

STAFF REPORT

ITEM NO. 6
CITY OF OCEANSIDE

DATE: February 11, 2009

TO: Honorable Mayor and City Councilmembers

FROM: Development Services Department

SUBJECT: **APPROVAL OF A PROFESSIONAL SERVICES AGREEMENT WITH DUDEK IN THE AMOUNT OF \$228,234 FOR PRELIMINARY ENVIRONMENTAL AND ENGINEERING SERVICES TO STUDY THE WIDENING OF MURRAY ROAD BRIDGE AND COLLEGE BOULEVARD BETWEEN ADAMS STREET AND THE SOUTHERN BRIDGE ABUTMENT, AND AUTHORIZATION FOR THE CITY MANAGER TO EXECUTE THE AGREEMENT**

SYNOPSIS

Staff recommends that the City Council approve a professional services agreement with DUDEK, Inc., of Encinitas in the amount of \$228,234 for preliminary environmental and engineering services for the widening of the Murray Road Bridge and College Boulevard between Adams Street and the southern bridge abutment, and authorize the City Manager to execute the agreement.

BACKGROUND

The project will identify and analyze potential alternatives to the future widening of the Murray Road Bridge and College Boulevard north from Adams Street, from a four-lane major arterial to a six-lane major arterial. The potential widening of the bridge and College Boulevard to a six-lane major arterial is consistent with the City's Circulation Element. The roadway section would include three travel lanes and a bicycle lane in each direction with curb, gutter and sidewalk. Much of the project will focus on analyzing potential alternatives for widening the bridge.

On September 2, 2009, staff sent a Request for Proposals (RFP) to seven engineering and environmental consultants and posted the RFP on the City's Web site. Proposals were received from eleven consultant teams. Staff reviewed and evaluated the proposals and interviewed three consultant teams. DUDEK was selected by staff as the best consultant team to conduct the preliminary environmental and engineering services for the project, based upon their previous work in this area, overall related experience and their reasonable cost proposal.

ANALYSIS

This project proposes to study the widening of Murray Road Bridge and College Boulevard north of Adams Street from its current four-lane major classification to the recommended Circulation Element buildout six-lane major arterial classification. The project will analyze College Boulevard in two separate segments:

1. Segment 1: Murray Road Bridge from North River Road and the southern bridge abutment; and
2. Segment 2: College Boulevard from Adams Street to the southern bridge abutment.

Detailed analysis of possible widening alternatives will specifically address potential impacts to existing properties and San Luis Rey riverbed and identify remedies for those potential impacts. This analysis will include widening the bridge and College Boulevard along one or both sides of the roadway.

Once the consultant team has researched the existing conditions, coordination with the affected properties and residents within the project area will take place in the form of one public outreach meeting. Key issues and areas of concern will be identified and factored into potential widening alternatives. The alternatives will be revised based upon these meetings, the preparation of the draft CEQA and NEPA documents, and preliminary engineering designs will be completed. The project is anticipated to begin in February 2009, and the final environmental and engineering documents are anticipated to be complete in January 2010.

DUDEK and its sub-consultants, Nolte Engineering, and Katz, Okitsu and Associates have extensive experience in this area.

FISCAL IMPACT

Total funding available for the project is \$616,925 with \$108,770 in the College Bridge Widening at San Luis Rey River (212.737557) and \$508,155 in the College Vista Way to Olive project (212.757794). The total cost for the preparation of the project is anticipated to be \$228,234; therefore, there are sufficient funds available for this agreement.

INSURANCE REQUIREMENTS

The City's standard insurance requirements will be met.

COMMISSION OR COMMITTEE REPORT

The Transportation Commission were advised of the Murray Road Bridge and College Boulevard Widening Project on January 20, 2009, and they approved of its need for further study.

CITY ATTORNEY'S ANALYSIS

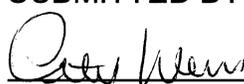

The referenced documents have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

CITY OF OCEANSIDE

PROFESSIONAL SERVICES AGREEMENT

THIS AGREEMENT, dated February 11th, 2009, for identification purposes, is made and entered into by and between the CITY OF OCEANSIDE, a municipal corporation, hereinafter designated as "CITY", and DUDEK, hereinafter designated as "CONSULTANT".

