From: Property Management
Subject: **PURCHASE AND SALE AGREEMENT WITH KUKULU, INC. FOR CITY-OWNED PROPERTY ON YUCCA ROAD**

SYNOPSIS

Staff recommends that the City Council approve a Purchase and Sale Agreement with Kukulu, Inc. for the sale of City-owned property located on Yucca Road for the purchase price of \$250,000 for residential development; authorize the Mayor to execute the agreement and the grant deed conveying the property; and authorize staff to open escrow and consummate the transaction.

BACKGROUND

The subject property is .74 acres of City-owned real property (Assessor's Parcel No. 165-021-16) located on Yucca Road ("Property"). The Property was originally acquired on August 18, 1952, and had historically been used as the location of a water reservoir. The Property is currently vacant and in an unimproved condition.

In February 2003, the City Council declared the Property as surplus real property no longer needed for public use. In March 2011, the City received a purchase and sale offer for the Property. The proposal prompted the City to release a request for proposal ("RFP") for the purchase and sale of the Property that was due December 2011. The City received three proposals that were below the expected value of the Property, which prompted the City to order an appraisal of the Property. The appraisal confirmed the assumption that the proposals came in under market value, at which point the City elected to decline all proposals.

The City subsequently received two additional unsolicited proposals in 2013 from Bruno Marsalla and Kukulu, Inc. Staff presented the proposals to City Council in closed session. Based on the proposed purchase prices, Kukulu, Inc. ("Buyer") was selected by the City to negotiate an agreement.

The zoning of the Property is Residential Estate District B (REB), which allows 1-3.5 residential units per acre. Notwithstanding the current zoning, the City is restricting development on the Property to one or two residential homes.

ANALYSIS

By entering into a Purchase and Sale Agreement (“Agreement”) with Buyer, the City is in a position to generate revenue from a City-owned parcel of land that has been declared as surplus. Additionally, by selling the Property for residential development, the Property will be put back onto the real property tax rolls.

The essential terms of the Agreement are generally described as follows:

1. The purchase price for the Property is \$250,000.
2. Escrow will open seven calendar days after the Agreement is approved by the City Council and Buyer will be required to place a \$20,000 deposit into escrow, which shall be applied towards the purchase price.
3. Escrow shall close no later than sixty (60) days from the date the Agreement is approved by the City Council.
4. Buyer shall have the right to purchase two 30-day extensions by paying into escrow \$10,000 per extension, which shall be applicable to the purchase price and non-refundable to the Buyer.
5. Development of the Property will also require the following improvements:
 - a. Widening half the width of Yucca Rd., plus an additional 12 feet, together with associated improvements, including the construction of a modified cul-de-sac at the terminus of Yucca Rd.
 - b. Undergrounding of the existing overhead utilities along the frontage on Yucca Rd. and across the Property.
 - c. Extending the existing sewer line in Yucca Rd. to a point where the new sewer lateral serving the Property can connect downstream to a new manhole.
 - d. Replace and upsize the existing waterline along the frontage of Yucca Rd. and along the cul-de-sac to a point where a proposed new fire hydrant is to be constructed.

The improvements above are consistent with those improvements typically associated with the development of the surrounding neighborhood, and more specifically the property owner directly west of the Property.

FISCAL IMPACT

The revenue from the sale of the Property will be \$250,000 less closing costs, estimated to be approximately \$5,000. \$125,000 of the sale proceeds, minus associated closing costs, will be placed in General Fund Account No. 1101.4501.S100768, with the remaining balance of \$125,000, minus associated closing costs, to be placed in the El Corazon Silica Reclamation Account No. 912880500501.4501. The sale of the Property will provide an annual maintenance expense savings to the City by eliminating the weed abatement of the Property. By not having this responsibility in the future, the City would

save about \$1,500 annually. Additionally, the City will receive revenue from real property taxes once the Property is put back on the San Diego County tax rolls.
