SUBJECT: **ADOPTION OF A RESOLUTION IMPLEMENTING THE  
COMPENSATION PLAN FOR UNREPRESENTED EMPLOYEES  
EFFECTIVE JULY 1, 2007**

**SYNOPSIS**

The Compensation Plan for Unrepresented Employees has been revised to reflect recommended adjustments in compensation and benefits. It is requested that the City Council adopt the attached resolution to implement the proposed Compensation Plan for Unrepresented Employees (Attachment 1).

**BACKGROUND**

The proposed compensation plan includes compensation and classification changes and contract language clarification.

**ANALYSIS**

The key economic issues in the compensation plan include increases in compensation, enhancement to the California Public Employees' Retirement System (PERS) retirement compensation formula, and revisions in health insurance cost-sharing.

The compensation plan provides all Unrepresented Executive, Mid-Management, and Supervisory/Administrative employees, with the exception of the City Manager, City Attorney, Assistant City Attorney, Deputy City Managers, Department Directors and Harbor Police Sergeant, with a 3.5 percent base salary increase effective the first full pay period in July 2007; a 4 percent base salary increase effective the first full pay period in July 2008; a 3 percent base salary increase effective the first full pay period in July 2009; and a 3 percent base salary increase effective the first full pay period in July 2010.

The compensation plan provides all Unrepresented Confidential and Technical employees with a 3 percent base salary increase effective the first full pay period in July 2007; a 3 percent base salary increase effective the first full pay period in July 2008; a 4 percent base salary increase effective the first full pay period in July 2009; and a 3 percent base salary increase effective the first full pay period in July 2010.

The compensation plan provides unit employees with PERS retirement formula of 2.7 percent at age 55 effective the first full pay period in July 2009.

Effective the first full pay period in July 2007, all Unrepresented Executive Mid-Management, and Supervisory/Administrative employees, with the exception Harbor Police Sergeant, will contribute .5 percent base salary to the employees' portion of PERS. Effective the first full pay period in July 2008, all Unrepresented Executive, Mid-Management, and Supervisory/Administrative employees, with the exception of Harbor Police Sergeant, will contribute 2 percent base salary to the employees' portion of PERS. Effective the first full pay period in July 2009, and continuing thereafter, all Unrepresented Executive, Mid-Management, and Supervisory/Administrative employees, with the exception of Harbor Police Sergeant, will contribute 4 percent base salary to the employees' portion of PERS.

Effective the first full pay period in July 2008, all Unrepresented Confidential and Technical employees will contribute 1 percent base salary to the employees' portion of PERS. Effective the first full pay period in July 2009, and continuing thereafter, all Unrepresented Confidential and Technical employees will contribute 3 percent base salary to the employees' portion of PERS.

The compensation plan provides for the City to pay unit employees' health insurance premiums as follows:

For Unrepresented Executive, Mid-Management, and Supervisory/Administrative employees:

For family medical coverage, the City will pay 75 percent of the medical insurance premium, not to exceed 75 percent of the cost of the PacifiCare HMO plan. For two-party medical coverage, the City will pay 85 percent of the medical insurance premium, not to exceed 85 percent of the cost of the PacifiCare HMO plan. For single medical coverage, the City will pay 100 percent of the medical insurance premium, not to exceed 100 percent of the cost of the PacifiCare HMO plan.

For family dental coverage, the City will pay 75 percent of the dental insurance premium not to exceed 75 percent of the cost of the Delta Preferred PPO premium. For two-party dental coverage, the City will pay 85 percent of the dental insurance premium not to exceed 85 percent of the cost of the Delta Preferred PPO premium. For single dental coverage, the City will pay 100 percent of the dental insurance premium not to exceed 100 percent of the cost of the Delta Preferred PPO premium.

For family vision coverage, the City will pay 75 percent of the vision insurance premium. For two-party vision coverage, the City will pay 85 percent of the vision insurance coverage. For single vision coverage, the City will pay 100 percent of the vision insurance premium.

For Unrepresented Confidential and Technical employees:

For family medical coverage, the City will pay 80 percent of the medical insurance premium, not to exceed 80 percent of the cost of the PacifiCare HMO plan. For two-party medical coverage, the City will pay 85 percent of the medical insurance premium, not to exceed 85 percent of the cost of the PacifiCare HMO plan. For single medical coverage, the City will pay 90 percent of the medical insurance premium, not to exceed 90 percent of the cost of the PacifiCare HMO plan.

For family dental coverage, the City will pay 80 percent of the dental insurance premium not to exceed 80 percent of the cost of the Delta Preferred PPO premium. For two-party dental coverage, the City will pay 85 percent of the dental insurance premium not to exceed 85 percent of the cost of the Delta Preferred PPO premium. For single dental coverage, the City will pay 90 percent of the dental insurance premium not to exceed 90 percent of the cost of the Delta Preferred PPO premium.

For family vision coverage, the City will pay 80 percent of the vision insurance premium. For two-party vision coverage, the City will pay 85 percent of the vision insurance coverage. For single vision coverage, the City will pay 90 percent of the vision insurance premium.

## **FISCAL IMPACT**

The total projected cost to implement the proposed changes from all funds for FY 2007/2008, including enhanced retirement, salary increases, and health insurance cost sharing, is approximately \$359,151. The projected additional cost for FY 2008/2009, including enhanced retirement, salary increases, and health insurance cost sharing is approximately \$259,885. The projected additional cost for FY 2009/2010, including enhanced retirement, salary increases, and health insurance cost sharing is approximately \$712,917. The projected additional cost for FY 2010/2011, including enhanced retirement, salary increases, and health insurance cost sharing is approximately \$725,780.

The cost of the enhanced retirement is equivalent to 7.1 percent of unloaded base salary. With Executive and Mid-Management employees' contributions totaling 4 percent, and Supervisory/Administrative, Confidential and Technical employees' contributions totaling 3 percent, the cost for enhanced retirement is consistent with the City's adopted and projected budgets.

#### SALARY PLAN ADMINISTRATION

1. Non-exempt employees shall normally receive salary compensation on a bi-weekly basis with paychecks being distributed on Friday. Each bi-weekly payperiod shall normally extend from 12:01 a.m. on the Sunday before a regular payday through 12:00 a.m. on the Saturday following a regular payday. For employees scheduled to work a 9/80 work schedule, each bi-weekly pay period shall normally extend from 12:01 p.m. on the Friday before a normal payday through 12:00 (noon) on the Friday following a normal payday.
2. Exempt employees are "salaried employees" for the purposes of the Fair Labor Standards Act and shall receive salary compensation in twenty-six (26) bi-weekly installments with paychecks being distributed on Friday. Employees shall receive full pay for each payperiod without regard to the number of hours actually worked within a payperiod subject to rules relating to leave.
3. An employee will not receive any compensation of any type while on a leave of absence without pay or while absent from duty without official leave.
4. If the salary range for a particular job classification is either increased or decreased, all employees within that classification shall maintain their same salary step level in the adjusted salary range.
5. The City may accelerate salary step advancement for individual employees at its discretion.
6. To maintain any given salary level, an employee must continue to maintain a fully satisfactory level of performance. All employees shall receive at least one (1) annual written department evaluation. Additionally, the City may at any time assess an employee's performance by conducting an evaluation. If any such written departmental performance evaluation does not demonstrate an employee's continued successful performance, that employee may be reduced in salary level or demoted in job classification. Any such reduction will be reevaluated, at the City's discretion, after a specified period of time not exceeding one (1) year.

Any grievance appeal to any performance-based salary reduction or demotion in job classification shall be subject to the disciplinary appeals process as provided in this Compensation Plan.

7. Evaluation Date Defined: The date on which an employee is to receive a performance evaluation in accordance with the salary step plan and the probationary period. Any change in an employee's job classification or salary step shall be considered as an appointment, which establishes a new Evaluation Date.
  - a. This definition shall be utilized, as appropriate, throughout this Compensation Plan unless specifically provided otherwise.
  - b. The Evaluation Date for any employee not present for duty, nor in a pay status for thirty or more calendar days shall be advanced that number of days.