RECITALS

- A. CITY desires to obtain professional engineering services from an independent contractor for the above named project.
- B. CONSULTANT has submitted a proposal to provide engineering services for the CITY in accordance with the terms set forth in this Agreement.
- C. CITY desires to contract with CONSULTANT as an independent contractor and CONSULTANT desires to provide services to CITY as an independent contractor.
- D. CONSULTANT has demonstrated its competence and professional qualifications necessary for the satisfactory performance of the services designated herein by virtue of its experience, training, education and expertise.

NOW, THEREFORE, THE PARTIES MUTUALLY AGREE AS FOLLOWS:

- 1.0 **SCOPE OF WORK.** The project is more particularly described as follows: Technical environmental studies shall be completed which will include both CEQA and NEPA documents. These environmental studies will be required to successfully complete the preliminary engineering and environmental documentation process for future widening of the study area bridge and roadway.
- 1.1 **PROFESSIONAL SERVICES PROVIDED BY CONSULTANT.** The professional services to be performed by CONSULTANT shall consist of but not be limited to the following:
 - 1.1.1 Work closely with the City Engineer in performing work in accordance with this Agreement in order to receive clarification as to the result which the CITY expects to be accomplished by CONSULTANT. The City Engineer, under the authority of the City Manager, shall be the CITY'S authorized representative in the

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

interpretation and enforcement of all work performed in connection with this Agreement. The City Engineer may delegate authority in connection with this Agreement to the City Engineer's designees. For the purposes of directing the CONSULTANT'S performance in accordance with this Agreement, the City Engineer delegates authority to both David Dipierro, City Traffic Engineer and John Amberson, Project Manager.

- 1.1.2 In compliance with Government Code section 7550, the CONSULTANT shall include a separate section in the proposal prepared pursuant to this Agreement, which contains a list of all the subcontractors and dollar amounts of all contracts and subcontracts required for the preparation of work described in this Agreement.
- 1.1.3 Visit and carefully examine the location of the project as often as necessary to become acquainted with all conditions which are visible or could reasonably be discovered, and which might have an impact upon the construction of the project.
- 1.1.4 Design, prepare and submit to the City Engineer, plans and specifications for the construction of the project as described in the Scope of Work, and in the time and manner set forth in this Agreement.
- 1.1.5 Prepare and submit to the City Engineer, concurrently with environmental studies:
 - a. CEQA and NEPA environmental documents.
 - b. Preliminary engineering designs and written estimate of probable construction costs.
- 1.2 **SERVICES PROVIDED BY CITY.** The CITY shall perform the following services:
 - 1.2.1 Provide access to all public improvement plans and records and furnish one copy of drawings and reports requested.
 - 1.2.2 Obtain all necessary permits from other regulatory agencies and other Departments. CONSULTANT shall participate in the completion of such forms but CITY will submit these and pay for any applicable fees.
 - 1.2.3 Provide sample of title block for the plans and standard form Public Works Construction Contract Documents to be used with the General Provisions (Specifications).
 - 1.2.4 Upon request, verify the location of existing CITY owned utilities.

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

- 1.2.5 Provide all legal advertising mailings and postings required.
- 1.2.6 Duplicate all final plans and specifications.
- 1.2.7 Provide all necessary surveying and testing required for design, including geotechnical engineering services if required during construction.
- 1.2.8 Provide overall project management.
- 1.2.9 Provide coordination of all inquiries from prospective bidders during the bidding period.

2.0 TIMING REQUIREMENTS

- 2.1 Time is of the essence in the performance of work under this Agreement and the following timing requirements shall be strictly adhered to unless otherwise modified in writing as set forth in Section 2.6. Failure by CONSULTANT to strictly adhere to these timing requirements may result in termination of this Agreement by the CITY and the assessment of damages against the CONSULTANT for delays.
- 2.2 Phase I. CONSULTANT shall prepare and deliver a copy of the technical studies for existing conditions to the City Engineer within 190 calendar days of the execution of this Agreement. No work shall be performed by CONSULTANT beyond the Phase I stage until the City engineer has given written approval of the preliminary design and authorization to perform Phase II.
- 2.3 Phase II. CONSULTANT shall prepare and deliver a copy of the preliminary engineering report design plans to the City Engineer within 130 calendar days of the execution of this Agreement. No work shall be performed by CONSULTANT beyond the Phase II stage until the City Engineer has given authorization to perform Phase III.
- 2.4 Phase III. CONSULTANT shall prepare and deliver the traffic impact study analysis to the City Engineer within 230 calendar days of the City Engineer's written authorization to perform Phase III.
- 2.5 Phase IV. CONSULTANT shall prepare and deliver the final environmental documents and preliminary engineering plans and costs to the City Engineer within 365 calendar days of the City engineer's written request.

