Rebuttal to Argument in Favor of Prop F

Vote NO on Prop F – to protect transparency, good government, small businesses, and neighborhood/community representation in Oceanside!

Prop F's "majority rule" is costly and confusing – and runs against the very principles of our United States and California Constitutions, which ensure representative government "for all." All our small businesses, communities and neighborhoods deserve representation.

Prop F is being hastily pushed through by a majority city council because they know their policies of cutting services to residents and giving away land and Taxpayer funds to their out-of-town multimillion dollar developer/corporate sponsors have been met with growing dissatisfaction by Oceanside Voters and Taxpayers.

The majority council has cut down public notices to residents regarding new development; moved to privatize our valuable public library; closed municipal swimming pool, park and critical public safety resource centers; cut youth, senior services; moved to privatize ambulance services with higher response times, threatening the lives of Oceanside residents by replacing paramedics/firefighters with "cheaper" untrained personnel.

These expensive elections will lead to greater cuts in essential services.

Prop F will:

Require 2 election cycles, costing Oceanside Taxpayers additional hundreds of thousands of dollars;

Subject Oceanside to City of Bell fiscal abuses;

Take away Local Control.

Prop F violates the California Voting Rights Act – and will subject the City of Oceanside and Oceanside Taxpayers to millions of dollars in lawsuits!

"... CVRA lawsuits and threats of lawsuits have cost California taxpayers over \$8 million."

Join thousands of your Oceanside neighbors – vote NO on Prop F!
