

# STAFF REPORT

ITEM NO. 14  
CITY OF OCEANSIDE

---

DATE: March 21, 2007

TO: Chairman and Members of the Community Development Commission

FROM: Neighborhood Services Department

**SUBJECT: PUBLIC HEARING REGARDING THE PUBLIC HOUSING AGENCY (PHA) PLAN**

## **SYNOPSIS**

Staff recommends that the Community Development Commission (CDC) adopt a resolution approving the 2007-2008 Annual Public Housing Agency (PHA) Plan and authorize the CDC Chairman to submit the plan to the Department of Housing and Urban Development (HUD) with the inclusion of changes made to the PHA Plan as a result of public comments, and execute all related documents.

## **BACKGROUND**

The CDC currently administers the Section 8 Housing Choice Voucher Program. HUD established a requirement for PHAs to submit PHA plans beginning in 2000. The CDC submitted its second five-year plan for 2005-2009 in April 2005. The 2007-08 plan is the third annual plan of the cycle. The five-year plan outlines the agency's mission and goals. Housing authorities that operate Section 8 Housing Choice Voucher (HCV) Programs are permitted to submit Streamlined Plans. Limited information is required to be submitted to HUD; other information must be available for public review. The statements of financial resources and housing needs are included as attachments.

## **ANALYSIS**

Federal regulations require that a Resident Advisory Board (RAB) participate in the planning process and assist and make recommendations regarding the PHA Plan. Six voucher participants served on the RAB. The RAB met on January 31, February 7, and February 21, 2007. PHAs are required to consider the RAB's recommendations to the Plan but are not required to agree with them. The RAB's recommendations and the PHA's response are attached.

PHAs are required to conduct a Public Hearing after a forty-five-day comment period that ended on March 14, 2007. HUD regulations require approval of the Plan by the CDC. The draft Plan has been made available for review at the Neighborhood Services Department offices and on the City's Web site. Public comment has been requested through an advertisement in the North County Times. The City is required to consider written comments, as well as those comments made at the Public Hearing.

Staff is recommending one change to the plan under the Rent Determination Policies Component. Payment standards have been established above 100 percent but at or below 110 percent of the Fair Market Rent (FMR) for studio, one- and two-bedroom vouchers. Payment standards have been established at 100% of the FMR for three-, four- and five-bedroom vouchers. HUD increased the FMRs for San Diego County effective October 1, 2006. The payment standards for studio, one- and two- bedroom vouchers have been set higher than the FMR to ensure success of voucher holders in locating housing, keep pace with the Oceanside rental market and increase housing options for families.

**FISCAL IMPACT**

No fiscal impact.

**COMMISSION OR COMMITTEE REPORT**

At its February 28, 2007 meeting, the Housing Commission unanimously recommended that the CDC adopt a resolution approving submission of the 2007-2008 Annual Public Housing Agency Plan to HUD.

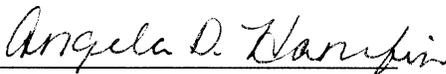

**CITY ATTORNEY'S ANALYSIS**

The referenced documents have been reviewed by the City Attorney and approved as to form.

**RECOMMENDATION:**

Staff recommends that the CDC adopt a resolution approving the 2007-2008 Annual Public Housing Agency Plan and authorize the CDC Chairman to submit the plans to HUD with the inclusion of changes made to the PHA Plan as a result of public comments, and execute all related documents.

## **9. Additional Information**

[24 CFR Part 903.12 (b), 903.7 (r)]

### **A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan**

*(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2004)*

#### **PHA Goal: Expand the supply of assisted housing:**

The Oceanside Housing Authority has applied for new vouchers whenever possible when funding was available. The OHA was awarded 182 vouchers in August 2000. Few vouchers were available nationwide from 2000-05. The voucher utilization rate was 97% and the budget utilization rate was 99% for the fiscal year ending June 30, 2004. The waiting list for the Section 8 Rental Assistance Program is four to five years.

