(4) If any of the ENCROACHMENT(s) actually built or installed during construction vary from the permitted ENCROACHMENT(s) approved herein, such changes or variations must be approved in advance by the City and shall be shown on **as-built** plans.

(5) OWNER shall at all times relieve, indemnify, protect, defend and hold harmless the CITY and its boards, officers, agents, and employees against any and all claims, liabilities, demands, actions, proceedings, losses, liens, costs, attorney and expert fees, judgments, civil fines, and penalties of any nature whatsoever relating to the ENCROACHMENT or this agreement including but not limited to claims in regards to or resulting from the construction, maintenance, state of use, repair or presence of the ENCROACHMENT permitted hereunder, and death, injury, or damage that may be caused directly or indirectly by:
