

# STAFF REPORT

ITEM NO. **14**

CITY OF OCEANSIDE

---

DATE: December 14, 2005

TO: Honorable Mayor and City Councilmembers

FROM: Transportation and Development Engineering Department

SUBJECT: **ADOPTION OF A RESOLUTION ESTABLISHING ALL-WAY STOP CONTROLS AT THE INTERSECTIONS OF SPUR AVENUE AND DEL MAR ROAD, AND AT SPUR AVENUE AND BUCKBOARD DRIVE**

## SYNOPSIS

Staff and the Transportation Commission recommend that the City Council adopt the resolution establishing all-way stop controls at the intersections of Spur Avenue and Del Mar Road, and Spur Avenue and Buckboard Drive.

## BACKGROUND

Residents living on Spur Avenue have requested traffic-calming in their area due to excessive speeding and for pedestrian safety. Staff attended a community meeting on June 20, 2005, to listen and discuss residents' issues. A petition with more than 70 percent of the residents' signatures is attached and indicates support of the installation of stop signs and other traffic-calming devices. Staff also met with the principal of Mission Meadows Elementary School. The principal is also recommending traffic-calming on Spur Avenue.

Spur Avenue is a collector street in a residential area. It is a major east/west street in and out of the Jeffries Ranch Development. There is currently an all-way stop at Wagon Wheel Drive. A new development is planned for the west end of Spur Avenue. Spur Avenue begins at the end of Melrose Avenue. Spur Avenue passes Mission Meadows Elementary School before entering a residential neighborhood. Children walk to and from school where there are no sidewalks because it is an equestrian neighborhood.

## ANALYSIS

Engineering and field and investigations took place from June to September 2005. The investigation findings were:

- Street Width: 40 feet
- Speed Posted: 25 miles per hour (mph) signs
- Average Daily Traffic volume is as follows:

- 1,050 vehicles on Spur Avenue between Del Mar Road and Trotting Horse
  - The 95<sup>th</sup> percentile on Spur Avenue is 42 mph
- The maximum speed is as follows:
- WB – 68 mph (these speeds were taken by 1-2 vehicles.)
  - EB – 86 mph
  - The 95<sup>th</sup> percentile on Jefferies Ranch Road is 41 mph.
  - The maximum speed on Jefferies Ranch Road is between 52 and 54 mph.

After analyzing the information, staff recommends the installation of all-way stop controls at the intersections of Spur Avenue and Del Mar Road, and Spur Avenue and Buckboard Drive.

A petition is attached. Also attached is a list of names and addresses of those residents who attended the community meeting in June 2005.

Spur Avenue will be monitored for 6 months.

**FISCAL IMPACT**

Cost of installation of the proposed all-way stop at Spur Avenue and Del Mar Road and installation of the proposed all-way stop at Spur Avenue and Buckboard Drive is \$1,500.

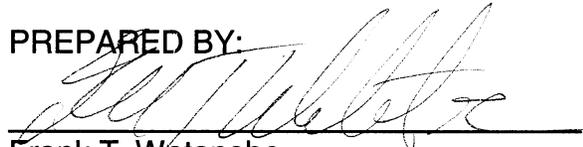

**CITY ATTORNEY'S ANALYSIS**

The referenced documents have been reviewed by the City Attorney and approved as to form.

**RECOMMENDATION**

Staff and the Transportation Commission recommend that the City Council adopt the resolution establishing all-way stop controls at the intersections of Spur Avenue and Del Mar Road, and Spur Avenue and Buckboard Drive.

1 RESOLUTION NO.

2 A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF  
3 OCEANSIDE ESTABLISHING CERTAIN TRAFFIC CONTROLS  
4 WITHIN THE CITY OF OCEANSIDE

5 (All-Way Stop Controls at the Intersections of Spur Avenue and Del Mar Road and Spur  
6 Avenue and Buckboard Drive)

7 WHEREAS, based on staff recommendation, this City Council finds the public health  
8 and safety will be benefited by establishing certain traffic controls on particular streets within  
9 the City of Oceanside.

