Sections:

- 1810 Specific Purposes
- 1820 Governing Regulations
- 1830 Reclassification

1810 Specific Purposes

The purpose of the MR-P Military Reservation and Public District is to identify on the zoning map those properties within the city under exclusive federal or state ownership and/or jurisdiction that are used or authorized for military, public utility, open space, public recreation and related uses.

1820 Governing Regulations

Lands and facilities within the MR-P Military Reservation and Public District shall be governed by the provisions of federal and state laws related to land-use controls and procedures.

1830 Reclassification

Conversion of any public or quasi-public use established in the MR-P Military Reservation and Public District to private use shall require a zoning map amendment pursuant to Article 45 of the Zoning Ordinance.
