TO: Honorable Mayor and City Councilmembers  
FROM: Development Services Department  
SUBJECT: **RESOLUTION ESTABLISHING ALL-WAY STOP CONTROLS AT THE INTERSECTION OF OCEAN RANCH BOULEVARD AND CORPORATE CENTER DRIVE**

**SYNOPSIS**

Staff and the Planning Commission recommend that the City Council adopt a resolution establishing all-way stop controls at the intersection of Ocean Ranch Boulevard and Corporate Center Drive.

**BACKGROUND**

The City received a request from a resident to have all-way stop controls installed at the intersection of Ocean Ranch Boulevard and Corporate Center Drive.

**ANALYSIS**

Corporate Center Drive is classified as a collector street. There is an established stop control on Corporate Center Drive at Ocean Ranch Boulevard and there is a striped pedestrian crosswalk on the south and east leg of the intersection (see Exhibit A). The intersection of Ocean Ranch Boulevard and Corporate Center Drive is located within a business/industrial park area.

Ocean Ranch Boulevard is approximately 1.3 miles long with traffic signals installed on both ends of the road at Rancho del Oro Drive and Old Grove Road. Approximately 5250 vehicles per day enter the intersection, approximately 1890 vehicles on Corporate Center Drive and 3360 vehicles on Ocean Ranch Boulevard. The minimum vehicular count data met the warrant analyses for an all-way stop. From October 1, 2010, to September 30, 2011, there was one reported traffic collision at the intersection of Ocean Ranch Boulevard and Corporate Center Drive. The primary collision factor was running a stop sign.

Due to the minimum vehicular volume warrant being met, staff recommends the establishment of all-way stop controls at the intersection of Ocean Ranch Boulevard and Corporate Center Drive.

**FISCAL IMPACT**

The installation of the proposed all-way stop would cost \$600 with an increase in annual maintenance of two work hours.

**CITY ATTORNEY'S ANALYSIS**

The referenced documents have been reviewed by the City Attorney and approved as to form.

**COMMISSION OR COMMITTEE REPORT**

At their March 26, 2012, meeting, the Planning Commission approved the proposed all-way stop controls at the intersection of Ocean Ranch Boulevard and Corporate Center Drive.

**RECOMMENDATION**

Staff and the Planning Commission recommend that the City Council adopt a resolution establishing all-way stop controls at the intersection of Ocean Ranch Boulevard and Corporate Center Drive.
