

DATE: September 27, 2010
TO: Chairperson and Members of the Planning Commission
FROM: Development Services Department/Planning Division
SUBJECT: **CONSIDERATION OF A REGULAR COASTAL PERMIT (RC-2-06) TO ALLOW REPLACEMENT OF THE EXISTING WOOD TRIM SIDING TO A STUCCO FINISH AND TO ALLOW AN EXISTING OPEN FRONT BALCONY TO BE ENCLOSED AT AN EXISTING RESIDENCE LOCATED AT 1639 SOUTH PACIFIC STREET – MACDONALD RESIDENCE – APPLICANT: JOHN MACDONALD**

RECOMMENDATION

Staff recommends that the Planning Commission by motion:

- (1) Confirm issuance of a Class 3, Categorical Exemption per Section 15303 “New construction or of small structures” of the California Environmental Quality Act; and
- (2) Approve Regular Coastal Permit (RC-2-06) by adopting Planning Commission Resolution No. 2010-P32 with findings and conditions of approval attached herein.

PROJECT DESCRIPTION AND BACKGROUND

Background: The project site is situated within the South Oceanside Neighborhood, west of South Pacific Street and exists with an attached 3,981-square foot single-family residence with an attached two-car garage constructed in 1990.

Site Review: The site is zoned RT (Residential Tourist) and has a land use designation of Urban High Density Residential (UHD-R). The underlying neighborhood district is South Oceanside and surrounding land uses include: Urban High Density Residential homes (RH-U) to the East, Residential Single-Family Tourist (RT) homes to the south and north, and the Pacific Ocean to the west.

The site is relatively flat at the street level and slopes down at the southwestern portion of the property towards the Pacific Ocean. The subject residence is located on a 7,191-square foot lot that shares a common wall at the property line with the adjoining neighboring home located to the north. The property is located at 1639 South Pacific Street and is surrounded by similar type of single-family developments.

Project Description: The project application is comprised of the following required entitlement:

Regular Coastal Permit (RC-2-06) represents a request for the following:

The project involves enclosing an existing 82-square foot second floor balcony to enable additional den space and removal of the existing wood trim siding to be replaced with smooth trough stucco wall finish. The balcony conversion to living space would be designed with materials and colors consistent with those of the existing residence. The replacement of the cedar shake tile roof with a newer and more weather resistance cedar roofing material and the replacement of the windows would be the additional work performed as a part of this Regular Coastal permit.

The project is subject to the following Ordinances and City policies:

1. General Plan Land Use Element
2. Zoning Ordinance
3. Local Coastal Program
4. California Environmental Quality Act (CEQA)

ANALYSIS

KEY PLANNING ISSUES

1. General Plan

The General Plan Land Use Map designation on the subject property is Urban High Density Residential (UHD-R). The proposed project is consistent with this designation and the goals and objectives of the City's General Plan as follows:

A. Land Use Element

Goal 1.23: Architecture

Objective: The architectural quality of all proposed projects shall enhance neighborhood and community values and City image.

Policy A: Architectural form, treatments, and materials shall serve to significantly improve on the visual image of the surrounding neighborhood.

The proposed improvements to the existing residence at 1639 South Pacific Street have been analyzed for architectural consistency with the existing residence and surrounding neighborhood. All architectural features proposed will be consistent with the overall design of the existing home. Staff has surveyed the neighboring properties, and found that many of the surrounding homes along the coast share similar east facing elevations and stucco wall finishes. The applicant has stated that the stucco wall finish is necessary to help prevent weathering from the coastal air and salt.

Goal 1.32: Coastal Zone

Objective: To provide for the conservation of the City's coastal resources and fulfill the requirements of the California Coastal Act of 1976.

Policy A: The City shall utilize the certified Local Coastal Plan (LCP) and supporting documentation for review of all proposed projects within the Coastal Zone. Specifically, the goals and policies of the Local Coastal Program Land Use Plan shall be the guiding policy review document.

The proposed project was reviewed by staff for compliance with the policies of the Local Coastal Program Land Use Plan. Staff finds that the application complies with said policies in the Local Coastal program, such as compliance development regulations and compatibility with the character of the surrounding areas, pursuant to Section 30251 of the Local Coastal Program.

2. Zoning Compliance

This project is located in the Residential Tourist District (RT) and complies with the requirements of that zone. All improvements will be in compliance with the Zoning Ordinance.

3. Local Coastal Program compliance

The proposed project is within the appeal jurisdiction of the Local Coastal Program and complies with all provisions of this zone. Projects within the Coastal Zone are required to meet the provisions of the adopted Local Coastal Program and the underlying RT zone. The proposed project meets all land use compatibility criteria in the LCP.

