TO: Honorable Mayor and City Councilmembers

FROM: Public Works Department

SUBJECT: **PROFESSIONAL SERVICES AGREEMENT FOR CITYWIDE STREET SWEEPING SERVICES AND PROPERTY USE AGREEMENT FOR CITY-OWNED PROPERTY AT 4927 OCEANSIDE BOULEVARD**

**SYNOPSIS**

Staff recommends that the City Council approve a five-year professional services agreement with Cannon Pacific of San Marcos in the average annual amount of \$719,042.80 for Citywide street sweeping services and as-needed emergency work as a result of accidents, storms, etc.; approve a one-year property use agreement for staging, fueling, parking, unloading and disposing of sweeping debris and washing street sweeping equipment on City-owned property at 4927 Oceanside Boulevard; and authorize the City Manager to execute the agreements.

**BACKGROUND**

In an effort to identify potential cost-savings and reduce the budget through privatization, staff solicited proposals from qualified private companies in February 2012 to perform Citywide street sweeping services. These services are currently performed by City staff which consists of four employees and includes daily street sweeping services throughout the City in residential and commercial areas, in City-owned parking lots, and along City right-of-way. Other duties include emergency response to accidents and storms and sweeping for special events.

Requests for proposals were sent to firms on the City's vendor list, as well as noticed in local newspapers and on the Internet. After receipt of the RFPs, staff compared in-house costs versus contractor costs to see if outsourcing was cost-effective and found it more cost-effective to contract out these services for first year savings of \$118,000.

The sole benefit of outsourcing this program is the cost-savings. Possible drawbacks associated with outsourcing are (1) reduction in the level of service to the community by not meeting citizen expectations, (2) reduction in emergency response time, and (3) the need to train current employees who exercise their retreat rights which will create efficiency issues throughout many programs in the Public Works Department.

The privatization of this service will not result in any savings to the General Fund as this program is supported by the Solid Waste Disposal Enterprise Fund, which is funded by ratepayers. However, there will be a reduction in City staff and a long-term reduction in pension costs which has been a stated City Council goal. Outsourcing of this program will eliminate 4 City employees.

**ANALYSIS**

City staff costs are provided below and include all labor at the fully burdened rate, materials, tools, equipment and incidentals used to perform these services. The internal service charges are fixed and will continue to be charged to this program which will provide no additional savings to the City.

| • Internal Service Charge - General Administration Allocation | \$ 30,227              |

Four qualified private companies submitted proposals. Each company's overall qualifications, project understanding and approach, prior service experience, availability of personnel and ability to provide the required services were considered critical. While cost was a very important consideration, it was not the only deciding factor. Exhibit A lists the four companies with their bid amounts. Staff ranked Cannon Pacific first overall even though it was originally the 3<sup>rd</sup> lowest bidder among three very close bids. After negotiating with Cannon Pacific, their bid is now the lowest and the best value for the City.

The professional services agreement is for a term of five years commencing July 1, 2012, and ending June 30, 2017, for the five-year base agreement price of \$3,595,214 which includes annual CPI increases. The City may renew the agreement with the same terms and conditions, except compensation, for three additional two-year terms. The yearly compensation would be adjusted to reflect the change in the semi-annual Consumer Price Index for "All Urban Consumers" for San Diego. There are no early termination clauses for the Contractor.

The property use agreement is for staging, fueling, parking, unloading and disposing of sweeping debris and washing street sweeping equipment on City-owned property at 4927 Oceanside Boulevard. The agreement is for a term of one year commencing July 1, 2012, and ending June 30, 2013, for the price of \$149,000. The City and Contractor may mutually agree to renew the agreement with the same terms and conditions on a yearly basis beginning July 1<sup>st</sup> of each year for the length of the agreement. This agreement will not provide revenue to the City and is only being passed to the Contractor to help identify costs for comparison purposes.

### **FISCAL IMPACT**

The five-year base agreement cost is \$3,595,214 which includes CPI increases. The individual year costs are \$677,175.00 for the first year, \$697,490.25 for the second year, \$718,414.95 for the third year, \$739,967.39 for the fourth year and \$762,166.41 for the fifth year. Nothing in the agreement obligates the City to appropriate funds for the agreement in the upcoming fiscal years. However, the City cannot contract with another provider for like services in a fiscal year in which funds for this agreement are not appropriated.

The Fiscal Year 2012/2013 agreement cost of \$677,175 is funded in the Street Sweeping Fund (Fund # 600624101.5305 – Professional Services) after a budget transfer from 600624101.5105 (Regular Employees). This amount could be significantly reduced due to additional budget cuts, and the contractor has agreed to unit prices for these services. Internal service charges which include general administration, building rent and debt service will continue to be charged to this fund as well.

### **INSURANCE REQUIREMENTS**

The City's standard insurance requirements will be provided. The Contractor shall also provide a performance bond for 100 percent of the agreement price and a payment bond (material and labor) for 100 percent of the agreement price.

### **COMMISSION OR COMMITTEE REPORT**

Does not apply.

### **CITY ATTORNEY ANALYSIS**

The referenced documents have been reviewed by the City Attorney and approved as to form.

**RECOMMENDATION**

Staff recommends that the City Council approve a five-year professional services agreement with Cannon Pacific of San Marcos in the average annual amount of \$719,042.80 for Citywide street sweeping services and as-needed emergency work as a result of accidents, storms, etc.; approve a one-year property use agreement for staging, fueling, parking, unloading and disposing of sweeping debris and washing street sweeping equipment on City-owned property at 4927 Oceanside Boulevard; and authorize the City Manager to execute the agreements.

forth in Exhibit E attached hereto and by reference made part of this Agreement. In addition, a fuel adjustment provision is set forth in Exhibit F attached hereto and by reference made part of this Agreement.

**4.02 CONTRACTOR** shall provide CITY monthly invoices based on one twelfth (1/12) of the annual cost. CITY will make payments within fifteen (15) days of the receipt of each approved monthly invoice.

**4.03 Compensation Adjustment Computation.** Any term renewal compensation under the Agreement, including Exhibit E, shall be computed in accordance with the following definitions and formulas:

#### Definitions:

**Compensation Adjustment Index.** The index used will be the semi-annual Consumer Price Index for "All Urban Consumers" for San Diego, California. If this index is no longer published, the index for adjustment will be the U.S. Department of Labor's "Comprehensive Official Index" most comparable to the aforesaid index.

If the Department of Labor indices are no longer published, another index generally recognized as authoritative will be substituted by agreement of CITY and CONTRACTOR. If the parties cannot agree within **60 days** after demand by either party, a substitute index will be selected by the Chief Officer of the Regional Office of the Bureau of Labor Statistics or its successor.

**Initial Compensation:** The initial compensation at the commencement of the Agreement shall be per §4.01 of this Agreement.

