II COMPOSITION/ROLE

The Commission is composed of seven members: Dennis Martinek, Chairman; Richard Parker, Vice Chair; and Commissioners Randy Horton, Robert Neal, Louise Balma, Stan Bertheaud and Claudia Troisi. As stated in City Council Policy No. 300-020, adopted on May 21, 1997, the members of the Planning Commission have the knowledge and experience as citizens of Oceanside to represent the community as a whole in their decisions and recommendations. The Council Policy also includes standards of ethical conduct for the Planning Commission. These standards require the advancement of the public interest; the importance of independence in judgment; openness; and fairness.

III STRUCTURE

The Planning Commission serves under provisions of local ordinance and state law. Its secretary is the City Planner, and principal staff support is provided by the Community Development Department/Planning Division.

From time to time various adhoc committees are appointed by the Chair to work on specific issues. In addition, two Commission members serve on the Redevelopment Design Review Committee (RDRC). The Chairman of the Commission also serves as the Planning Commission representative on the Oceanside Mobilehome Park Financing Authority.

IV GENERAL GOALS AND TASKS

The Planning Commission's primary goal is to consider land use requests and study land use issues in light of the City of Oceanside's General Plan and its elements. The Commission is responsible for land use decisions and recommendations under the auspices of Federal, State, regional and local laws, ordinances and City policies.

The Planning Commission works to improve the quality of life for members of the Oceanside community and makes recommendations and decisions that contribute to the vision that will shape and define the City in the future.

The Commission works strongly and consistently for the enhancement of public participation and knowledge of the planning process.
