## Memorandum

To: EDC Commissioners  
From: Michelle Skaggs Lawrence, Deputy City Manager

Subject: **Groundbreaking**

Due to the extension of the due diligence period to September 4, 2013 and, in consultation with Sudberry, the tentative Groundbreaking date has been moved to November 14, 2013 at 3:00 p.m.

Assuming the Planning Commission adopts the Mitigated Negative Declaration and approves the Development Plan for the Temporary Sports Fields at its October 7, 2013 meeting, planning for this event will begin in earnest.

Members of all prior El Corazon planning committees will be invited; staff will work with the Standing Committee.
