce the amount of trash littering Oceanside streets, waterways, parks, schools empty lots, homes and businesses. Therefore, World Champion Skateboard legend and Hall of Famer, Tony Hawk has agreed to help spread the message that littering is just not cool, we need to recycle!

To help spread the message city-wide, the City of Oceanside has posters, book covers and bus shelters featuring Tony Hawk. A coupon is included on the book cover for students to fill out and return to enter a monthly drawing for Tony Hawk videos, T-Shirts, Hats, Birdhouse Skateboards and a number of Tony Hawk merchandise.

You can [preview the poster](#) or [bookcover](#) here.

Help us spread the message by [requesting](#) your own copies of the poster and/or bookcovers.