**Existing Compensation:** The existing compensation shall be the compensation in effect on the date the term extension is requested, pursuant to §3.02 of this Agreement.

**Percent change in the CPI:** The percent change in the CPI shall be the percent change in the San Diego All Consumer Index over the preceding **12 month** period from January 1 through December 31.

#### Compensation Adjustment Formulas:

**First Adjustment:** Initial compensation + (Initial compensation x the percent change in the CPI) = New compensation.

For example: \$122,000 + (\$122,000 x 2.5%) = \$125,050

**Subsequent Adjustments:** Existing compensation + (Initial compensation X the percent change in the CPI) = New compensation.

**CITY OF OCEANSIDE**

**CITYWIDE STREET SWEEPING SERVICES**

For example:  $\$125,050 + (\$122,000 \times 3\%) = \$128,710$

All future contract extensions will be based on the percent change in the CPI for the preceding 12 month period from January 1 through December 31 unless both parties mutually agree that another method of adjustment should be used for maximum benefit.

5. **AGREEMENT BONDS.** CONTRACTOR shall provide and cause to maintain throughout the term of this Agreement, two good and sufficient bonds in the amounts listed below:

(a) **Performance Bond** in a sum not less than one hundred percent (100%) of the total AGREEMENT price to guarantee faithful and timely performance of all work, in a manner satisfactory to the CITY, and further to guarantee that all materials and workmanship will be free from original or developed defects.

(b) **Payment Bond** that meets the requirements of California Civil Code section 3248, in a sum not less than one hundred percent (100%) of the total AGREEMENT price, to satisfy claims of material suppliers, mechanics and laborers employed by CONTRACTOR on the work that is the subject of this AGREEMENT.

6. **INSURANCE.**

6.01 **Liability Insurance.** CONTRACTOR shall, throughout the duration of this Agreement maintain comprehensive general liability and property damage insurance, or commercial general liability insurance, covering all operations of CONTRACTOR, its agents and employees, performed in connection with this Agreement including but not limited to premises and automobile.

**6.01.8** Maintenance of insurance by the CONTRACTOR as specified in this Agreement shall in no way be interpreted as relieving the CONTRACTOR of any responsibility whatsoever and the CONTRACTOR may carry, at its own expense, such additional insurance as it deems necessary.

### CITYWIDE STREET SWEEPING SERVICES

**6.02 Contractor's Indemnification of City.** To the greatest extent allowed by law, CONTRACTOR shall indemnify and hold harmless the CITY and its officers, agents and employees against all claims for damages to persons or property arising out of the negligent acts, errors or omissions or wrongful acts or conduct of the CONTRACTOR, or its employees, agents, subcontractors, or others in connection with the execution of the work covered by this Agreement, except for those claims arising from the willful misconduct, sole negligence or active negligence of the CITY, its officers, agents, or employees. CONTRACTOR'S indemnification shall include any and all costs, expenses, attorneys' fees, expert fees and liability assessed against or incurred by the CITY, its officers, agents, or employees in defending against such claims or lawsuits, whether the same proceed to judgment or not. changed condition which causes a decrease or increase in the CONTRACTOR's cost of, or the time required for, performance of any part of the work, a change order shall be issued in accordance with the procedures set forth in Section 12. If the Project Manager determines that the conditions set forth in the CONTRACTOR's notice do not entitle the CONTRACTOR to a change order, then the CONTRACTOR will be advised of the determination in writing.

**7.01.3** In the event that a dispute arises between the CITY and the CONTRACTOR as to whether there is a changed condition which entitles the CONTRACTOR to a change order, the CONTRACTOR shall not be excused from any scheduled completion date provided for by the AGREEMENT, but shall proceed with all work to be performed under the AGREEMENT in accordance with the Disputed Work provisions set forth in Section 13. Any claim or dispute by the CONTRACTOR shall be submitted to the Project Manager in accordance with Section 13. The CONTRACTOR shall retain any and all rights provided by law which pertain to the resolution of disputes and protests between the CITY and the CONTRACTOR.

#### **8. SITE SAFETY AND PROTECTION OF IMPROVEMENTS**

**8.01.1** The CONTRACTOR shall initiate, maintain, and supervise all safety precautions and programs in connection with the work which are necessary to prevent damage, or injury to, or loss of the following:

cost, and to the satisfaction of the Project Manager. Repairs and replacements shall be at least equal in quality to existing improvements, and shall match them in finish and dimension.

**8.01.4** The CONTRACTOR shall give reasonable notice to occupants or owners of adjacent property with improvements (including trees, plants, fences, irrigation, and other improvements) which may be adversely impacted by the CONTRACTOR's work. The CONTRACTOR shall repair or replace any damage, injury, or loss to private improvements on adjacent property at the CONTRACTOR's expense and to the satisfaction of the property owner and occupant as well as the Project Manager.

**8.01.5 Special Hazardous Substances and Processes.** Materials that contain hazardous substances or mixtures may be required on the Work. A Material Safety Data Sheet as described in Section 5194 of Title 8 of the California Code of Regulations shall be requested by the CONTRACTOR from the manufacturer of any hazardous product used.

Material usage shall be accomplished with strict adherence to California Division of Industrial Safety requirements and all manufacturers' warnings and application instructions listed on the Material Safety Data Sheet and on the product container label. The CONTRACTOR shall notify the Project Manager if a specified product cannot be used under safe conditions.

#### **9. TRAFFIC CONTROL**

The access rights of the public shall be considered at all times, and vehicular and pedestrian traffic shall be permitted to pass on public rights of way through the Work at all times, unless the CONTRACTOR receives prior written approval of a detour plan from the City Engineering Department.

Safe and adequate pedestrian and vehicular access shall be provided and maintained to fire hydrants, commercial and industrial establishments, churches, schools, parking lots, service stations, motels, fire and police stations, hospitals, and establishments of similar nature. Access to these facilities shall be continuous and unobstructed unless prior approval of a detour plan is received from the City Engineering Department.

### **CITYWIDE STREET SWEEPING SERVICES**

The CONTRACTOR shall cooperate with owners and occupants of affected properties as well as other parties involved in providing services to the public (trash collection, mail delivery, etc.), in order to maintain existing schedules for these services.

#### **10. PREFERENCES FOR MATERIALS**

Whenever any particular material, process, or equipment is indicated in the AGREEMENT by patent, proprietary or brand name or by name of manufacturer, such wording is used for the purpose of facilitating its description and shall be deemed to be followed by the words "or equal." A listing of materials is not intended to be comprehensive, or in order of preference. The CONTRACTOR may supply any of the materials specified, or offer any material, process, or equipment considered to be equivalent to that indicated. Unless the CONTRACTOR clearly indicates in its Proposal that it intends to offer an "equal" product, the Proposal shall be considered as offering the brand name product.

