

SUBJECT:
Requests for Continuance of
Public Hearings

POLICY NUMBER 100-06
ADOPTED 8-10-83
REVISED 12-12-01

It is the policy of the City Council that consideration will be given to a request for a continuance of a public hearing. If it is determined to be for a good reason, the Council will continue the hearing to a specific date and time.

If the applicant requests the continuance in writing a minimum of one week before the meeting, there will be no input and the agenda will so reflect the continuance to the new date and time thereby informing the applicant and the public of the new time for input. At the new date and time for the hearing all presentations and public input will be received. If the request for continuance is received after the agenda is prepared, at the discretion of the Council, all those appearing to be heard at the original hearing may be allowed to speak at that time to prevent any hardship to those attending the noticed public hearing.