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

2.6 CONSULTANT shall submit all requests for extensions of time for performance in writing to the City engineer no later than ten (10) calendar days after the start of the condition which purportedly caused the delay, and not later than the date on which performance is due. The City Engineer shall review all such requests and may grant reasonable time extensions for unforeseeable delays which are beyond CONSULTANT'S control.

2.7 For all time periods not specifically set forth herein, the CONSULTANT shall respond in the most expedient and appropriate manner under the circumstances, by either telephone, fax hand delivery or mail.

3.0 **DESIGN CRITERIA AND STANDARDS.** All work shall be performed in accordance with applicable CITY, state and federal codes and criteria. In the performance of its professional services, CONSULTANT shall use the degree of care and skill ordinarily exercised by consultants under similar conditions.

All plans shall be ink drawn on standard mylar sheets available from the CITY at no cost to CONSULTANT. Contract specifications shall conform to the CITY'S specification procedures and the format of the CITY'S standard form Contract Documents for Public Works Construction.

4.0 **INDEPENDENT CONTRACTOR.** CONSULTANT'S relationship to the CITY shall be that of an independent contractor. CONSULTANT shall have no authority, express or implied, to act on behalf of the CITY as an agent, or to bind the CITY to any obligation whatsoever, unless specifically authorized in writing by the City Engineer. The CONSULTANT shall not be authorized to communicate directly with, nor in any way direct the actions of, any bidder or the construction contractor for this project without the prior written authorization by the City Engineer. CONSULTANT shall be sole responsible for the performance of any of its employees, agents or subcontractors under this agreement.

CONSULTANT shall report to the CITY any and all employees, agents and consultants performing work in connection with this project, and all shall be subject to the approval of the CITY.

5.0 **CITY BUSINESS LICENSE.** Prior to the commencement of any work under this agreement, the CONSULTANT shall obtain and present a copy of an Oceanside City Business License to the City Engineer.

6.0 **WORKERS' COMPENSATION.** Pursuant to Labor Code section 1861, the CONSULTANT hereby certifies that the CONSULTANT is aware of the

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of that Code, and the CONSULTANT will comply with such provisions and provide certification of such compliance as a part of these Award Documents. The certification shall be in accordance with Subsections 7.3 through 7.8 of this Agreement.

7.0 LIABILITY INSURANCE.

7.1 CONSULTANT shall, throughout the duration of this Agreement, maintain comprehensive general liability and property damage insurance, or commercial general liability insurance, covering all operations of CONSULTANT, its agents and employees, performed in connection with this Agreement including, but not limited to, premises and automobile.

7.2.1 CONSULTANT shall maintain liability insurance in the following minimum limits:

Comprehensive General Liability Insurance
(bodily injury and property damage)

Combined Single Limit Per Occurrence	\$ 1,000,000
General Aggregate	\$ 2,000,000*

Commercial General Liability Insurance
(bodily injury and property damage)

General limit per occurrence	\$ 1,000,000
General limit project specific	\$ 2,000,000

<u>Automobile Liability Insurance</u>	\$ 1,000,000
---------------------------------------	--------------

*General aggregate per year, or part thereof, with respect to losses or other acts or omissions of CONSULTANT under this Agreement.

7.2.2 If coverage is provided through a Commercial General Liability Insurance policy, a minimum of 50% of each of the aggregate limits shall remain available at all times. If over 50% of any aggregate limit has been paid or reserved, the CITY may require additional coverage to be purchased by the CONSULTANT to restore the required limits. The CONSULTANT shall also notify the CITY'S Project Manager promptly of all losses or claims over \$25,000 resulting from work

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

performed under this contract, or any loss or claim against the CONSULTANT resulting from any of the CONSULTANT'S work.

