<u>CONTRACTOR'S OBLIGATIONS</u>							
<ol style="list-style-type: none">1. A sketch showing the proposed haul route must be attached to this form.2. The completed haul route application must be submitted 48 hours in advance of beginning of work – no exceptions.3. <u>THIS HAUL ROUTE PERMIT IS AN APPROVAL OF YOUR ROUTE ONLY.</u> A valid grading permit is required for all import and export sites.4. No haul routes will be approved to sites with no grading permits or other restrictions.5. The contractor shall ensure that all streets are kept clean during operation and at the end of the job.6. If there are any changes to this information, it is the contractor's responsibility to obtain approval from the Traffic Section for a revised haul route before continuing the operation.7. Failure to comply with all of the above requirements will result in termination of this permit; the Traffic Section or Engineering Inspector reserve the right to shut down any hauling operation.8. A copy of the haul route must be kept on the job site at all times.