C. ACTING APPOINTMENTS

The City may, at its discretion, appoint an employee to an acting capacity in a job classification different than that one currently held by the employee. The employee shall receive any salary range increase, which may be attendant to such acting service only after 80 consecutive work hours of City-recognized successful service in such acting capacity. Employees appointed to an acting capacity shall only be required to complete the eighty (80) consecutive work hour requirement, for the same acting capacity, **(sick leave, vacation and other accrued leaves will be excluded from the initial eighty hour requirements)**, once per calendar year to be eligible to receive the salary range increase. Any salary range increase provided to an employee shall be determined in accordance with the promotion provisions of this Compensation Plan. Service in an acting capacity shall not continue for a period of time exceeding 180 days, nor be considered in establishing an employee's Evaluation Date for the purpose of applying the salary plan, nor be applied toward any subsequent probationary period. The provisions of this paragraph are not applicable to Unclassified positions, wherein the rate of acting compensation will be determined by the City Manager/City Attorney.

D. H-RATING

Defined: "H-Rating" shall mean that the salary for the affected employee shall remain the same until the salary range for the employee's classification equals or exceeds the "H-Rating" level.

The City may, at its discretion, "H-Rate" any employee in the City Service. Such action shall not take effect until that employee has had 15 calendar days advance notice. Upon request, the City shall meet with an employee

concerning the impact of the City's decision to apply a "H-Rate".

E. PROMOTION

The City may, at its discretion, promote any employee to a different job classification within the City service having more responsible duties, and/or higher job qualifications, and/or a higher salary range level. Upon promotion, any employee shall receive a minimum salary increase equivalent to one (1) salary step in the employee's current (pre-promotional) job classification, provided that such increase shall be at least equivalent to the minimum and shall not exceed the maximum salary range level established for the new job classification. A promotion shall establish a new Evaluation Date for purposes of applying the salary step plan. Any promotional appointment shall be tentative and subject to the probationary period. Any employee rejected during such probationary period shall be reinstated to the job classification held prior to the promotion, unless the employee is discharged from the City service as provided in this Agreement.

F. DEMOTION

The City may, in accordance with this Agreement, demote any employee to a different job classification within the City service having less responsible duties, and/or lower job qualifications and/or a lower salary range level. Upon demotion, any employee shall receive a minimum salary decrease equivalent to one (1) salary step in the employee's current (pre-demotion) job classification, provided that no employee shall receive a salary which exceeds the maximum salary range level established for the new job classification. A demotion shall establish a new Evaluation Date for purposes of applying the salary step plan and may reinstitute the probationary period.

G. EXEMPT/NON-EXEMPT EMPLOYEES

Non-exempt employees may be assigned work in excess of the normal, regularly scheduled work week which shall be compensated as overtime pay (OT); or as compensatory time off (CTO) as agreed upon by the appropriate immediate supervisor and the employee. Such compensation shall be computed at the rate of 1½ times the employee's regular hourly rate of pay for hours in excess of 40 hours per week.

Compensatory time off must be requested in the same manner as any other request for time off (vacation, holiday, etc.). If for any reason the City cannot grant the employee's request for CTO, then the employee will be allowed to request alternate days off or be paid at the applicable overtime rate. All overtime work shall be authorized in advance by an employee's appropriate immediate supervisor; failure to receive proper

authorization may be a basis for discipline. All time which an employee spends in a pay status shall be considered in establishing the employee's normal regularly scheduled work week.

1. FLSA exempt employees shall not receive overtime or compensatory time off.
2. Overtime compensation shall not be paid during a leave of absence taken by request or while on Injury-on-Duty (IOD) Status.
3. Non-exempt employees may accrue a maximum of 80 hours of CTO. Such time off shall be scheduled with due regard to the wishes of the employee and in compliance with FLSA rules and consistent with the City's work requirements. CTO may be taken in half-hour increments. Upon separation, an employee shall receive compensation for all accrued CTO at the employee's then-current salary rate.
4. Non-exempt employees may elect to cash-out accumulated CTO once each quarter per fiscal year.
5. When an employee is appointed to an exempt position from a non-exempt position, any compensatory time the employee has accrued, will be cashed out at the employee's current regular rate of pay.

