

STAFF REPORT

ITEM NO. 6
CITY OF OCEANSIDE

DATE: May 1, 2013

TO: Chairman and Members of the Community Development Commission

FROM: Neighborhood Services Department

SUBJECT: **ADOPTION OF A RESOLUTION AUTHORIZING THE CITY TO SUBMIT AN APPLICATION FOR THE MORTGAGE CREDIT CERTIFICATE (MCC) PROGRAM THROUGH THE CALIFORNIA DEBT LIMIT ALLOCATION COMMITTEE (CDLAC) IN THE AMOUNT OF \$1,123,444; AND AUTHORIZE THE EXECUTIVE DIRECTOR TO EXECUTE ALL NECESSARY APPLICATION DOCUMENTS.**

SYNOPSIS

Staff recommends that the Community Development Commission (CDC) adopt a resolution authorizing the City to submit an application for the Mortgage Credit Certificate (MCC) Program through the California Debt Limit Allocation Committee (CDLAC) in the amount of \$1,123,444; and authorize the Executive Director to execute all necessary application documents.

BACKGROUND

Since 1992, the City has applied for, and has been awarded, a total of over \$50,150,000 in Private Activity Bonds, which have been converted to over 370 MCCs, according to a federal conversion ratio contained in the Tax Reform Act of 1984. Those MCC's assisted 370 first-time homebuyer households.

The MCC Program was authorized by Congress in the Tax Reform Act, as an alternative to mortgage revenue bond-backed financing. The program is intended as a tool for providing home-ownership assistance to low-income households. Applications for MCC-issuing authority are made by local agencies to CDLAC. A resolution by the local jurisdiction's governing body is necessary to meet the requirements of the CDLAC application.

ANALYSIS

The Neighborhood Services Department intends to apply to CDLAC for an estimated \$1,123,444 in MCCs. Depending on the loan amount, this will result in 6 to 8 Certificates.

An MCC is a document awarded to a home buyer whose income meets the required Federal Guidelines, which allows the buyer a credit each year on his/her federal income tax in an amount equal to 20 percent of the mortgage interest paid for that year. The MCC reduces, through a direct credit, the borrower's federal income tax liability, thereby increasing the income available to qualify for a mortgage loan.

An MCC can have the effect of raising loan-qualifying limits by 20 percent. The certificate is registered with the IRS, it is not transferable, and it is revoked if the certificate holder moves out of the qualifying home.

The Neighborhood Services Department contracts with AHA Housing, Inc., to administer its MCC Program under a professional services agreement. AHA Housing, Inc., also administers the MCC Program for San Diego, Orange, and Ventura Counties.

A borrower applies for an MCC through AHA Housing, Inc., directly, and chooses one of the participating lenders in the AHA Housing, Inc., database. The lender applies for an MCC on behalf of the borrower and, if qualified, AHA Housing, Inc., reserves an MCC for the borrower. The MCC is issued at close of escrow.

According to federal guidelines, program participation is open to all interested mortgage brokers and lenders. Lenders consider the MCC Program an effective way to increase first-time-buyer business and the program also assists lenders in fulfilling their requirements under the Community Reinvestment Act.

FISCAL IMPACT

CDLAC requires an initial filing fee of \$600. That fee and payments to AHA Housing, Inc. of \$1000 a month to administer the MCC Program, under the professional services agreement, are disbursed from account number 927477300284 (CDC Adm Prgm Dvlp). CDLAC also requires a refundable Performance Deposit, totaling \$5,617 to be held in an internal City-restricted, cash account (284.1020.0004 RCash-Mtg Cr Cert Prog Fees). The Performance Deposit is a requirement of California Government Code Section 8869.84(e) which attempts to ensure that the allocation is used properly.

CDLAC reserves the right to capture the Performance Deposit if the City fails to issue its first certificate within 120 days of the allocation date. However, staff believes that this does not pose a risk to the City as we have issued over 370 certificates to qualified borrowers over the last 21 years.

COMMISSION OR COMMITTEE REPORT

In order to speed the application process to CDLAC, the Housing Commission, on April 25, 2000, unanimously recommended that the CDC approve all subsequent open applications for the MCC program. A copy of the Oceanside Housing Commission Report is attached.