DISCUSSION

Issue: Project Compatibility with the Existing Neighborhood and surrounding properties: All improvements to the property will be consistent with, and compatible to, the existing residence and the adjoining homes in the surrounding homes.

Recommendation: Staff finds that the improvements to the property are consistent with the existing residence and would be consistent with the surrounding neighborhood, in terms of building design and materials. The existing second story deck fronting South Pacific Street would be converted to living space, and would incorporate a design that is compatible with the adjacent residential properties. The change from wood trim siding to stucco will be compatible with other homes in the neighborhood.

ENVIRONMENTAL DETERMINATION

The proposed project has been reviewed pursuant to the California Environmental Quality Act (CEQA) and the project is exempt under the provisions of the California Environmental Quality Act (CEQA) Class 3 15303 (e), Categorical Exemption "Accessory Structures"

PUBLIC NOTIFICATION

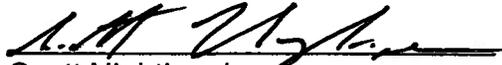

Legal notice was published in the North County Times and notices were sent to property owners of record within a 300-foot radius and occupants within a 100-foot radius of the subject property, individuals and or organizations requesting notification, the applicant, and other interested parties. As of September 24, 2010, no communication supporting or opposing the request had been received.

SUMMARY

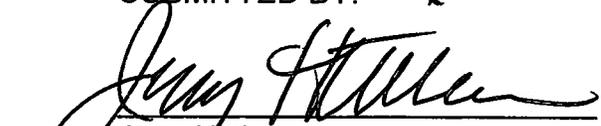

Regular Coastal Permit (RC-2-06) is consistent with the requirements of the Zoning Ordinance, the land use policies of the General Plan, and the policies of the Local Coastal Program. The project's architecture is compatible with the surrounding neighborhood and the existing residence. As such, staff recommends that the Planning Commission approve the project based on the findings and subject to the conditions contained in the attached resolution. Staff recommends that the Planning Commission:

- Confirm issuance of Class 3, Categorical Exemption for Accessory Structures of the California Environmental Quality Act.
- Move to approve Regular Coastal Permit RC-2-06 and adopt Planning Commission Resolution No. 2010-P32 as attached.

1 PLANNING COMMISSION
2 RESOLUTION NO. 2010-P32

3 A RESOLUTION OF THE PLANNING COMMISSION OF THE
4 CITY OF OCEANSIDE, CALIFORNIA APPROVING A
5 REGULAR COASTAL PERMIT ON CERTAIN REAL
PROPERTY IN THE CITY OF OCEANSIDE

6 APPLICATION NO: RC-2-06
7 APPLICANT: John MacDonald
8 LOCATION: 1639 South Pacific Street

9 THE PLANNING COMMISSION OF THE CITY OF OCEANSIDE, CALIFORNIA DOES
10 RESOLVE AS FOLLOWS:

11 WHEREAS, there was filed with this Commission a verified petition on the forms
12 prescribed by the Commission requesting a Regular Coastal Permit (RC-2-06) under the provisions
of Article 32 of the Zoning Ordinance of the City of Oceanside to permit the following:

13 the conversion of an existing open second story balcony to living space by enclosing the
14 balcony and the removal of the wood siding to allow a stucco wall finish;
15 on certain real property described in the project description.

16 WHEREAS, the Planning Commission, after giving the required notice, did on the 27th day
17 of September, 2010 conduct a duly advertised public hearing as prescribed by law to consider said
18 application.

19 WHEREAS, pursuant to the California Environmental Quality Act of 1970, and State
20 Guidelines thereto; this project has been found to be exempt per Article 19, Section 15303 (b) from
21 environmental review;

22 WHEREAS, there is hereby imposed on the subject development project certain fees,
23 dedications, reservations and other exactions pursuant to state law and city ordinance;

24 WHEREAS, pursuant to Gov't Code §66020(d)(1), NOTICE IS HEREBY GIVEN that the
25 project is subject to certain fees, dedications, reservations and other exactions as provided below:

26 /////

27 /////

23					
24					
25	San Diego County Water Authority Capacity Fees	SDCWA 2005-03	Ordinance	No.	Based on meter size. Residential is typically \$4,326 per unit; Non-residential is \$22,495 for a 2" meter.
26					
27					
28					
29					

1 WHEREAS, the current fees referenced above are merely fee amount estimates of the
2 impact fees that would be required if due and payable under currently applicable ordinances and
3 resolutions, presume the accuracy of relevant project information provided by the applicant, and
4 are not necessarily the fee amount that will be owing when such fee becomes due and payable;