#### H. RETIREMENT - PUBLIC EMPLOYEES' RETIREMENT SYSTEM (PERS)

1. The City shall contribute to PERS an amount equal to 9% of each safety member's earnings (modified in number 5. below) or 7% of each non-safety member's earnings as defined in Sections 92.0 through 98.1 and 100.8 of the "Procedure Manual for Public Agency Reporting to the Public Employee's Retirement System".
2. For non-safety members, the City agrees to contribute to PERS an amount to fund the 2% at 55 retirement plan through June 30, 2008.
3. Effective November 14, 1999 subject to approval by PERS, the City agrees to include the Employer Paid Member Contribution (EPMC) as additional compensation for employees and elected officials pursuant to Section 20692 of the California Government Code.
4. The Mayor and Councilmembers are eligible to participate in PERS on an elective basis.
5. Effective June 24, 2001, for all employees designated as safety members, the 3% @ 50 retirement benefit will become effective and

the City will amend the contract to provide for said benefit.

6. **The City agrees to implement the PERS 2.7 @ 55 retirement formula effective the first full pay period in July 2009.**
  - a. **Effective the first full pay period in July 2007, all Executive, Mid-Management, and Supervisory/Administrative employees shall pay 0.5% of the employee's portion of PERS. Effective the first full pay period in July 2008, all Executive, Mid-Management, and Supervisory/Administrative employees shall pay an additional 1.5% of the employee's portion of PERS, for a total of 2.00%. Effective the first full pay period in July 2009 and continuing thereafter, all Executive, Mid-Management, and Supervisory/Administrative employees shall pay an additional 2.00% of the employee's portion of PERS, for a total of 4.00%.**
  - b. **Effective the first full pay period in July 2008, all Confidential and Technical employees shall pay 1.00% of the employee's portion of PERS. Effective the first full pay period in July 2009 and continuing thereafter, all Confidential and Technical employees shall pay 3.00% of the employee's portion of PERS.**

I. MEDICAL/DENTAL/LIFE INSURANCE

The City shall provide every eligible employee (defined as an employee receiving benefits) with the option of selecting medical and/or dental and/or vision insurance for the employee only or for the employee and all eligible family members. If eligible family members are enrolled, they must be enrolled in the same coverage as elected by the employee.

1. The City agrees to contribute a sum not to exceed \$545 per month toward City group insurance benefits for the employee and eligible family members **through December 2007**. Each eligible employee may elect to use this contribution toward health coverage by enrolling in the City's group insurance plans. If the employee and his/her spouse are both eligible for coverage as City employees and enroll in the same plans under family coverage, the monthly City contribution may be combined to offset the costs of the premiums. Under no circumstances shall the City be required to pay any of the unused City contribution to the employee in cash.

If it is impractical to provide the employee with a copy of such materials or documents, the employee and/or his/her representative shall be allowed reasonable time to review such materials or documents and the

  - d. In rendering a recommendation to the City Manager, the advisory arbitrator shall be limited to the express terms of the Compensation Plan and shall not modify, amend, or delete any terms or provisions of this Compensation Plan. Failure of either party to insist upon compliance with any provision of this Compensation Plan at any given time or times under any given set or sets of circumstances shall not operate to waive or modify such provision, or in any manner whatsoever to render

it unenforceable, as to any other time or times as to any other occurrence or occurrences, whether the circumstances are, or are not, the same.

5. Step 5 - City Council Review: The City Council may, if it deems appropriate, review any recommendation rendered by an advisory arbitrator on the basis of a review of the materials prepared by the arbitrator and/or record of the hearing conducted in Step 4, above. Any such City Council review must be concluded within 30 working days of the City's receipt of the advisory arbitrator's recommendation, and any City Council action as a result of that review shall be final and binding upon the parties. All other expenses and costs incurred by the parties during arbitration shall be the responsibility of the individual party incurring same.