The CONTRACTOR shall, at its expense, furnish data concerning items offered by it as equivalent to those specified. The CONTRACTOR shall, at its expense, have the material tested as required by the Project Manager to determine that the quality, strength, physical, chemical, or other characteristics, including durability, finish, efficiency, dimensions, service, and suitability are such that the item will fulfill its intended function, and will sufficiently match other products in use by the CITY on similar landscape and janitorial projects.

Test methods shall be subject to the approval of the Project Manager. Test results shall be reported promptly to the Project Manager, who will evaluate the results and determine if the substitute item is equivalent.

All data and test results submitted by the CONTRACTOR in substantiation of the offered substitute shall be submitted to the Project Manager within thirty-five (35) days after the Notice of Award, unless such submittal date is extended in writing by the Project Manager. The Project Manager shall make a determination to the CONTRACTOR, within ten (10) working days after the CONTRACTOR submits all substantiation of the offer, as to whether or not the offered substitution may be used in the performance of the AGREEMENT. A failure by the Project Manager to issue a written determination to the CONTRACTOR within said ten (10) working days shall be deemed to be a rejection of the offered substitute. The Project Manager's determination shall be final. CONTRACTOR shall not make installation and use of a substitute item unless and until approved by the Project Manager.

If a substitute offered by the CONTRACTOR is not found to be equal to the specified material, the CONTRACTOR shall furnish and install the specified material at the price set forth in the Proposal Schedule.

**CITY OF OCEANSIDE**

**CITYWIDE STREET SWEEPING SERVICES**

**11. CONTROL OF MATERIALS**

The CONTRACTOR shall ensure that all materials, parts and equipment furnished for the project shall be new, high grade, and free from defects. Used or secondhand materials, parts, and equipment may be used only if specifically permitted in the Special Provisions. Quality of work shall be in accord with the generally accepted standards unless otherwise specifically set forth in the AGREEMENT.

Before ordering any materials or performing any work, the CONTRACTOR shall verify all measurements, dimension, elevations, and quantities.

Materials and work quality not conforming to the requirements of the AGREEMENT shall be considered defective and will be subject to rejection. Defective work or material, whether in place or not, shall be removed immediately from the site by the CONTRACTOR, at its expense, when so directed by the Project Manager.

If the CONTRACTOR fails to replace, repair, or restore any defective or damaged work or material within ten (10) work days after the date of the Project Manager's written notice, the Project Manager may, but shall not be obligated to, cause such work or materials to be replaced at the CONTRACTOR's expense. The replacement expense shall be deducted from the amount to be paid to the CONTRACTOR. If payments then or thereafter due the CONTRACTOR are not sufficient to cover such expenses, the CONTRACTOR shall pay the difference to the CITY.

Materials and equipment shall be stored so as to ensure the preservation of their quality and fitness for the project. Stored materials and equipment to be incorporated in the project shall be located so as to facilitate prompt inspection. The CONTRACTOR shall be responsible for taking any and all actions necessary to protect supplies, materials, equipment, and personal property of CONTRACTOR and CONTRACTOR's agents from loss, damage, or theft.

**12. CHANGES IN WORK**

**12.01.1 Contents of Change Proposals, Change Orders, and Claims.** Any Change Proposal or Claim submitted by the CONTRACTOR shall be signed by the authorized representative of the CONTRACTOR and shall include the information set forth in this Subsection 12.01.1 below. A Change Order issued by the CITY shall be signed by the Project Manager and contain the information set forth in this Subsection 12.01.1 below:

**12.01.2 Contractor Initiated Changes.** The CONTRACTOR may request changes in specific methods of services provided, or changes in the Plans and Special Provisions, by submitting written Change Proposals to the Project Manager.

The Change Proposal shall be reviewed by the Project Manager, and may be approved by the Project Manager if the change does not materially affect the Work, the change is not detrimental to the Work or the interests of the CITY, and the request is received by the Project Manager within ten (10) working days of the start of the condition which caused the change. Nothing herein shall be construed as granting a right to the CONTRACTOR to demand approval of Change Proposals.

**12.01.3 CITY Initiated Changes.** The CITY may order a change to the Work, if the change is within the scope of work, by written Change Order signed by the Project Manager. The Change Order shall include the information set forth in Subsection 12.01.1 above.

The CONTRACTOR shall promptly and diligently perform in accordance with the AGREEMENT as amended by the Project Manager.

The CONTRACTOR shall, within ten (10) working days of a written request by the Project Manager, submit a proposed change (in accordance with Subsection 12.01.1 above) in AGREEMENT Price which the CONTRACTOR certifies and justifies as resulting from the Change Order. This proposed change may be negotiated by the CITY and CONTRACTOR in order to reach an agreement as to the impact of the Change Order upon the AGREEMENT Price. The process of submitting the proposed change and negotiating an agreement, or any failure to reach an agreement as to any resulting change of AGREEMENT Price shall not relieve the CONTRACTOR of its obligation to perform in accordance with the AGREEMENT.

**12.01.4 Change of AGREEMENT Price.**

- (a) If a change to the Work is covered by Agreement Unit Prices set forth in the Proposal, or any other "Stipulated Unit Prices" set forth in the AGREEMENT then the applicable Agreement Unit Prices or Stipulated Unit Prices shall govern the increase or decrease to the AGREEMENT Price.
- (b) If a change to the Work is not covered by Agreement Unit Prices set forth in the Proposal, or any other "Stipulated Unit Prices" set forth in the AGREEMENT, then the increase or decrease to the AGREEMENT Price shall be the Cost of the Work to the CONTRACTOR calculated in accordance with Subsection 12.01.5 below, unless otherwise agreed in writing between the CITY and the CONTRACTOR.

The daily report shall include copies of supporting documents to substantiate all costs listed therein. Supporting documents shall include payroll sheets, delivery tickets, purchase orders, and invoices. The CONTRACTOR shall submit the daily report to the Project Manager by 4:00 p.m. of the next workday. The CONTRACTOR and the Project Manager shall both make a reasonable effort to come to an agreement as to the description of the extra work performed, and shall make written notations appended to the daily report to note any points of disagreement. **CITYWIDE STREET SWEEPING SERVICES**

- (f) **Markup.** The CONTRACTOR shall be entitled to a markup of fifteen percent (15%) of the actual net increase in the above direct costs which are substantiated in accordance with this Subsection 12.01.5. The markup shall cover all indirect costs including but not limited to bond and insurance premiums, office overhead, and the purchasing or renting of small tools and equipment.
- (g) **Subcontractor's Work.** In order for the CONTRACTOR to be entitled to an adjustment in the AGREEMENT Price based upon the work of a subcontractor, the CONTRACTOR shall submit documentation in accordance with Subsections 12.01.5(a) through 12.01.5(f) above for the subcontractor's work. The CONTRACTOR shall be entitled to a markup on the subcontractor's costs (direct and markup) equal to ten percent (10%) on the first two-thousand (\$2,000) dollars of the subcontractor's costs, and five percent (5%) on work in excess of two-thousand (\$2,000) dollars of the subcontractor's costs.