5 WHEREAS, unless otherwise provided by this resolution, all impact fees shall be
6 calculated and collected at the time and in the manner provided in Chapter 32B of the Oceanside
7 City Code and the City expressly reserves the right to amend the fees and fee calculations
8 consistent with applicable law;

9 WHEREAS, the City expressly reserves the right to establish, modify or adjust any fee,
10 dedication, reservation or other exaction to the extent permitted and as authorized by law;

11 WHEREAS, pursuant to Gov't Code §66020(d)(1), NOTICE IS FURTHER GIVEN that
12 the 90-day period to protest the imposition of any fee, dedication, reservation, or other exaction
13 described in this resolution begins on the effective date of this resolution and any such protest must
14 be in a manner that complies with Section 66020;

15 WHEREAS, pursuant to Oceanside Zoning Ordinance §4603, this resolution becomes
16 effective 10 days from its adoption in the absence of the filing of an appeal or call for review;

17 WHEREAS, studies and investigations made by this Commission and in its behalf reveal
18 the following facts:

19 FINDINGS:

20 For the Regular Coastal Permit:

- 21 1. The proposed replacement of the wood siding to a stucco wall finish and the to allow an
22 existing single-family residence's open front balcony to be enclosed at 1639 South
23 Pacific Street is consistent with the land use policies of the Local Coastal Program as
24 implemented through the Zoning Ordinance. Specifically, the project will not
25 substantially alter or impact existing public views of the coastal zone area and the
26 physical aspects of the project are consistent with existing development on neighboring
27 sites.
- 28 2. The proposed improvements will not obstruct any existing, planned, or required public
29 beach access; therefore, the project is in conformance with the policies of Chapter 3 of
the Coastal Act.

1 3. The project will not result in the loss of any on street public parking spaces, as the 82-
2 square foot open patio conversion to living space would be within the existing foot print
3 of the existing home and it will not trigger additional parking or take away from the
4 existing parking fronting the project site.

5 NOW, THEREFORE, BE IT RESOLVED that the Planning Commission does hereby
6 approve Regular Coastal Permit (RC-2-06) subject to the following conditions:

7 **Building:**

8 1. Applicable Building Codes and Ordinances shall be based on the date of submittal for
9 Building Division plan check. (As of January 1, 2008 the 2007 California Building
10 Code, and 2007 California Electrical Code)

11 2. The granting of approval under this action shall in no way relieve the
12 applicant/project from compliance with all State and Local building codes.

13 3. Compliance with the Federal Clean Water Act (BMP's) must be demonstrated on the
14 plans.

15 4. The developer shall monitor, supervise and control all building construction and
16 supporting activities so as to prevent these activities from causing a public nuisance,
17 including, but not limited to, strict adherence to the following:

18 a) Building construction work hours shall be limited to between 7:00 a.m. and
19 6:00 p.m. Monday through Friday, and on Saturday from 7:00 a.m. to 6:00
20 p.m. for work that is not inherently noise-producing. Examples of work not
21 permitted on Saturday are concrete and grout pours, roof nailing and activities
22 of similar noise-producing nature. No work shall be permitted on Sundays and
23 Federal Holidays (New Year's Day, Memorial Day, July 4th, Labor Day,
24 Thanksgiving Day, Christmas Day) except as allowed for emergency work
25 under the provisions of the Oceanside City Code Chapter 38 (Noise
26 Ordinance).

27 b) The construction site shall be kept reasonably free of construction debris as
28 specified in Section 13.17 of the Oceanside City Code. Storage of debris in
29 approved solid waste containers shall be considered compliance with this
requirement. Small amounts of construction debris may be stored on-site in a
neat, safe manner for short periods of time pending disposal.

1 5. For all new construction, setbacks and Type of Construction must comply with the
2 2007 California Building Code. New Exterior openings less than five feet from the
3 property line must be protected per table 704.8 of the CBC. New Exterior walls less
4 than five feet to the property line must be one hour rated per Table 602 of the CBC.

5 **Fire:**

6 6. Fire Department requirements shall be placed on plans in the notes section.

7 **Planning:**

8 7. This Regular Coastal Permit shall expire on September 27, 2013, unless implemented per
9 the Zoning Ordinance or unless the Planning Commission grants a time extension

10 8. This Regular Coastal Permit approves the conversion of an existing open second story
11 balcony to living space by enclosing the balcony and the removal of the wood siding to
12 allow a stucco wall finish, as presented to the Planning Commission for review and
13 approval. No deviation from these approved plans and exhibits shall occur without
14 Planning Division approval. Substantial deviations shall require a revision to the Regular
15 Coastal Permit or a new Regular Coastal Permit.

16 9. The applicant, permittee or any successor-in-interest shall defend, indemnify and hold
17 harmless the City of Oceanside, its agents, officers or employees from any claim, action or
18 proceeding against the City, its agents, officers, or employees to attack, set aside, void or
19 annul an approval of the City, concerning Regular Coastal Permit (RC-2-06). The City
20 will promptly notify the applicant of any such claim, action or proceeding against the
21 City and will cooperate fully in the defense. If the City fails to promptly notify the
22 applicant of any such claim action or proceeding or fails to cooperate fully in the
23 defense, the applicant shall not, thereafter, be responsible to defend, indemnify or hold
24 harmless the City.

25 10. Prior to the issuance of building permits, compliance with the applicable provisions of the
26 City's anti-graffiti (Ordinance No. 93-19/Section 20.25 of the City Code) shall be reviewed
27 and approved by the Planning Division. These requirements, including the obligation to
28 remove or cover with matching paint all graffiti within 24 hours, shall be noted on the
29 Architectural Site Plan and shall be recorded in the form of a covenant affecting the subject
property. A covenant or other recordable document approved by the City Attorney shall
be prepared by the applicant and recorded prior to the issuance of building permits. The

1 covenant shall provide that the property is subject to this resolution, and shall generally
2 list the conditions of approval.

3 11. Prior to the transfer of ownership and/or operation of the site the owner shall provide a
4 written copy of the applications, staff report and resolutions for the project to the new
5 owner and or operator. This notification's provision shall run with the life of the project
6 and shall be recorded as a covenant on the property.

7 12. Failure to meet any conditions of approval for this development shall constitute a violation
8 of the Regular Coastal Permit.

9 13. Unless expressly waived, all current zoning standards and City ordinances and policies
10 in effect at the time building permits are issued are required to be met by this project.
11 The approval of this project constitutes the applicant's agreement with all statements in
12 the Description and Justification and other materials and information submitted with this
13 application, unless specifically waived by an adopted condition of approval.

14 14. Elevations, siding materials, colors, roofing materials and floor plans shall be
15 substantially the same as those approved by the Planning Commission. These shall be
16 shown on plans submitted to the Building Division and Planning Division.

17 15. The balcony conversion to living space shall be substantially the same material, colors,
18 and design as the existing single-family residence.

Project: McDonald Residence
1639 South Pacific Street
Ocean Side CA

Description of work:

- A) Remove all T&G wood siding and replace with stucco
- B) Remove all existing exterior doors and windows and replace In-Kind
- C) Build out existing back patio to enlarge bed room
- D) Re roof building in-kind

Justification:

The McDonald home has multiple leaks do the pour condition of the exterior siding, doors and windows.

The build out of the upper bed room was once approved however the McDonalds never had the work done. They would like to reapply for the build out so as to have all the work done at the same time.

Planning Department

NOTICE OF EXEMPTION
City of Oceanside, California

Post Date:
Removal:
(180 days)

- 1. **APPLICANT:** John MacDonald
- 2. **ADDRESS:** 1639 S. Pacific Street
- 3. **PHONE NUMBER:** (818) 846-7941
- 4. **LEAD AGENCY:** City of Oceanside
- 5. **PROJECT MGR.:** Scott Nightingale
- 6. **PROJECT TITLE:** RC-2-06 (MacDonald Residence)
- 7. **DESCRIPTION:** The project involves enclosing an existing 82-square foot second floor balcony to enable additional den space and removal of the existing wood trim siding to be replaced with smooth trough stucco wall finish. The balcony conversion to living space would be designed with materials and colors consistent with those of the existing residence. The replacement of the cedar shake tile roof with a newer and more weather resistance cedar roofing material and the replacement of the windows would be the additional work performed as a part of this Regular Coastal permit.

ADMINISTRATIVE DETERMINATION: Planning Division staff has completed a preliminary review of this project in accordance with the City of Oceanside's Environmental Review Guidelines and the California Environmental Quality Act (CEQA), 1970. Based on this review, the Environmental Coordinator has determined that further environmental evaluation is not required because:

- The project is categorically exempt, Class 3, for New Construction, Section 15303 (b); or,
- "The activity is covered by the general rule that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Where it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment, the activity is not subject to CEQA" (Section 15061(b)(3)); or,
- The project is statutorily exempt, Section , <name> (Sections 15260-15277); or,
- The project does not constitute a "project" as defined by CEQA (Section 15378).

Scott Nightingale, Planner II