10 NOW, THEREFORE, the City Council of the City of Oceanside does resolve as follows:

11 SECTION 1. There is established an all-way stop control at the intersection of Spur  
12 Avenue and Del Mar Road and;

13 SECTION 2. There is established an all-way stop control at the intersection of Spur  
14 Avenue and Buckboard Drive.

15 SECTION 3. Staff is directed to effect the foregoing controls as soon as possible.

16 PASSED AND ADOPTED by the City Council of the City of Oceanside, California,  
17 this \_\_\_\_\_ day of \_\_\_\_\_, 2005, by the following vote:

- 18 AYES:
- 19 NAYS:
- 20 ABSENT:
- 21 ABSTAIN:

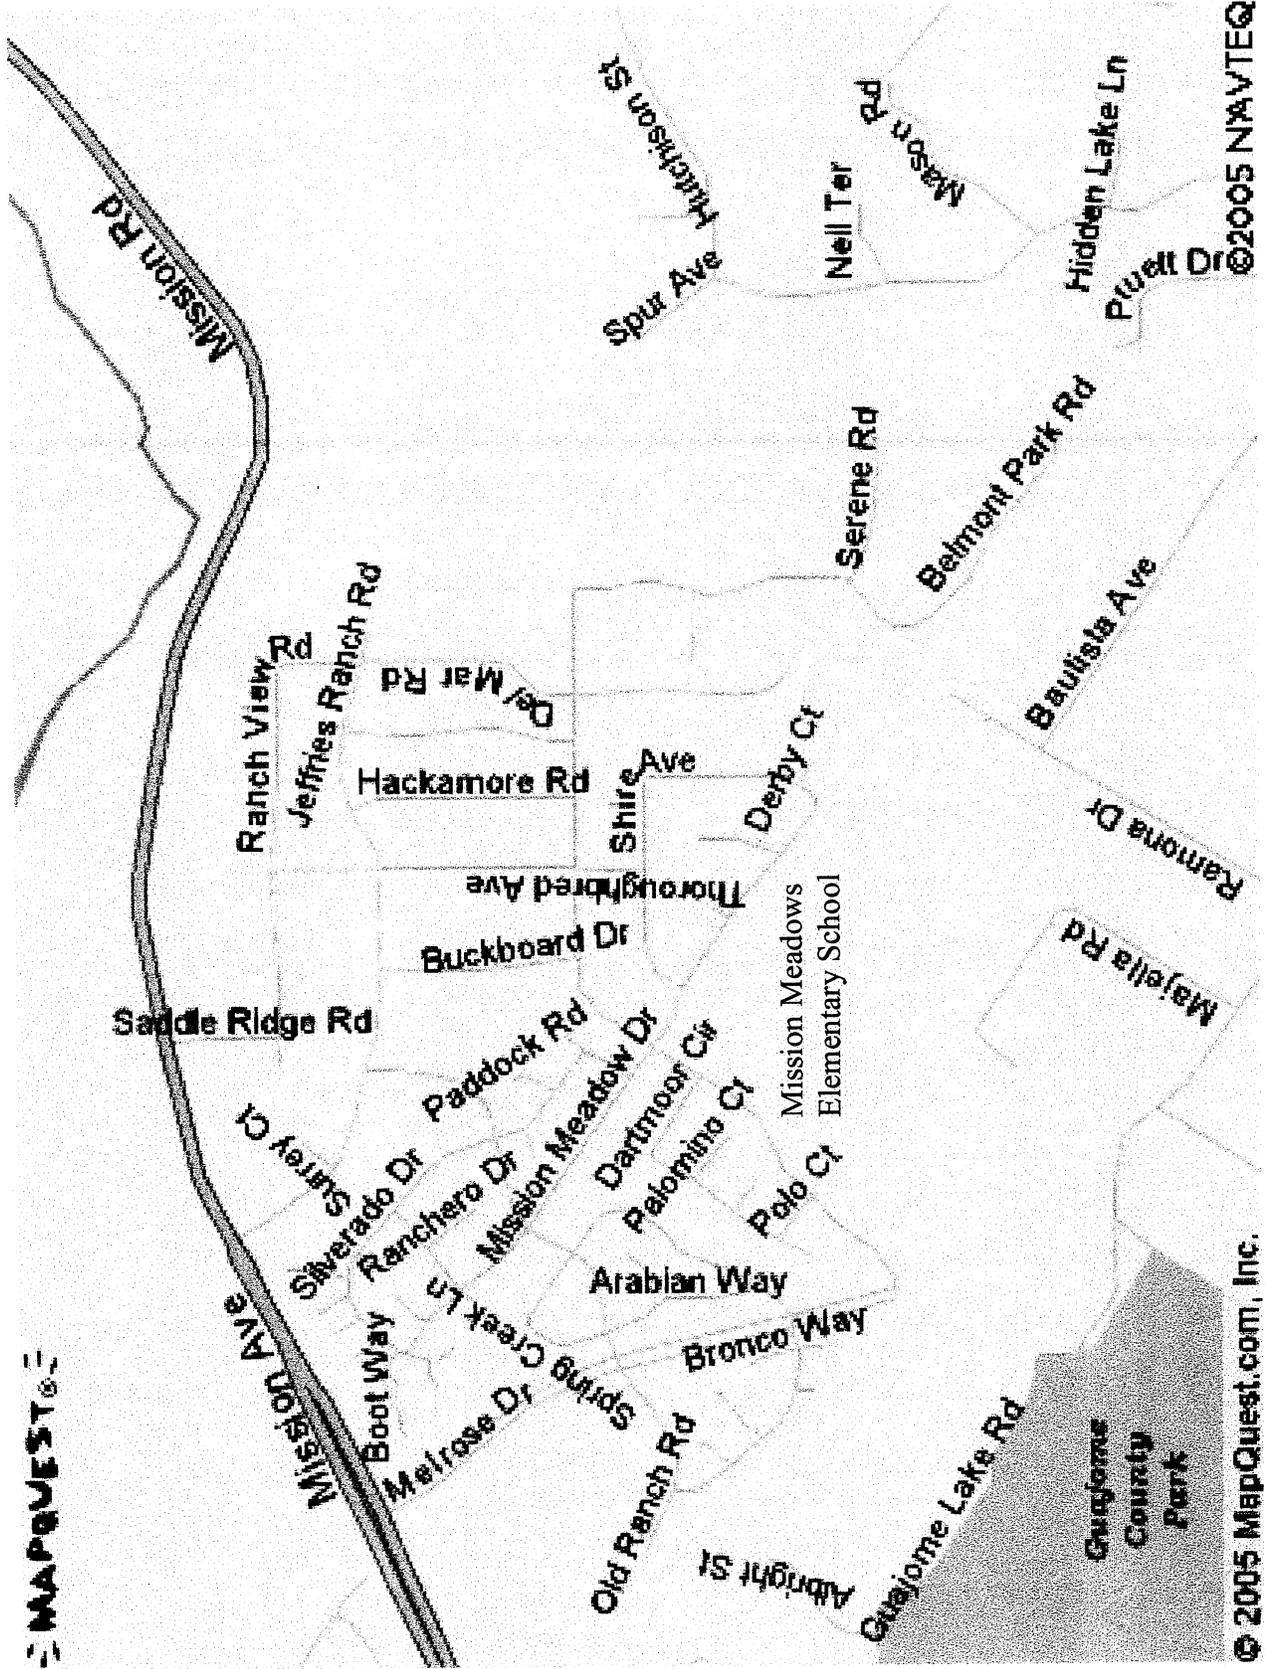

22 MAYOR OF THE CITY OF OCEANSIDE

23 APPROVED AS TO FORM:

24   
25 CITY ATTORNEY

**PETITION REQUESTING TRAFFIC CALMING MEASURES**

**ON:  
Spur Avenue**

We, the undersigned residents of the area of Spur Avenue, do hereby request the City of Oceanside, California to install traffic calming devices such as speed cushions, stop signs, etc. and/or other devices on our area streets. By signing below, we understand and support the installation of the traffic calming devices. We understand that there may be related signing and street stenciling installed in front of our house. We also understand that installing the speed cushions, stop signs and/or other traffic calming devices may produce some noise and increase emergency response time to our home.