**13. CLAIMS AND DISPUTES**

The Claim shall include all the information required by Subsection 12.01.1. In order to substantiate the Claim, the CONTRACTOR shall, at a minimum, submit daily reports in accordance with Subsection 12.01.5.

The Project Manager shall review the CONTRACTOR's claim and may authorize additional compensation in accordance with the criteria set forth in Subsections 12.01.4 and 12.01.5.

**13.01.2 Disputed Work.** In the event that a dispute arises between the CITY and the CONTRACTOR as to the interpretation of this AGREEMENT, including change orders, or the compensation for Work, the CONTRACTOR shall not be excused from any Work provided for by the AGREEMENT and shall diligently proceed with all work to be performed under the AGREEMENT. No work shall be delayed or postponed by the CONTRACTOR pending resolution of any disputes or disagreements with the CITY unless otherwise agreed to in writing. The CITY shall compensate the CONTRACTOR based on the City Attorney's interpretation of the CITY's obligation to pay, or on a subsequent written agreement of the parties, or as determined by arbitration, or as fixed in a court of law.

**13.01.3 Resolution of Disputed Claims: Administrative Review and Civil Action Procedures.**

**1. Definition.**

by, or on behalf of, the contractor pursuant to the AGREEMENT and payment of which is not otherwise expressly provided for or the CONTRACTOR is not otherwise entitled to, or (B) an amount the payment of which is disputed by the CITY.

#### **2. Administrative Review By CITY.**

(a) The claim shall be in writing and include the documents necessary to substantiate the claim. Claims must be filed on or before the date of final payment. Nothing in this Section is intended to extend the time limit or supersede notice requirements otherwise provided by law for the filing of claims.

(b) (1) For claims of less than fifty thousand dollars (\$50,000), the CITY shall respond in writing to any written claim within forty-five (45) days of receipt of the claim, or may request, in writing, within thirty (30) days of receipt of the claim, any additional documentation supporting the claim or relating to defenses to the claim the CITY may have against the CONTRACTOR.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the CITY and the CONTRACTOR.

(3) The CITY's written response to the claim, as further documented, shall be submitted to the CONTRACTOR within fifteen (15) days after receipt of the further documentation or within a period of time no greater than that taken by the CONTRACTOR in producing the additional information, whichever is greater.

(c) (1) For claims of over fifty thousand dollars (\$50,000) and less than or equal to three hundred seventy-five thousand dollars (\$375,000), the CITY shall respond in writing to all written claims within sixty (60) days of receipt of the claim, or may request, in writing, within thirty (30) days of receipt of the claim, any additional documentation supporting the claim or relating to defenses to the claim the CITY may have against the CONTRACTOR.

(2) If additional information is thereafter required, it shall be requested and provided pursuant to this subdivision, upon mutual agreement of the CITY and the CONTRACTOR.

(3) The CITY's written response to the claim, as further documented, shall be submitted to the CONTRACTOR within thirty (30) days after receipt of the further documentation, or within a period of time no greater than that taken by the CONTRACTOR in producing the additional information or requested documentation, whichever is greater.

### **CITYWIDE STREET SWEEPING SERVICES**

(d) If the CONTRACTOR disputes the CITY's written response, or the CITY fails to respond within the time prescribed, the CONTRACTOR may so notify the CITY, in writing, either within fifteen (15) days of receipt of the CITY's response or within fifteen (15) days of the CITY's failure to respond within the time prescribed, respectively, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon a demand, the CITY shall schedule a meet and confer conference within thirty (30) days for settlement of the dispute.

(e) Following the meet and confer conference, if the claim or any portion remains in dispute, the CONTRACTOR may file a claim as provided in Chapter 1 (commencing with Section 900) and Chapter 2 (commencing with Section 910) of Part 3 of Division 3.6 of Title 1 of the Government Code. Contractor understands and agrees that timely and properly filing a Government Code claim is a condition precedent to maintenance of a civil action for damages or other relief based on such claim. For purposes of those provisions, the running of the period of time within which a Government Code claim must be filed shall be tolled from the time the CONTRACTOR submits his or her written claim pursuant to subdivision (a) until the time that claim is denied as a result of the meet and confer process, including any period of time utilized by the meet and confer process.

#### **3. Civil Action Procedures.**

(a) The parties agree that if the CONTRACTOR files a civil action, then within sixty (60) days, but no earlier than thirty (30) days, following the filing of responsive pleadings, the matter will be submitted to nonbinding mediation unless waived by mutual stipulation of both parties. The mediation process shall provide for the selection within fifteen (15) days by both parties of a disinterested third person as mediator, shall be commenced within thirty (30) days of the submittal, and shall be conclude within fifteen (15) days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court or by stipulation of both parties. If the parties fail to select a mediator within the fifteen-day (15) period, any party may petition the court to appoint the mediator.

(b) (1) The parties agree that if the matter remains in dispute, the case will be submitted to judicial arbitration pursuant to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, notwithstanding Section 1141.11 of that code. The Civil Discovery Act of 1986 (Article 3, (commencing with Section 2016) of Chapter 3 of Title 3 of Part 4 of the Code of Civil Procedure) shall apply to any proceeding brought under this subdivision consistent with the rules pertaining to judicial arbitration.

(2) Notwithstanding any other provision of law, upon stipulation of the parties, arbitrators appointed for purposes of this article shall be experienced in construction law, and upon stipulation of the parties, mediators and arbitrators

shall be paid necessary and reasonable hourly rates of pay not to exceed their customary rate, and such fees and expenses shall be paid equal by the parties, except in the case of arbitration where the arbitrator, for good cause, determines a different division. In no event shall these fees or expenses be paid by state or county funds.

(3) In addition to Chapter 2.5 (commencing with Section 1141.10) of Title 3 of Part 3 of the Code of Civil Procedure, any party who after receiving an arbitration award requests a trial de novo but does not obtain a more favorable judgment shall, in addition to payment of costs and fees under that chapter, pay the attorney's fees of the other party arising out of the trial de novo.

(c) The court may, upon request by any party, order any witnesses to participate in the mediation or arbitration process.

#### 14. SUSPENSION OF WORK

**14.01.1 General.** The Work may be suspended in whole or in part when determined by the Project Manager that the suspension is necessary in the interest of the CITY. The CONTRACTOR shall comply immediately with any written order of the Project Manager suspending Work.