- 7.3 All insurance companies affording coverage to the CONSULTANT for the purposes of this Section shall add the City of Oceanside as "additional insured" under the designated insurance policy for all work performed under this Agreement. Insurance coverage provided to the CITY as an additional insured shall be primary insurance and other insurance maintained by the CITY, its officers, agents and employees shall be excess only and not contributing with insurance provided pursuant to this Section.
- 7.4 All insurance companies affording coverage to the CONSULTANT pursuant to this Agreement shall be insurance organizations authorized by the Insurance Commissioner of the State of California to transact business of insurance in the state or be rated as A-X or higher by A.M. Best.
- 7.5 All insurance companies affording coverage shall provide thirty (30) days written notice to the CITY should the policy be cancelled before the expiration date. For the purposes of this notice requirement, any material change in the policy prior to the expiration shall be considered a cancellation.
- 7.6 CONSULTANT shall provide evidence of compliance with the insurance requirements listed above by providing a Certificate of Insurance and applicable endorsements, in a form satisfactory to the City Attorney, concurrently with the submittal of this Agreement.
- 7.7 CONSULTANT shall provide a substitute Certificate of Insurance no later than thirty (30) days prior to the policy expiration date. Failure by the CONSULTANT to provide such a substitution and extend the policy expiration date shall be considered a default by CONSULTANT and may subject the CONSULTANT to a suspension or termination of work under the Agreement.
- 7.8 Maintenance of insurance by the CONSULTANT as specified in this Agreement shall in no way be interpreted as relieving the CONSULTANT of any responsibility whatsoever and the CONSULTANT may carry, at its own expense, such additional insurance as it deems necessary.
- 8.0 **PROFESSIONAL ERRORS AND OMISSIONS INSURANCE.** Throughout the duration of this agreement and four (4) years thereafter, the CONSULTANT shall maintain professional errors and omissions insurance for work performed in connection with this Agreement in the minimum amount of One Million dollars (\$1,000,000).

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

CONSULTANT shall provide evidence of compliance with these insurance requirements by providing a Certificate of Insurance.

- 9.0 **CONSULTANT'S INDEMNIFICATION OF CITY.** CONSULTANT shall indemnify and hold harmless the CITY and its officers, agents and employees against all claims for damages to persons or property arising out of CONSULTANT'S work, including the negligent acts, errors or omissions or wrongful acts or conduct of the CONSULTANT, or its employees, agents, subcontractors, or others in connection with the execution of the work covered by this Agreement, except for those claims arising from the willful misconduct, sole negligence or active negligence of the CITY, its officers, agents, or employees. CONSULTANT'S indemnification shall include any and all costs, expenses, attorneys' fees, expert fees and liability assessed against or incurred by the CITY, its officers, agents, or employees in defending against such claims or lawsuits, whether the same proceed to judgment or not. Further, CONSULTANT at its own expense shall, upon written request by the CITY, defend any such suit or action brought against the CITY, its officers, agents, or employees founded upon, resulting or arising from the conduct, tortious acts or omissions of the CONSULTANT.

CONSULTANT'S indemnification of CITY shall not be limited by any prior or subsequent declaration by the CONSULTANT.

- 10.0 **ERRORS AND OMISSIONS.** In the event that the City Engineer determines that the CONSULTANT'S negligence, misconduct, errors or omissions in the performance of work under this Agreement has resulted in expense to CITY greater than would have resulted if there were no such negligence, errors or omissions in the plans or contract specifications, CONSULTANT shall reimburse CITY for the additional expenses incurred by the CITY, including engineering, construction and/or restoration expense. Nothing herein is intended to limit CITY'S rights under Sections 7, 8 or 9.
- 11.0 **NO CONFLICT OF INTEREST.** The CONSULTANT shall not be financially interested in any other CITY contract for this project. For the limited purposes of interpreting this section, the CONSULTANT shall be deemed a "City officer or employee", and this Section shall be interpreted in accordance with Government Code section 1090. In the event that the CONSULTANT becomes financially interested in any other CITY contract for this project, that other contract shall be void. The CONSULTANT shall indemnify and hold harmless the CITY, under Section 9 above, for any claims for damages resulting from the CONSULTANT'S violation of this Section.

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

12.0 **OWNERSHIP OF DOCUMENTS.** All plans and specifications, including details, computations and other documents, prepared or provided by the CONSULTANT under this Agreement shall be the property of the CITY. The CITY agrees to hold the CONSULTANT free and harmless from any claim arising from any use, other than the purpose intended, of the plans and specifications and all preliminary sketches, schematics, preliminary plans, architectural perspective renderings, working drawings, including details, computation and other documents, prepared or provided by the CONSULTANT. CONSULTANT may retain a copy of all material produced under this Agreement for the purpose of documenting their participation in this project.