#### **PHA Goal: Improve the quality of assisted housing:**

HUD has recognized the Oceanside Housing Authority as a high performer under the Section Eight Management Assessment Program (SEMAP) for Fiscal Years 01-02, 02-03 and 03-04. A customer satisfaction survey was sent to all participants in December 2001. Educational workshops have been conducted for applicants and participants in city facilities in collaboration with a non-profit social services agency. Applicant workshops were conducted in August 2001, May 2002 and November 2002. Participant workshops were held in May and June 2003; topics included budgeting, credit, tenant-landlord relations, fair housing laws and how to be a good neighbor. The OHA published an annual newsletter for voucher participants, which provided updates regarding staffing, services and tenant/landlord law information. In 2004, no workshops were conducted and the tenant information distributed only discussed funding cuts that would impact participants. During 2004, staff concentrated on performing the basic requirements of the program, due to increased workload for existing staff. A Housing Specialist position was left vacant for approximately 18 months in 2003-04, due to uncertainties in ongoing administrative funding for the Section 8 program.

#### **PHA Goal: Increase assisted housing choices:**

The Oceanside Housing Authority continues to provide voucher mobility counseling at all

briefings and move appointments. The Housing Authority participated, in collaboration with the other housing authorities in San Diego County, in the Community Opportunities (CO) Program for the five years ending June 30, 2002, when the HUD funding for the program ended. The CO Program was a mobility program designed to encourage Section 8 families to move to areas of greater opportunity.

The Housing Authority conducted informational meetings for landlords on November 1, 2000 and October 3, 2001 in collaboration with other housing authorities in San Diego County. Another informational meeting (co-hosted by the City of Carlsbad) to attract new landlords was held in the City of Oceanside Council Chambers on June 21, 2002. An informational meeting to attract new rental owners was conducted in Oceanside on April 14, 2003. On September 16, 2003, the Housing Authority collaborated with the five other housing authorities and HUD to sponsor a "Promoting Section 8 Housing Vouchers" seminar. The Housing Authority held its first Rental Owner Appreciation Seminar on February 26, 2002, to thank owners and encourage their continued participation in the program. The second Appreciation Seminar was held on June 10, 2003. An owner newsletter was established and distributed in January 2003. The Housing Authority had intended to have a third Owner Appreciation Seminar in 2004. The Seminar was indefinitely postponed due to uncertainties about ongoing Section 8 funding. It is the goal of the Housing Authority to begin publishing annual owner newsletters.

The new landlord owner workshop has not been held the past fiscal year; the vacancy rate has increased to a point where marketing is not as critical. In addition, increased workload caused by a staff vacancy made the decision to postpone some landlord outreach activities necessary.

The payment standards were increased on February 1, 2004 to 110% of the HUD Fair Market Rents to increase housing choices to Section 8 participants. At the end of April 2004, HUD notified housing authorities of decreases in funding retroactive to January 1, 2004. Payment standards were reduced to 100% of the HUD Fair Market Rent effective July 1, 2004 and have not been increased since that date. While participants may have fewer housing choices, there are a sufficient number of rental units available in Oceanside that are available to participants. At this time, participants are able to easily find rental units. HUD decreased housing assistance payments across the board by 4% for calendar year 2005. Therefore, staff will be carefully monitoring expenditures and thoroughly analyze any increases in payment standards.

The Housing Authority established a program that was approved by the City Council in January 2003 to assist participants to use its tenant-based program to become homeowners. Homeownership continues to be a high priority for HUD. In late 2004, the OHA entered into a participation agreement with a lender to provide loans under the Section 8 Homeownership Program. The HA has also developed partnerships to provide homeownership education to Section 8 participants with non-profits Acorn Housing, Community Housing Works and Faith Based Community Development Corporation. The City of Oceanside has set aside two downpayment assistance loans for up to \$181,000 each to be used by Section 8 Homeownership participants.

Due to uncertainties in the Section 8 program, the Housing Authority did not request approval

from the Community Development Commission to operate a demonstration security deposit guarantee program.

**PHA Goal: Promote self-sufficiency and asset development of assisted households:**

The Oceanside Housing Authority continues to operate a Family Self-Sufficiency (FSS) Program to promote self-sufficiency and asset development. FSS participants work with FSS Coordinators to develop individualized self-sufficiency plans. The OHA co-sponsored a "Possible Dream" self-sufficiency seminar with the County of San Diego, Health and Human Services Agency and Lifeline on April 17, 2004 at Mira Costa College. In addition, Housing Authority staff communicates on a regular basis with agencies that assist persons with disabilities to assist mutual clients and to obtain information about supportive services available for persons with disabilities.

**PHA Goal: Ensure Equal Opportunity in Housing for all Americans:**

The Housing Authority continues to provide information about equal opportunity and fair housing at all Section 8 Program briefings, and upon request from participants and the public. A Housing Authority employee is designated as the Fair Housing representative and provides training and information as needed. The Housing Authority contracts with the Fair Housing Council of San Diego to provide fair housing services. The Fair Housing Council will be conducting fair housing workshops in Oceanside; all voucher participants will be made aware of the workshops. The Housing Authority provides information regarding reasonable accommodation to participants and applicants, and offers reasonable accommodation for persons with disabilities when appropriate. The Housing Authority has published a packet for persons with disabilities, including information on agencies that assist persons with disabilities, accessible units, and financial resources for making alterations to units.

**B. Criteria for Substantial Deviations and Significant Amendments**

**(1) Amendment and Deviation Definitions**

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

a. Substantial Deviation from the 5-Year Plan

Any change that will substantially negatively impact a majority of Section 8 participants or waiting list applicants, unless that change is necessary because of funding constraints or regulatory changes.

b. Significant Amendment or Modification to the Annual Plan

Any change that will substantially negatively impact a majority of Section 8 participants or waiting list applicants, unless that change is necessary because of funding constraints or regulatory changes.

**C. Other Information**

[24 CFR Part 903.13, 903.15]

**(1) Resident Advisory Board Recommendations**

a.  Yes  No: Did the PHA receive any comments on the PHA Plan from the Resident Advisory Board/s?

If yes, provide the comments below:

They suggested additional printed material, as well as that more verbal information be provided by the Housing staff.
2. Members of the Resident Advisory Board stated that the Housing Authority should provide more detailed information on how participant's rents are calculated.
3. A RAB member suggested that the \$40,000 used for Fair Housing be used for the homeless.

b. In what manner did the PHA address those comments? (select all that apply)

Considered comments, but determined that no changes to the PHA Plan were necessary.

The PHA changed portions of the PHA Plan in response to comments  
List changes below:

2. The Oceanside Housing Authority shall publish participant and owner handbooks to provide detailed program information by December 31, 2005.
3. The Oceanside Housing shall develop a method to provide more detailed information about how the tenant portion of the rent is calculated by June 30, 2006.

RESIDENT ADVISORY BOARD MEMBERSHIP AND RECOMMENDATIONS**

**Board Members**

**Recommendations**

1. Several board members stated that a participant newsletter should be published, and should include topics such as who to call, subsidy standards, how to report fraud and the Family Self-Sufficiency Program. The Five-Year Plan established the following goal.

The Oceanside Housing Authority shall publish an annual newsletter for Section 8 tenants, which will provide updates regarding staffing and program changes, community resources and new tenant/landlord law information.

Response: Staff plans to publish a newsletter in Spring 2007.

2. Several board members suggested that the staff evaluate the feasibility of operating a security deposit assistance program.

Response: The operation of a security deposit assistance program has been researched previously. Funding for this type of program through Section 8 funds is limited. Due to funding cuts in the Section 8 program during the past four years, staff is hesitant to expend fund balance dollars for extra programs. However, staff will reevaluate this suggestion by December 31, 2007.

3. The Board discussed the publication of Tenant and Landlord Handbooks

Response: The participant handbook has been partially completed. The owner handbook is currently being written. Staff plans to complete the handbooks by June 30, 2007.

4. Several Board members suggested that the staff evaluate the use of volunteers to assist staff.

Response: Staff will evaluate how volunteers could be used and research the city's policies on the use of volunteers.