**14.01.2 Archaeological and Paleontological Discoveries.** If discovery is made of items of archaeological or paleontological interest, the CONTRACTOR shall immediately cease excavation in the area of discovery and shall not continue until ordered by the Project Manager. When resumed, excavation operations within the area of discovery shall be as directed by the Project Manager. Discoveries which may be encountered may include, but not be limited to, dwelling sites, stone implements or other artifacts, animal bones, human bones and fossils.

The CONTRACTOR may be entitled to an extension of time and compensation for suspension of Work in accordance with the provisions of Subsection 13.01.2.

#### 15. EMERGENCY RESPONSE

Upon oral, telephonic or written notice from CITY of an emergency services request, safety issue or irrigation malfunction related to service requirements of the AGREEMENT, CONTRACTOR must institute corrective action within one (1) hour of notice from CITY. CONTRACTOR shall be entitled to compensation for extra work for which the CONTRACTOR is not already being compensated in accordance with Subsection 12.01.5. In the event CONTRACTOR fails to institute corrective action within one (1) hour, CITY shall have the right to have any necessary work done by any means necessary to correct the problem. CONTRACTOR shall pay to the CITY, or have withheld from monies due it, any and all costs incurred by CITY in having such necessary work

done for which the CONTRACTOR is being compensated in accordance with the AGREEMENT.

#### **16. SUBSTANDARD PERFORMANCE**

If CITY finds that all or a portion of the services performed by the CONTRACTOR are substandard to the requirements of the AGREEMENT then CONTRACTOR must correct the noted deficiencies within **five (5) workdays** of an oral, telephonic or written notice from CITY. In the event CONTRACTOR fails to correct the noted discrepancies within the **five (5) workday** period, CITY shall have the right to have any necessary work done at the expense of CONTRACTOR. CONTRACTOR shall pay to the CITY, or have withheld from monies due it, any and all costs incurred by CITY in having such necessary work done.

#### **17. LIQUIDATED DAMAGES**

Failure of the CONTRACTOR to complete the services, including the timely submission of schedules, maps, charts and permits as proscribed within the AGREEMENT will result in damages being sustained by the CITY, regardless of whether CITY funds are expended and later recouped from the CONTRACTOR, to complete the services. Such damages are, and will continue to be, impracticable and extremely difficult to determine. A **Substandard Performance** notification issued in accordance with Section 16 shall serve as the CITY's initial notification to CONTRACTOR of potential damage. In the event the CITY issues a second **Substandard Performance** notification for any reason, within a thirty (30) day period or a third **Substandard Performance** notification in accordance with Section 16 for any reason, within a ninety (90) day period the CONTRACTOR shall pay to the CITY, or have withheld from monies due it, the sum of **five percent (5%)** of the monthly AGREEMENT compensation.

Execution of the AGREEMENT shall constitute agreement by the CITY and CONTRACTOR that **five percent (5%)** of the monthly AGREEMENT compensation is the reasonable estimate of the value of the costs and actual damage caused by failure of the CONTRACTOR to complete the services as required by the AGREEMENT, that such sum is liquidated damages and shall not be construed as a penalty, and that such sum may be deducted from payments due the CONTRACTOR if such damage occurs.

#### **18. DEFAULT BY CONTRACTOR**

If, in the opinion of the Project Manager, there is a reasonable doubt as to the CONTRACTOR's ability to complete performance under the AGREEMENT or the CONTRACTOR is not complying in good faith with the terms of the AGREEMENT, or in the event of a breach of a material requirement of the AGREEMENT, the CONTRACTOR shall be in default of the AGREEMENT.

Upon default, the CITY shall give written notice to the CONTRACTOR and the Surety of the Faithful Performance Bond to cure the default within five (5) working days of the notice

## **CITY OF OCEANSIDE**

### **CITYWIDE STREET SWEEPING SERVICES**

or, if more than five (5) working days are reasonably required to cure the default, the notice shall require adequate assurance of due performance within five (5) working days. At a minimum, adequate assurance shall consist of CONTRACTOR's actual performance in accordance with the AGREEMENT, and written documentation of CONTRACTOR's demands for performance to subcontractors and suppliers, and the subcontractor's and supplier's written acknowledgement thereof. If the CONTRACTOR complies with the notice, the AGREEMENT shall remain in full force and effect.

If the Surety gives the CITY written notice that the Surety will assume control and perform the work as successor to the CONTRACTOR, the Surety shall be responsible for completion of all CONTRACTOR obligations under the AGREEMENT and the Surety shall be entitled to all compensation owed to the CONTRACTOR under the AGREEMENT.

If the CONTRACTOR or its Surety does not comply with the notice within five (5) working days, or after starting to comply, fails to continue to diligently perform, the CITY may exclude both the CONTRACTOR and its Surety from the premises and take possession of all materials and equipment, and complete the Work by any means allowable under the law.

CITY may also terminate the AGREEMENT upon written notice to CONTRACTOR in the event that:

- (a) CONTRACTOR shall voluntarily file or have involuntarily filed against it any protection under any bankruptcy or insolvency act or law; or,
- (b) CONTRACTOR shall be adjudicated a bankruptcy; or,
- (c) CONTRACTOR shall make a general assignment for the benefit of creditors.

In the event of an exclusion of the CONTRACTOR and the Surety from the premises, the CONTRACTOR shall not be entitled to receive any further payment until the work is completed. The CONTRACTOR shall be paid the actual amount due in accordance with the AGREEMENT for the amount of work performed at the time of exclusion, less damages caused to the CITY by the CONTRACTOR's default.

The cost to the CITY of completing the work, including any administrative costs and attorney's fees, shall be called "Completion Costs." Completion Costs shall be deducted from any money due or becoming due to the CONTRACTOR under the AGREEMENT. If the sums under the AGREEMENT are insufficient for the CITY to pay Completion Costs, the CONTRACTOR shall pay the CITY the amount of such unpaid Completion Costs within ten (10) working days of receipt of written certification by the CITY of the amount owed.

The provisions of this section shall be in addition to all other rights and remedies available to the CITY under law.

**DEFINITIONS**

Whenever the following terms are used in this AGREEMENT, they shall have the following meaning:

A. "CURB MILE" - A curb mile equals 5,280 feet and is the measurement used to designate those miles predetermined by CITY to be swept by the street-sweeping CONTRACTOR.

B. "DEBRIS" - All litter, rubbish, leaves, sand, dirt, garbage, and other foreign material removable from a paved street with a mechanical street sweeper.

C. "PARKING LOTS" – Asphalt, concrete or other hard surfaced areas primarily for the parking of automobiles.

D. "QUALITY OF SWEEPING" -The street sweeper shall leave designated areas of sweeping free of all dirt, litter, debris, and visual dust.

E. "RE-SWEEPS" -Those sweeps required of CONTRACTOR when previous sweeps have been deemed by CITY to be of poor quality, or when a street or sections of a street have been missed by CONTRACTOR during regularly scheduled street sweeping. Re-sweeps are completed at the expense of CONTRACTOR, and shall be completed within 24-hours of notice, weather permitting.

