SUBJECT: **ACCEPTANCE OF SUPPORTIVE HOUSING PROGRAM GRANT FUNDS IN THE AMOUNT OF \$146,702 FROM THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT; AND APPROVAL OF AN AGREEMENT WITH THE WOMEN'S RESOURCE CENTER FOR USE OF THESE PROGRAM FUNDS FOR OPERATION OF A 21-UNIT TRANSITIONAL HOUSING PROGRAM**

SYNOPSIS

Staff recommends that the City Council accept a one-year Supportive Housing Program renewal grant in the amount of \$146,702 from the U.S. Department of Housing and Urban Development; approve the appropriation of these funds to the Neighborhood Services Department – Housing and Code Enforcement Division; approve an agreement with the Women's Resource Center to use the funds for operation of the 21-unit Transition House; and authorize the City Manager to execute the agreement.

BACKGROUND

The Women's Resource Center opened Transition House at 1963 Apple Street in Oceanside in 1994. The City purchased the 20,000-square-foot building, formerly an abandoned racquetball center, and remodeled the building into 21 transitional housing units for homeless women, including women with children, and 5,000 square feet of office space. The initial source of funding for this project was a \$1.6 million Supportive Housing Program grant from the U.S. Department of Housing and Urban Development (HUD); this grant included operating funds for a five-year period that ended September 30, 1999. The City has applied for renewal funding since the end of the first grant, and the grant has been renewed for two-year periods through January 2008. Grant applications are reviewed by the Regional Continuum of Care Committee (RCCC), of which the City is an active participant. HUD revised the grant program in 2007 to require annual renewal of funding beginning with the 2008-09 program year. The HUD Los Angeles Field Office has notified the City that the grant has been renewed through the Homeless Assistance Grants competition for the period February 1, 2010, through January 31, 2011.

ANALYSIS

The U.S. Department of Housing and Urban Development has awarded a Supportive Housing Program (SHP) grant in the amount of \$146,702 to the City from for the period February 1, 2010, through January 31, 2011. The Supportive Housing Program is authorized by Title IV, Subtitle C, of the McKinney-Vento Homeless Assistance Act of 1987, as amended. It is designed to promote, as part of a local Continuum of Care strategy, the development of housing and supportive services to assist homeless persons and households in the transition from homelessness to independent, self-sufficient living. Assistance through the Supportive Housing Program is provided to help homeless persons meet three overall goals:

- achieve residential stability,
- increase their skill levels and/or incomes, and
- become independent and self-sufficient.

The City will contract with the Women's Resource Center to use the SHP funds to operate Transition House, which provides 21 units of transitional housing for homeless women and female-headed households. Residents may stay up to twenty-four months conditional upon participation in program services and progress toward becoming independent and self-sufficient. The Women's Resource Center is responsible for program management and for obtaining the 25 percent non-federal cash match for supportive services. The City is responsible for grant administration, including reporting and financial management. The Neighborhood Services Department makes an annual monitoring visit to Transition House to ensure compliance with SHP regulations.

FISCAL IMPACT

Staff recommends that the City Council accept a grant award in the amount of \$146,702 and appropriate these funds to the HUD Supportive Housing Program Grant account (922XXX00274.4352). Funds will be transferred to the Women's Resource Center (922XXX00274.5395) in the amount of \$89,827 for shelter operations and \$49,890 for supportive services. The remaining balance of \$6,985 will be used for administration of the HUD grant. There is no impact on the General Fund and the City has no obligation to provide local funding to the Women's Resource Center if HUD does not renew the Supportive Housing Program grant funding. The grant requires matching funds; the match is provided by community donations to the Women's Resource Center and by the value of the buildings used for Transition House, which the City owns and leases to the Women's Resource Center for transitional housing at \$1.00 per year.

COMMISSION OR COMMITTEE REPORT

The Housing Commission has reviewed the SHP grant in previous years and expressed support for continued funding of the Transition House program.

CITY ATTORNEY'S ANALYSIS

The referenced documents have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION
