

DATE: December 13, 2006

TO: Honorable Mayor and City Councilmembers

FROM: Neighborhood Services Department

SUBJECT: **ADOPTION OF A RESOLUTION APPROVING THE ISSUANCE OF MULTIFAMILY HOUSING REVENUE BONDS BY THE CALIFORNIA STATEWIDE COMMUNITIES DEVELOPMENT AUTHORITY IN A NOT-TO-EXCEED AMOUNT OF \$4,000,000 TO FINANCE THE ACQUISITION AND REHABILITATION OF CAPE COD VILLAS, A 36-UNIT SENIOR HOUSING COMPLEX LOCATED AT 1710 MAXSON STREET TO BE OWNED AND OPERATED BY OCEANSIDE SENIOR HOUSING PARTNERS, L.P.**

SYNOPSIS

Staff recommends that the City Council hold a Tax Equity and Fiscal Responsibility Act (TEFRA) public hearing for the issuance of tax-exempt multifamily housing revenue bonds to finance the acquisition and rehabilitation of the 36-Unit Cape Cod Villas affordable housing project; and adopt a resolution approving the issuance of the bonds by the California Statewide Communities Development Authority.

BACKGROUND

The City has received a request from the California Statewide Communities Development Authority (the "Authority") to conduct a public hearing as required by the Internal Revenue Code in order to issue tax-exempt revenue bonds (the "Bonds") in an aggregate amount not to exceed \$4.0 million on behalf of Oceanside Senior Housing Partners, L.P., an affiliate of the Southern California Housing Development Corporation, (the "Developer"). The Developer will use the proceeds of the Bonds for the acquisition and rehabilitation of a 36-unit multifamily housing project located at 1710 Maxson Street in the City of Oceanside (the "Project"). This source funding is one component of the Project's approximately \$6.71 million total Financing Plan which was approved by the City Council at the November 15, 2006 meeting.

ANALYSIS

The Bonds will be tax-exempt private activity bonds for the purposes of the Internal Revenue Code and, as such, require the approval of the elected body of the governmental entity having jurisdiction over the area where the project to be financed is located. The City will not be under any obligation to repay the Bond indebtedness.

In order for the Authority to issue such Bonds, the City must: (1) conduct a public hearing allowing members of the public to comment on the proposed Project, and (2) approve of the Authority's issuance of Bonds on behalf of the proposed financing. Although the Authority (not the City) will be the issuer of the tax-exempt revenue bonds for the Project, the financing cannot proceed without the City, as the governmental entity having jurisdiction over the site, approving of the Authority's issuance of indebtedness.

The Authority is a California joint exercise of powers authority, organized and existing under the laws of the State of California (specifically, California Government Code Section 6500 and following), and is sponsored by the League of California Cities and the California State Association of Counties. Under the California Government Code, cities and counties are authorized to form by agreement a governmental entity that combines the powers of such entities to perform certain governmental functions specifically outlined in the Agreement. With respect to the Authority, over 460 California cities, counties and special districts have entered into and executed the Agreement to become a member of the Authority. The Authority is authorized to assist in the financing of multifamily housing projects.

FISCAL IMPACT

There is no direct or indirect financial impact to the City of Oceanside as a result of this proposed financing. The Authority will issue tax-exempt revenue bonds on behalf of the Project. The tax-exempt revenue bonds are payable solely out of the revenues derived by the Developer from the applicable Project. No financial obligations are placed on the City for project financing costs or debt repayment.

COMMISSION OR COMMITTEE REPORT

Does not apply.

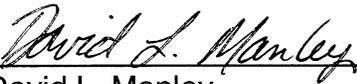

CITY ATTORNEY'S ANALYSIS

The resolution has been reviewed by the City Attorney and approved as to form.