F. "SPECIAL SWEEPS" -Those required by CITY other than regularly scheduled street sweeping and involving unusual conditions such as traffic hazards, parades, emergencies, etc. Billing for special sweeps is based on an hourly rate with travel time included, if appropriate and approved by the Project Manager.

G. "STREET SWEEPING" -The removal by mechanical street sweepers of all debris from all portions of the street, including, but not limited to both sides of residential streets, adjacent to residential raised medians, street intersections, the areas adjacent to arterial street curbs and raised medians (such as left turn pockets), and the center striped areas of arterial streets.

H. "SWEEPINGS" -All debris removed from streets by street sweeping vehicles.

The CONTRACTOR shall perform the work described herein in a thorough and professional manner so that the residents and businesses within the City are provided with courteous, reliable and high quality street sweeping services at all times. Sweeping speed shall not exceed ten (10) miles per hour. If at any time the City determines that sweeping speed has exceeded ten (10) miles per hour, the Project Manager may require the CONTRACTOR to re-sweep any part of, or the entire sweeping route in question at no additional cost to the City.

**CITY OF OCEANSIDE  
CITYWIDE STREET SWEEPING SERVICES  
EXHIBIT A – SCOPE OF WORK**

The CONTRACTOR shall furnish, at CONTRACTOR'S own expense, all labor, equipment, and materials necessary, unless specifically excluded herein, and shall sweep all paved, public streets and parking lots located within the present corporate limits of CITY, in accordance with the attached Exhibits A, B and C. The sweeping process shall include removal and legal disposal of all accumulated debris (e.g., all solids and liquids collected in the street sweeper(s)).

The CONTRACTOR shall furnish copies of valid commercial driver licenses for all operators assigned to CITY, whether permanently or temporarily assigned to CITY.

Assign to CITY, at all times, a minimum of four, fully operational street sweeping vehicles as outlined in this agreement unless written approval from the Project Manager has been obtained. Furthermore, CONTRACTOR shall have a reserve operator in case the primary driver becomes ill or is incapacitated for any reason. A penalty will be assessed for each day a residential sweeping route is not completed during posted times. The penalty for missing a residential sweep will be computed by the average number of citations issued on the previous three (3) sweeps multiplied by the current citation amount plus two (2) hours pay of a parking enforcement officer plus \$100.00 administration fee. The penalty for missing a commercial sweep shall be \$500.00.

The CONTRACTOR'S street sweeper shall leave designated areas that are accessible at the time of sweeping, free of all dirt, litter, DEBRIS, and visual dust within the control of a fully operational machine, which has been inspected and maintained as agreed, in accordance with the CITY'S standards of cleanliness.

Street sweeping shall be performed in accordance with accepted standards for municipal street cleaning to the satisfaction of the Project Manager or his designee(s). When necessary for proper cleaning, CONTRACTOR shall make more than one pass on a street, without extra charge. Streets with raised medians (commercial and residential) shall have their curb-gutter perimeter swept, including turnouts. Street grade striped medians shall be swept in their entirety. All deposits within intersections shall be removed as part of the sweeping operations. CONTRACTOR shall immediately respond when notified by CITY to re-sweep unsatisfactory areas at no additional charge.

In areas with offset angles, extruded curbs, parking blocks or any areas where street sweeping equipment has difficulty in maneuvering, the CONTRACTOR shall use whatever legal means necessary to maintain the cleanliness of these areas. These areas are subject to all the terms and conditions listed in this AGREEMENT.

Regenerative air type sweepers with a minimum hopper size of 5 cubic yards must be used on all roads. Vacuum type sweepers may be used in the OTC parking structure.

The equipment operator shall maintain a log listing the locations of roadways that cannot be adequately swept because of obstructions such as low hanging limbs. The CONTRACTOR shall report these locations, by address, to CITY'S Project Manager, or

**CITY OF OCEANSIDE  
CITYWIDE STREET SWEEPING SERVICES

designee, within 24 hours.

The CONTRACTOR shall, during the term of this AGREEMENT, respond to all callbacks to the satisfaction of the Project Manager, within one (1) hour of notification during business hours or by 8:00 a.m. the following day if after business hours when reported. Failure to comply with this requirement will result in a reduction in payment to the CONTRACTOR as determined appropriate by the Project Manager.

The regularly scheduled street sweeping shall be adhered to by CONTRACTOR unless deviation from the approved schedule is authorized by the Project Manager.

In the event that inclement weather precludes adhering to the regular sweeping schedule as determined by the Project Manager, the affected areas may be omitted from the schedule for that cycle only. The CONTRACTOR shall issue the City a credit at the curb mile rate specified in this PROPOSAL DOCUMENT or subsequent amendments. During inclement weather, a two-hour standby period between 7:00 a.m. and 9:00 a.m. shall be observed before a scheduled residential sweep will be canceled. Commercial sweeps are never cancelled.

The Project Manager will provide the holiday schedule for each upcoming year by December 1 of the current year. The street sweeping holiday schedule for 2012 is included in Exhibit D.

CONTRACTOR shall, during the term of this AGREEMENT, respond to requests for SPECIAL SWEEPS required during emergencies, twenty-four (24) hours per day, seven (7) days per week, by dispatching required sweeping equipment to the site, within one (1) hour of contact by the Project Manager. In addition to the daily work required hereunder, the Project Manager, or the authorized designee may request additional non emergency SPECIAL SWEEPS. The CONTRACTOR, as provider of sweeping services for CITY, shall be required to provide these street sweeping services. The Project Manager or his designated representative shall request SPECIAL SWEEPS with 48-hour notice. The CONTRACTOR shall be compensated for SPECIAL SWEEPS at the hourly rate indicated in the PROPOSAL ITEM. Minimum compensation for emergency and non-emergency SPECIAL SWEEPS shall be two (2) hours including travel time.

CONTRACTOR shall notify CITY should CONTRACTOR have an emergency, and the Project Manager shall determine whether CONTRACTOR is released of completing a daily route based on the nature of the emergency. The City has the authority to interrupt scheduled service should CITY have an emergency.

The CONTRACTOR may legally dispose of all debris and sweepings collected under the performance of this contract by hauling it to the City of Oceanside Operations Center at 4927 Oceanside Boulevard and loading it in the designated rolloff containers or end-dump trailers. A street sweeping transfer facility is at this location which contains a large concrete pad to unload debris/sweepings and also a silt trap and oil/water

separator for any surface water runoff generated from cleaning the sweepers/pad. The CONTRACTOR shall be responsible for the daily cleanup of this facility which includes loading all debris in the designated roll off containers or end dump trailers and broom sweeping the entire pad. In addition, the CONTRACTOR shall have the silt trap pumped out once a month or more as needed as well as the oil/water separator pumped out every three months or more as needed. If a bottom dump type sweeper is used, the CONTRACTOR shall provide a skip loader or other piece of equipment for the daily loading of the debris/sweepings in to the trailers or bins provided. The annual charge for disposal at this transfer facility will be \$125,000 in addition to a monthly charge of \$2,000 for use of the facility which shall include storing up to 5 sweepers and 1 piece of equipment for loading debris/sweepings. If the CONTRACTOR chooses this option they will be required to sign a property use agreement with the CITY.

