# DECLARATIONS

(Required per California Health & Safety Code, Section 19825.)

---

## CONTRACTOR

I, hereby affirm under penalty of perjury, that I am licensed under provisions of Chapter 9, commencing with Section 7000, of Division 3, of the Business and Professions Code, and my license is in full force and effect.

---

## OWNER/BUILDER

I, hereby affirm under penalty of perjury, that I am exempt from the Contractor's License Law for the following reason (Sec. 7031.5, Business and Professions Code). Any city or county which requires a permit to construct, alter, improve, demolish, or repair any structure, prior to its issuance also requires the applicant for such permit to file a signed statement that he or she is licensed pursuant to the provisions of the Contractor's License Law (Chapter 9, commencing with Section 7000, of Division 3, of the Business and Professions Code) or that he or she is exempt there from and the basis for the alleged exemption. Any violation of Section 7031.5 by an applicant for a permit subjects the applicant to a civil penalty of not more than five hundred dollars (\$500).

I, as owner of the property, or my employees with wages as their sole compensation, will do the work, and the structure is not intended or offered for sale (Sec. 7044, Business and Professions Code). The Contractor's License law does not apply to an owner of property who builds or improves thereon, and who does such work himself or herself or through his or her own employees, provided that such improvements are not intended or offered for sale. If however, the building or improvement is sold within one year of completion, the owner/builder will have the burden of proving that he or she did not build or improve for the purpose of sale.

I, as owner of the property, am exclusively contracting with licensed contractors to construct the project (Sec. 7044 Business and Professions Code). The Contractor's License law does not apply to an owner of property who builds or improves thereon and who contracts for such projects with a contractor(s) licensed pursuant to the Contractor's Law.

I, as owner of the property, am exempt under Sec. 7031.5, Building and Professions Code, for this reason:
