

# STAFF REPORT

ITEM NO. **10**

CITY OF OCEANSIDE

---

DATE: January 10, 2007

TO: Honorable Mayor and City Councilmembers

FROM: Public Works Department

SUBJECT: **APPROVAL OF PLANS AND SPECIFICATIONS FOR THE ANNUAL SLURRY SEAL FY 2006-07 PROJECT AND AUTHORIZATION FOR THE PUBLIC WORKS DIRECTOR TO CALL FOR BIDS**

## **SYNOPSIS**

Staff recommends that the City Council approve the plans and specifications for the Annual Slurry Seal FY 2006-07 project and authorize the Public Works Director to call for bids.

## **BACKGROUND**

Each fiscal year a maintenance contract for restoration of City streets is offered for competitive bid. The restoration project is part of an ongoing program based on the five-year Pavement Management Plan to restore and preserve the City's streets.

## **ANALYSIS**

This project will apply minor street restoration techniques to 10 lane-miles located on sixty (60) street segments Citywide as shown in Exhibit A, which includes the removal and replacement of deteriorated sections of streets, crack-sealing and the application of a Rubberized Emulsified Aggregate Slurry, which will provide a flexible, new wearing surface to the street that will extend the useful life of the street and delay the need for costly major restorations.

## **FISCAL IMPACT**

The FY 2006-07 Capital Improvement Program appropriation for the total street restoration program is \$2,500,000 in Transnet Funds (Acct # 212.755216 and Acct # 212.757542). The estimated total cost, which includes administration, inspection, project management and contingencies, is \$875,000. Sufficient funds are available for this project.

## **INSURANCE REQUIREMENTS**

The City's standard insurance requirements will be provided.

**COMMISSION OR COMMITTEE REPORT**

Does not apply.

**CITY ATTORNEY'S ANALYSIS**

The referenced documents have been reviewed by the City Attorney and approved as to form.

**RECOMMENDATION**

Staff recommends that the City Council approve the plans and specifications for the Annual Slurry Seal FY 2006-07 project and authorize the Public Works Director to call for bids.
