ANALYSIS

Consistent with City Council direction from the May 15, 2004, Special Events Workshop, all major street closure requests require City Council approval. Lincoln Financial Media is requesting the temporary street closure of Pacific Street from Seagaze Drive to Pier View Way and Mission Avenue from Myers Street to Pacific Street, from 8 a.m. to midnight on June 7, 2009, July 18, 2009, July 19, 2009, and September 26, 2009. Lincoln Financial Media will provide advance notification to all businesses and residents advising of the street closures. Upon approval of the requested temporary street

closures, Lincoln Financial Media will be required to employ a licensed traffic control company to provide a traffic control plan to be approved by the Public Works Director. All traffic control equipment and staffing necessary to facilitate the temporary street closure will be provided by a licensed traffic control company. Lincoln Financial Media will pay for police staffing and provide private security to monitor the concerts.

FISCAL IMPACT

No fiscal impact has been identified for this event. Lincoln Financial Media will pay all facility fees and for City services.

INSURANCE REQUIREMENTS

The City's standard insurance requirements will be met.

COMMITTEE OR COMMISSION REPORT

While the Special Events Committee does not have discretionary authority to close major arterial roadways, the Committee has reviewed this event application and will be working closely with the event organizer on additional logistics.

CITY ATTORNEY'S ANALYSIS

The California Vehicle Code authorizes the temporary closure of a public street for local special events, when, in the opinion of the local authorities, the closing is necessary for the safety and protection of the public who will be using the portion of street during the temporary closing.
