

SUBJECT:
Policy for Recycled Paper Usage

POLICY NUMBER 100-36
ADOPTED 8-23-89
REVISED 3-6-02

It is the policy of the City Council of the City of Oceanside that:

1. The City will incorporate the purchase of acid-free recycled paper products for stationary, letterhead and other paper products, to the maximum extent practicable and cost-efficient.
2. Duplexing of paper shall be required wherever possible, ensuring comprehensive use of the resource.
3. The City will cooperate to the greatest extent feasible with other City or government agencies in an effort to efficiently produce recycled products, re-use products and stimulate the market for recycled products.
4. The City will participate in office white paper, mixed paper, cardboard, plastic, glass, aluminum, and bi-metal recycling by placing bins throughout City facilities for collection.
5. The City will participate in green-waste recovery, recycling and composting activities.
6. The City fleet services will participate in recycling programs in compliance with industry standards in the re-use of motor oils, fluids and equipment for vehicles.