The CONTRACTOR may contract directly with Waste Management to legally dispose of all debris and sweepings collected under the performance of this contract and use other facilities as needed for the performance of these services.

The CONTRACTOR shall provide information on the total debris disposed of for the purpose of the CITY reporting actual debris removal quantities to regulatory agencies. The CONTRACTOR shall submit with each monthly invoice the total number of loads dumped per day during that billing cycle.

CONTRACTOR shall make all necessary arrangements through the City of Oceanside Water Department to obtain water meters for their sweepers and the street sweeping transfer facility (if applicable) and shall pay for water necessary to the CONTRACTOR'S operations. Water costs are the responsibility of the CONTRACTOR and shall be included in the PROPOSAL ITEM costs for associated work. No additional compensation for water will be allowed.

Fuel pumps containing diesel and unleaded gasoline are located at the City of Oceanside Operations Center at 4927 Oceanside Boulevard. The CONTRACTOR will have the option to purchase fuel from the CITY at the CITY'S cost plus 15% markup.

**STREETS TO BE SWEEPED**

The service areas, hours of operation, and estimated frequencies of service under the provisions of this AGREEMENT are detailed in Exhibit B and Exhibit C. All sweeping operations are to conform to Exhibit B and Exhibit C and no deviation from the schedule will be allowed. CONTRACTOR acknowledges personal inspection of the sites and the surrounding areas and has evaluated the extent to which the physical condition thereof will affect the services to be provided. CONTRACTOR accepts the premises in their present physical condition, and agrees to make no demands upon CITY for any improvements or alterations thereof.

An invoice format shall be submitted to the Project Manager for approval. CONTRACTOR shall submit a fully itemized monthly bill to the Project Manager, or designee, listing odometer readings and GPS records to permit auditing of sweeping mileage. The CONTRACTOR shall be paid only for actual curb miles swept and will not be compensated for travel time back and forth to the storage yard, unloading debris/sweepings, cleaning the transfer facility or any other activity necessary to provide services.

Separate invoices for approved SPECIAL SWEEPS shall be prepared and submitted in an electronic format acceptable to the Project Manager, including attachments, such as copies of suppliers' invoices, which the Project Manager may require to verify CONTRACTOR'S billing. Invoices for SPECIAL SWEEPS shall be submitted on separate invoices. Unless otherwise requested by the Project Manager, one invoice shall be submitted for each discrete and complete item of SPECIAL SWEEPS. Minimum compensation for emergency and non-emergency SPECIAL SWEEPS shall be two (2) hours including travel time.

In the event the CITY transfers title, maintenance responsibility, or changes service frequency of a portion thereof, this AGREEMENT shall continue in full force and effect, except said portion, at the discretion of the Project Manager, may be deleted from the sweeping schedule and the AGREEMENT sum shall be reduced accordingly. The Project Manager may, at his discretion, add new streets or lots to be swept and/or require additional services. The CONTRACTOR shall be compensated for the additional facilities or services that are designated after the date of the commencement of this CONTRACT based on the extension of proposal item costs as submitted in the REQUEST FOR PROPOSALS or as adjusted in accordance with subsequent amendments to the agreement.

The CONTRACTOR agrees that increases or reduction of quantities in an amount less than twenty-five (25) percent of any individual PROPOSAL ITEM shall not be grounds for renegotiation of the agreed PROPOSAL ITEM price. Increases or reduction in proposal item quantities that exceed twenty-five (25) percent of an individual PROPOSAL ITEM are subject to negotiation. Renegotiation of any PROPOSAL ITEM, applies to that PROPOSAL ITEM only. Other PROPOSAL ITEMS shall not be affected by these provisions. Any negotiated changes in these proposal item prices shall be contingent upon both parties executing a written amendment to this agreement.

The Program Manager shall notify the CONTRACTOR of additions, reductions or deletions of areas to be serviced in writing.

The CITY may award emergency and non-emergency SPECIAL SWEEPS to the CONTRACTOR, or to other forces, at the discretion of the Project Manager.

If the Project Manager determines that the SPECIAL SWEEPS can be performed by CONTRACTOR'S present work force, Project Manager may authorize modification of the CONTRACTOR'S Routine Operations Schedule or Annual Calendar in order to compensate CONTRACTOR for performing said work.

SPECIAL SWEEPS shall be performed by the CONTRACTOR at the PROPOSAL ITEM price for SPECIAL SWEEPS. The Project Manager shall notify the CONTRACTOR in writing and shall specify a time period for completing said SPECIAL SWEEPS.

When a condition exists which the Project Manager deems urgent, the Project Manager may verbally authorize SPECIAL SWEEPS to be performed. However, within twenty-four (24) hours after receiving a verbal authorization, the CONTRACTOR shall submit a written estimate, consistent with the verbal authorization, to the Project Manager for approval.

All SPECIAL SWEEPS shall commence on the specified date established and CONTRACTOR shall proceed diligently to complete said work within the time allotted.

If any emergency service request is not responded to in one (1) hour, the Project Manager shall be notified immediately of the reason for not meeting the required response time followed by a written report to the Project Manager within two (2) working days.

Whenever immediate action is required to prevent possible injury, death, or property damage, CITY may, after reasonable attempt to notify the CONTRACTOR, cause such action to be taken by alternate work forces and, as determined by the Project Manager, charge the cost thereof to the CONTRACTOR, or deduct such cost from any amount due to the CONTRACTOR. This deduction shall include a markup for administrative costs equal to fifteen (15) percent of the actual costs incurred.

The CONTRACTOR shall maintain a written log of all communications, the date and the time thereof and the action taken pursuant thereto or the reason for non-action. Said log of complaints shall be open to the inspection of the Project Manager at all reasonable times.

**CITY OF OCEANSIDE  
CITYWIDE STREET SWEEPING SERVICES  
EXHIBIT A – SCOPE OF WORK**

CONTRACTOR shall not require or permit any laborer, worker or mechanic, or any subcontractor employed by him to perform any of the work described herein to labor more than eight (8) hours during any one day or more than forty (40) hours during any one calendar week, except as authorized by State of California Labor Code Section 1815.

**PUBLIC INTERACTION/NOISE**

CONTRACTOR shall not interfere with the public use of the premises and shall conduct its operations as to offer the least possible obstruction and inconvenience to the public or disruption to the peace and quiet of the area within which the services are performed.

