

STAFF REPORT

ITEM NO. **18**

CITY OF OCEANSIDE

DATE: September 20, 2006

TO: Honorable Mayor and Members of the City Council

FROM: Community Development Department/Planning Division

SUBJECT: **ADOPTION OF A RESOLUTION APPROVING GENERAL PLAN AMENDMENT (GPA-7-05) AND SPECIFIC PLAN AMENDMENT (S-1-84) TO CHANGE THE LAND USE DESIGNATION ON A 28.2-ACRE SITE LOCATED IN THE RANCHO DEL ORO MASTER PLAN AREA, WEST OF COLLEGE BOULEVARD AND NORTH OF OLD GROVE ROAD**

SYNOPSIS

Staff recommends that the City Council adopt a resolution approving the General Plan Amendment to change the land use designation from office/professional to residential on a 28.2-acre site located in the Rancho Del Oro Master Plan area, west of College Boulevard and north of Old Grove Road.

BACKGROUND

The site is located within the Rancho Del Oro Specific Plan area (S-1-84) and is currently subject to the RDO Industrial Master Plan Development Plan criteria. The site is a vacant parcel located directly west of the College Boulevard and Old Grove Road intersection and is zoned Rancho Del Oro Planned Development (PD-1) within the Ivey Ranch/Rancho Del Oro Neighborhood. This General Plan Amendment and the Specific Plan Amendment will amend the land use designation of the entire 28.2-acre site from 'office/professional' to 'residential' (10.5 – 12 units per acre) and would allow the site to develop up to a maximum of 339 residential units.

On June 12, 2006, the Planning Commission held a public hearing regarding the proposed amendment. The Commission recommended denial of the General Plan Amendment by a 7-0 vote.

On August 9, 2006, the City Council held a public hearing regarding the proposed amendment and at the hearing, members of the public expressed concerns regarding traffic and overcrowded school. After the staff presentation, applicant presentation, public input and question-and-answer session by the Council, the Council approved by a 3-to-2 vote the amendment to change the land use designation.

ANALYSIS

The City Council determined that the retention of the office/professional land use designation is not critical at this location and that a residential designation allowing up to 339 homes in this part of the Rancho Del Oro Specific Plan area is more appropriate.

The applicant made an offer of approximately 1.6 gross acres of land within the Pacific Coast Business Park for a future fire station or other use deemed appropriate by the City. The resolution approving this land use change shall not become effective until such dedication is made to the City.

CITY ATTORNEY'S ANALYSIS

The referenced documents have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff recommends that the City Council adopt the resolution approving General Plan Amendment (GPA-7-05) and Specific Plan Amendment (S-1-84) to change the land use designation from office/professional to residential on a 28.2-acre site located in the Rancho Del Oro Master Plan area, west of College Boulevard and north of Old Grove Road and adopting the Mitigated Negative Declaration related to the project.
