

SUBJECT:
**Acceptance of Storm Drainage
Improvements**

POLICY NUMBER 400-01
ADOPTED 8-10-83
REVISED 11-28-01

It is the policy of the City Council not to accept any storm drainage facilities into the City maintenance system until an ongoing financing program is established.

It is the policy of the City Council to accept into the City maintenance system only fully improved storm drainage facilities within appropriate easements. The facilities and the easements must meet the City's minimum engineering standards.