The CONTRACTOR is hereby notified that specific hours of service are required as identified in Exhibits B and C. Further, any schedule of such operations may be modified by Project Manager in order to insure that the public is not unduly impacted by the noise created by such equipment.

**INTERACTION WITH PARKING ENFORCEMENT OFFICERS**

The City of Oceanside enforces all residential sweeps and the interaction between the sweeper operator and enforcement officer is critical. All residential sweeps start promptly at 7:00am each weekday (excluding 5<sup>th</sup> days of the month) and all enforcement zones are for four (4) hours and typically overlap. The sweeper operator should meet with the enforcement officer before the start of each shift to discuss complaints or issues that need addressing. City enforcement policy allows for a citizen driver to move their vehicle for the sweeper to avoid a citation and then park back after being swept. Enforcement officers follow the sweeper and once the sweeper and officer have passed, a vehicle is free to park. Sweeper operators need to wait for drivers (within reason) to get their cars if they are flagged prior to passing a vehicle. Once the sweeper has gone around or has begun to go around a vehicle a citation is issued. It is imperative that the sweeper operator work closely with the trailing officer by keeping in constant radio contact and by waiting for the officer when a citation is being issued. A sweeper operator should never advance more than one city block ahead of the trailing officer. The enforcement officer is there not only to issue citation and inform citizens but also to remove large items that get in the way of the sweeper and assist with any debris

**CITY OF OCEANSIDE  
CITYWIDE STREET SWEEPING SERVICES  
EXHIBIT A – SCOPE OF WORK**

Any vehicular accidents involving sweepers assigned to CITY must be reported in writing within 24 hours of said accident to CITY.

**GPS EQUIPMENT AND SOFTWARE**

The CONTRACTOR shall provide automatic vehicle location device (vehicle location and management system [e.g., GPS]) on primary and backup sweeper units. This device shall be placed on all sweeping equipment at the CONTRACTOR'S cost.

EXHIBIT F – FUEL ADJUSTMENT**

This Agreement will establish an annual "Base Price of Fuel." Starting July 1, 2012 the base price for diesel will be \$4.41 per gallon for the 1<sup>st</sup> year of the contract. The base price will be increased 3% annually every July 1<sup>st</sup> over the previous year base price until the end of the contract (\$4.54 per gallon for the 2<sup>nd</sup> year, \$4.68 per gallon for the 3<sup>rd</sup> year, etc...).

The Contractor agrees to maintain accurate and complete records relative to the use of diesel fuel for each of its vehicles. These records and all other information requested by the City shall be made available prior to the awarding of any fuel adjustment.

Beginning in the first year of the contract, and continuing for the duration of said contract, a fuel adjustment may be proposed based on the following formula:

When there is an average monthly variation of five cents (\$.05) per gallon or less, up or down, from the base price of fuel listed above, there will be no adjustment. On the first day of any month of any increase of more than five cents (\$.05) per gallon, additional payment for each one cent (\$.01) per gallon will be made to the contractor for the number of gallons used for street sweeping. **This must be accompanied by price verification from the fuel supplier including the state motor fuel tax.** This will continue until fuel prices come within the five cents (\$.05) per gallon variation allowance. If the average monthly cost of fuel decreases more than five cents (\$.05) per gallon, a lesser payment of each one cent (\$.01) per gallon will be made to the contractor for the number of gallons used for street sweeping. This will continue until fuel prices come within the five cents (\$.05) per gallon variation allowance. In both cases, any adjustment will be made based on the average price of fuel each month for the term of the contract. Average monthly fuel prices shall be calculated as the dollar sum of the fuel purchases for street sweeping for the entire month divided by the number of gallons purchased. The fuel adjustment will only be allowed for actual curb miles swept during street sweeping operations.

The amount of adjustment will be calculated as follows:

**Gallons Used Per Day:**

Total daily route mileage (actual curb miles swept) ÷ miles per gallon (per manufacturer)

**Fuel Adjustment:**

Total gallons used per month X variation from the base price of fuel per gallon.

this notice requirement, any material change in the policy prior to the expiration shall be considered a cancellation.

e. PERMITTEE shall provide evidence of compliance with the insurance requirements listed above by providing a certificate of insurance and applicable endorsements, in a form satisfactory to the City Attorney, concurrently with the submittal of this Agreement.

f. PERMITTEE shall provide a substitute certificate of insurance no later than **thirty (30) days** prior to the policy expiration date. Failure by the PERMITTEE to provide such a substitution and extend the policy expiration date shall be considered a default by PERMITTEE and may subject the PERMITTEE to an immediate termination of this Agreement.

g. Maintenance of insurance by the PERMITTEE as specified in this Agreement shall in no way be interpreted as relieving the PERMITTEE of any responsibility whatever and the PERMITTEE may carry, at its own expense, such additional insurance as it deems necessary.

h. If PERMITTEE fails or refuses to take out and maintain the required insurance, or fails to provide the proof of coverage, CITY has the right to obtain the insurance. PERMITTEE shall reimburse CITY for the premiums paid with interest at the maximum allowable legal rate then in effect in California. CITY shall give notice of the payment of premiums within **thirty (30) days** of payment stating the amount paid, names of the insurer(s) and rate of interest. In addition, PERMITTEE shall have the silt trap pumped out once a month or more as needed as well as the oil/water separator pumped out every three months or more as needed. If a bottom dump type sweeper is used, PERMITTEE shall provide a skip loader or other piece of equipment for the daily loading of the debris/sweepings in to the trailers or bins provided

In the event that the Premises are not in a decent, safe, healthy, and sanitary condition, CITY shall have the right, upon written notice to PERMITTEE, to have any necessary maintenance work done at the expense of PERMITTEE, and PERMITTEE shall promptly pay any and all costs incurred by CITY in having such necessary maintenance work done, in order to keep said Premises in a decent, safe, healthy, and sanitary condition. PERMITTEE shall make payment no-later than **thirty (30) days** after written notice from the CITY. Further, if at any time CITY determines that said Premises are not in a decent, safe, healthy, and sanitary condition, CITY may at its sole option, upon written notice, require PERMITTEE to file with CITY a faithful performance bond to assure prompt correction of any condition which is not decent, safe, healthy, and sanitary. Said bond shall be in an amount adequate in the opinion of CITY to correct the unsatisfactory condition. PERMITTEE shall pay the cost of said bond. The rights reserved in this section shall not create any obligations on CITY or increase obligations elsewhere in this Agreement imposed on CITY.

**6.02 Sign.** PERMITTEE shall not erect or display any banners, pennants, flags, posters, signs, decorations, marquees, awnings, or similar devices or advertising without the prior written consent of CITY. the demanding party shall give written notice of the default (with reasonable specificity) to the defaulting party and demand the default to be cured within **thirty (30) days** of the notice.
