NEWS

Downtown Oceanside is poised to get a hotel near the Pier, adjacent to the S.D. Malkin Beach Resort project at Seagaze Dr. and Myers St., near the railroad tracks on Block 21. The proposed hotel is a 150-room, six-story SpringHill Suites Marriott that could be under construction as soon as this summer. GF Real Estate Group, a Colorado based company that bought the CityMark properties is moving forward with the hotel project. The hotel will also have a 4,500 sq. ft. restaurant. GF Real Estate Group plans to build apartments or condo units and retail in the future on the other four blocks that they own. SpringHill Suites Marriott is anticipating a fall 2013 opening.

An application has been submitted for a Holiday Inn at Hwy 76 and Foussat on a 1.57 acre parcel adjacent to the Fire Training Center. The proposed hotel is 51,345 sq. ft., four-stories, with 93 hotel rooms.

An application has been submitted for The Inns at Buena Vista Creek, a 434,200 sq. ft. project located at SEC of Jefferson St. and Hwy 78 adjacent to the Westfield Mall. The proposed project consists of three hotel buildings totaling 426 hotel rooms, including over 10,000 sq. ft. of meeting space, a outdoor pavilion and one 4-level parking structure.
