

DATE: October 6, 2010

TO: Honorable Mayor and City Council

FROM: John P. Mullen, City Attorney

SUBJECT: **ADOPTION OF RESOLUTIONS AMENDING THE LOCAL CONFLICT OF INTEREST CODES FOR THE CITY OF OCEANSIDE, OCEANSIDE SMALL CRAFT HARBOR DISTRICT AND OCEANSIDE COMMUNITY DEVELOPMENT COMMISSION**

BACKGROUND

The Political Reform Act of 1974 requires local agencies to adopt local conflict of interest codes and to update those codes periodically to reflect changes to the employment positions within the agencies. The local conflict of interest codes must be consistent with the statute and with regulations adopted by the Fair Political Practices Commission ("FPPC"). Pursuant to Government Code section 87360.5, the local codes must be evaluated every even-numbered year and amended if necessary to reflect changes in the employment positions within the agency.

Sections 2.61 – 2.69 of the Oceanside City Code establish the local conflict of interest code for the City. As authorized by state law, the City Council has adopted the provisions of Title 2 California Code of Regulations section 18730 (a standardized local conflict of interest code) along with certain supplemental provisions as the local code for the City. City Code section 2.62 requires the City Council to adopt a resolution indicating the employee positions and members of boards, commissions and committees subject to conflict of interest disclosure requirements.

The City's local conflict of interest code references an appendix that sets forth the various City employment positions and members of boards, commissions and committees (often referred to as "designated positions/employees") along with the categories and disclosure requirements for those positions. The proposed resolutions would update the appendix for the City as required by Government Code section 87360.5.

The Community Development Commission and the Small Craft Harbor District are also required to have local conflict of interest codes. In order to formalize their reliance on the City's local conflict of interest code, it is recommended that both the Commission and the

District Board adopt resolutions adopting the City's local conflict of interest code and code appendix.

ANALYSIS

Government Code section 87306.5 requires each local agency to review its local conflict of interest code in even-numbered years and to make such amendments as may be necessary as a result of that review. The review has been accomplished by the City Attorney (and Commission General Counsel and Harbor Attorney). In light of that review, a revised Local Conflict of Interest Code Appendix, List of Designated Positions/Employees, and Disclosure Requirements has been prepared (hereinafter called "Appendix").

The revised Appendix makes many changes to the previous disclosure list and requirements by eliminating positions that no longer exist, and adding new positions created within the City that did not exist the last time the conflict of interest code was amended.

Members of the City Council, the Planning Commission, the City Manager, the City Attorney, and the City Treasurer are required by statute to file FPPC form 700 disclosure statements and to disclose financial interests pursuant to state law. These positions are excluded from the list of positions contained in the Appendix. The Harbor District finance director is designated by the Appendix as a position responsible for the management of public investments and is also required to disclose investments on the 700 form.

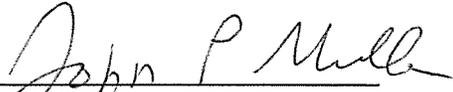

RECOMMENDATION

Staff recommends as follows:

1. That the Harbor District Board of Directors adopt the resolution adopting the City of Oceanside Local Conflict of Interest Code as the local conflict of interest code for the District and adopting the Appendix.
2. That the Community Development Commission adopt the resolution adopting the City of Oceanside Local Conflict of Interest Code as the local conflict of interest code for the Commission and adopting the Appendix.

3. That the City Council adopt the resolution adopting the Appendix and approving the local conflict of interest codes of the Commission and the District.