13.0 **COMPENSATION.**

13.1 For work performed by CONSULTANT in accordance with this Agreement, CITY shall pay CONSULTANT in accordance with the schedule of billing rates set forth in Exhibit "A", attached hereto and incorporated herein by reference. No rate changes shall be made during the term of this Agreement without prior written approval of the City Engineer. CONSULTANT'S compensation for all work performed in accordance with this Agreement shall not exceed the total contract price of \$228,234.

No work shall be performed by CONSULTANT in excess of the total contract price without prior written approval of the City Engineer. CONSULTANT shall obtain approval by the City Engineer prior to performing any work which results in incidental expenses to CITY as set forth in Section 13.2.2.

13.2 CONSULTANT shall maintain accounting records including the following information:

13.2.1 Names and titles of employees or agents, types of work performed and times and dates of all work performed in connection with this Agreement which is billed on an hourly basis.

13.2.2 All incidental expenses including reproductions, computer printing, postage, mileage and subsistence.

13.3 CONSULTANT'S accounting records shall be made available to the City Engineer for verification of billings, within a reasonable time of the City Engineer's request for inspection.

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

13.4 CONSULTANT shall submit monthly invoices to CITY. CITY shall make partial payments to CONSULTANT not to exceed the total contract price within thirty (30) days of receipt of invoice, subject to the approval of the City engineer, and based upon the following partial payment schedule:

13.4.1 Prior to submittal of the technical studies for existing conditions, partial payments shall not exceed \$ 100,000.

13.4.2 Prior to preliminary engineering report design plans, partial payments shall not exceed \$150,000.

13.4.3 Final payment shall be made to CONSULTANT upon CONSULTANT's preparation of the final environmental documents and preliminary engineering plans.

14.0 **TERMINATION OF AGREEMENT.** Either party may terminate this Agreement by providing thirty (30) days written notice to the other party.

If any portion of the work is terminated or abandoned by the CITY, then the CITY shall pay CONSULTANT for any work completed up to and including the date of termination or abandonment of this Agreement, in accordance with Section 13. The CITY shall be required to compensate CONSULTANT only for work performed in accordance with the Agreement up to and including the date of termination.

15.0 **ASSIGNMENT AND DELEGATION.** This Agreement and any portion thereof shall not be assigned or transferred, nor shall any of the CONSULTANT'S duties be delegated, without the express written consent of the CITY. Any attempt to assign or delegate this Agreement without the express written consent of the CITY shall be void and of no force or effect. A consent by the CITY to one assignment shall not be deemed to be a consent to any subsequent assignment.

This Agreement shall inure to the benefit of and be binding upon the parties hereto and their respective successors and assigns.

16.0 **ENTIRE AGREEMENT.** This Agreement comprises the entire integrated understanding between CITY and CONSULTANT concerning the work to be performed for this project and supersedes all prior negotiations, representations or agreements.

Murray Road Bridge and College Boulevard Widening Environmental and Engineering Studies

17.0 **INTERPRETATION OF THE AGREEMENT.** The interpretation, validity and enforcement of the Agreement shall be governed by and construed under the laws of the State of California. The Agreement does not limit any other rights or remedies available to CITY.

The CONSULTANT shall be responsible for complying with all local, state and federal laws whether or not said laws are expressly stated or referred to herein.

Should any provision herein be found or deemed to be invalid, the Agreement shall be construed as not containing such provision and all other provisions, which are otherwise lawful, shall remain in full force and effect, and to this end the provisions of this Agreement are severable.

18.0 **AGREEMENT MODIFICATION.** This Agreement may not be modified orally or in any manner other than by an Agreement in writing, signed by the parties hereto.

19.0 **DISPUTE RESOLUTION.**

- a. Any controversy or claim arising out of or relating to this Agreement, or concerning the breach or interpretation thereof, shall be first submitted to mediation, the cost of which shall be borne equally by the parties.
- b. No suit shall be brought on this contract unless all statutory claims filing requirements have been met.

20. **NOTICES.** All notices, demands, requests, consents or other communications which this Agreement contemplates or authorizes, or requires or permits either party to give to the other, shall be in writing and shall be personally delivered or mailed to the respective party as follows:
