SUBJECT: **A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OCEANSIDE DECLARING RESULTS OF MAJORITY PROTEST PROCEEDINGS AND RENEWING THE OCEANSIDE TOURISM MARKETING DISTRICT**

SYNOPSIS

Staff recommends that the City Council adopt a resolution declaring the results of the majority protest proceeding and renewing the Oceanside Tourism Marketing District.

BACKGROUND

The Oceanside Tourism Marketing District (OTMD) is a special benefits district permitted under California law (Property and Business Improvement District Law of 1994, Streets and Highways Code Section 36600 et seq.) in order to provide funding for a collective marketing effort to benefit tourism. On November 20, 2013, 84 percent of the lodging businesses within the City that would pay the proposed 1.5 percent OTMD assessment had petitioned the City to renew the district. That percentage greatly exceeds the 50 percent required by State Law to renew the OTMD. The total proposed annual assessment would be 1.5 percent of the lodging businesses' gross revenue.

The City Council approved Resolution Number 13-R0734-1 (Attachment A) at the November 20, 2013, meeting, which is the Resolution of Intention to renew the Oceanside Tourism Marketing District. State law requires that a public meeting be held to allow the public an opportunity to provide comments prior to the public hearing planned for today's action, to finalize the district. The required public meeting was held on January 8, 2014.

In the proposed OTMD renewal, all Oceanside hotels and vacation rentals subject to TOT would pay 1.5 percent of their gross revenue into the OTMD. The payments would be made to the City of Oceanside at the same time and in the same manner as the TOT is paid. The City would pass through the 1.5 percent to the Visit Oceanside (VO) organization. The City will receive a 1.6 percent fee based upon the total amount of OTMD revenue received estimated at \$10,080. The VO will continue to manage the Oceanside Welcome Center, and plan and execute the Management District Plan (MDP), which is effectively the sales and marketing plan. VO is required to submit an annual report to the City.

The OTMD would be valid for ten years effective April 1, 2015 through March 31, 2025, unless renewed prior to the expiration date. The current OTMD is effective until March 31, 2015. Once per year beginning on the anniversary of the formation of the OTMD, there is a thirty-day period in which lodging businesses paying more than 50 percent of the assessment may submit protests to the City Clerk to terminate the district.

ANALYSIS

A certified mailing was completed on November 25, 2013, (Attachment B) to every lodging business listed in the Management District Plan (Attachment C). The mailing included: a notice of the public meeting and hearing dates concerning the renewal of the OTMD; a description of the assessment on lodging businesses and who would be assessed (Attachment C, Appendix 2); and a copy of the executed Resolution of Intention. Additionally, the notice was posted in the City kiosk, at the California Welcome Center, at MainStreet Oceanside, and at the Oceanside Chamber of Commerce on December 5, 2013.

The lodging business owners had an opportunity in the 91-day period from November 20, 2013, to February 19, 2014, to protest the formation of the District. This is 46 days longer than the minimum legal requirement of 45 days. The protest must be in writing to be counted, and presented to the City Clerk on or before the February 19, 2014, public hearing date. If there is a majority written protest, the OTMD will not be renewed. If there is no majority written protest, the City Council may adopt a resolution renewing the OTMD at the public hearing on February 19, 2014.

	Percent of Total Vote	Percent of Petitions Received	Percent of Protests Received
Hotels Rooms	75.58%	70.73%	0.00%
Vacation Rentals	24.42%	13.45%	0.45%
Total	100.00%	84.18%	0.45%

As of February 10, 2014, three written protests were received by the City Clerk representing two vacation rental units equaling .45 percent of the vote which is less than 1 percent of the total.

FISCAL IMPACT

The VO's revenue projection for the OTMD, based upon fiscal year 2012-13 TOT revenues of \$4.2 million, is approximately \$630,000. The hoteliers and vacation rentals that are subject to the City's TOT ordinance would pay 1.5 percent to the City at the same time and in the same manner as the TOT is paid. The City will receive 1.6 percent or approximately \$10,080 for administering the pass through which will be deposited into account 211010101.4501. The OTMD annual assessment projection

excludes revenue from domestic or international governmental employees on government business, which is the same as the current TOT regulations.

INSURANCE REQUIREMENTS

Does not apply.

COMMISSION OR COMMITTEE REPORT

The Economic Development Commission reviewed the proposal at its December 10, 2013 meeting and unanimously recommended approval with two Commissioners abstaining.

NOTICE OF PUBLIC MEETING AND PUBLIC HEARING CONCERNING THE RENEWAL OF THE OCEANSIDE TOURISM MARKETING DISTRICT AND TO LEVY AN ASSESSMENT ON CERTAIN LODGING BUSINESSES WITHIN THE DISTRICT

NOTICE IS HEREBY GIVEN that on November 20, 2013, the City Council (the "Council ") of the City of Oceanside (the "City ") adopted a Resolution of Intention to renew the Oceanside Tourism Marketing District (the "OTMD") and to levy an assessment on certain lodging businesses within the OTMD as set forth in the attached Resolution of Intention.

NOTICE IS HEREBY FURTHER GIVEN that at 4:00 p.m. on January 8, 2014, at the City of Oceanside Council Chambers located at 300 North Coast Highway, Oceanside, CA 92054, a public meeting shall be held pursuant to Government Code section 54954.6 to allow public testimony regarding the renewal of the OTMD and the levy of assessments therein as set forth in the enclosed Resolution of Intention and pursuant to Government Code section 54954.6.

NOTICE IS HEREBY FURTHER GIVEN that at 5:00 p.m. on February 19, 2014, at the City of Oceanside Council Chambers located at 300 North Coast Highway, Oceanside, CA 92054, has been set as the time and place for a public hearing at which time the City Council proposes to renew the OTMD and to levy the proposed assessment as set forth in the Resolution of Intention.

Boundaries: The proposed OTMD includes all lodging businesses located within the boundaries of the City of Oceanside.

Assessment: The annual assessment rate is one and a half percent (1.5%) of gross short-term room rental revenue. Based on the benefit received, assessments will not be collected on stays of more than thirty (30) consecutive days or on stays by domestic or international government employees on government business. Stays by owners of vacation rentals in their own vacation rentals shall not be subject to assessment.

Budget: The total OTMD annual budget for the initial year of its ten-year operation is anticipated to be approximately \$600,000.00. This budget is expected to fluctuate as room sales do, but is not expected to significantly change over the OTMD's term.

Purpose: The OTMD is designed to provide a specific benefit directly to payors by increasing room night sales. Marketing and sales promotions will increase overnight tourism and market payors as tourist, meeting and event destinations, thereby increasing room night sales.

Collection: The proposed OTMD will have a ten-year life. The OTMD assessment will be implemented beginning April 1, 2015 through March 31, 2025. Once per year beginning on the anniversary of the formation of the district there is a 30-day period in which owners paying more than 50% of the assessment may protest and initiate a City Council hearing on district termination.

Protest: Any owner of a lodging business within the proposed OTMD that will be subject to the assessment may protest the renewal of the OTMD. If written protests are received from the owners of lodging businesses in the proposed OTMD who represent 50 percent (50%) or more of the estimated annual assessments to be levied, the OTMD shall not be renewed and the assessment shall not be imposed.

You may mail a written protest to:

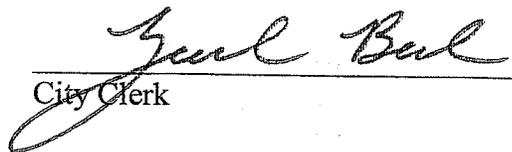

Office of the City Clerk
City of Oceanside
300 North Coast Highway
Oceanside, CA 92054

You may also appear at the public hearing and submit a written protest at that time.

I. OVERVIEW

Developed by Visit Oceanside (VO), the Oceanside Tourism Marketing District (OTMD) is an assessment district proposed to provide special and specific benefits to payors, by funding marketing and sales promotion efforts for assessed businesses. This approach has been used successfully in other destination areas throughout the country to provide the benefit of additional room night sales directly to payors.

- Location:** The proposed OTMD includes all lodging businesses located within the boundaries of the City of Oceanside. As used herein, "lodging business" means any structure or any portion of any structure which is occupied or intended or designed for occupancy by transients for dwelling, lodging or sleeping purposes and includes any hotel, inn, tourist home or house, motel, studio hotel, bachelor hotel, lodginghouse, rooming house, apartment home, dormitory, public or private club, mobile home or house trailer at a fixed location or other similar structure or portion thereof.
- Services:** The OTMD is designed to provide special and specific benefits directly to payors by increasing room night sales. Marketing and sales promotions will increase overnight tourism and market payors as tourist, meeting and event destinations, thereby increasing room night sales.
- Budget:** The total OTMD annual budget for the initial year of its ten-year operation is anticipated to be approximately \$600,000. This budget is expected to fluctuate as room sales do, but is not expected to significantly change over the OTMD's term.
- Cost:** The annual assessment rate is 1.5% of gross short-term (thirty consecutive calendar days or less) room rental revenue. Based on the benefit received, assessments will not be collected on domestic or international government employees on government business. For stays longer than thirty (30) days there shall be no assessment for the thirty-first (31st) day or any day thereafter. Stays by owners of vacation rentals in their own vacation rentals shall not be subject to assessment.
- Duration:** The proposed OTMD will have a ten-year life. The OTMD assessment will be implemented beginning April 1, 2015 through March 31, 2025. Once per year beginning on the anniversary of the formation of the district there is a 30-day period in which owners paying more than 50% of the assessment may protest and initiate a City Council hearing on district termination per Streets and Highways Code section 36670.
- Management:** Visit Oceanside will serve as the OTMD's Owners' Association. The Owners' Association is charged with managing funds and implementing programs in accordance with this Plan, and must provide annual reports to the City Council.

II. SUCCESSES

The OTMD was formed at the request of lodging businesses in March 2010. Since then, the OTMD has successfully provided around \$500,000 each year to support those businesses through visitor attraction programs.

Since the OTMD's creation, lodging businesses have seen an uptick in both occupancy and average daily rates. According to travel research firm Dean Runyan and Associates, in 2008, total taxable room sales were valued at \$30.2M. In 2012, that number had grown by \$8M, to total \$38.2M.

A primary component of the OTMD effort has been funding the California Welcome Center in Oceanside. A visitor profile was conducted in 2012 to measure the Welcome Center's effectiveness; a previous, identical study conducted in 2009 provided a basis for comparison and evaluation.

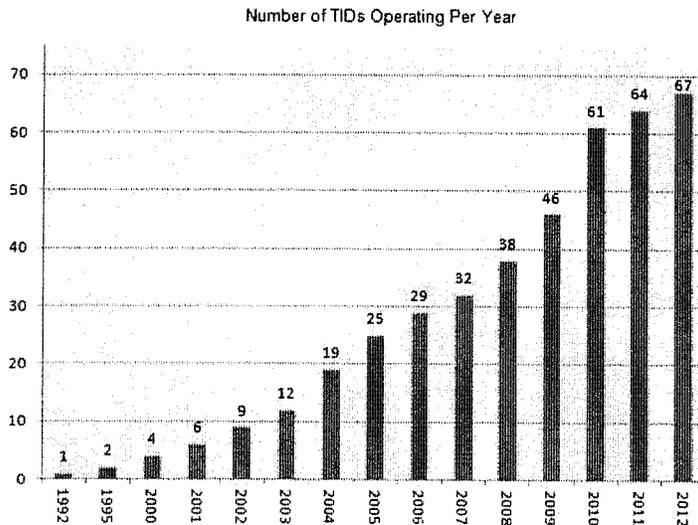

Although the visitor profile only includes visitors who stopped at the Welcome Center, it yielded many positive results indicative of growth in overnight visitation. The visitor profile credits Visit Oceanside's transition to an independent marketing organization, with an improved ability to employ targeted and effective marketing strategies, as one of the reasons for this success.

- Total annual expenditures on lodging grew from \$5.812M in 2009 to \$15.928M in 2012, an increase of 274%.
- In 2012, 82,842 visitors were directly influenced to stay overnight in Oceanside due to materials mailed from or received on-site at the Welcome Center. This is a 27% increase over the 66,270 similar visitors in 2009.
- Trips to Oceanside increased in length from an average of 3.4 days in 2009 to 4.7 days in 2012, a 38% growth.

In order to continue and build further upon these successes, lodging businesses now desire to renew the OTMD for an additional ten-year term.

III. BACKGROUND

TMDs are an evolution of the traditional Business Improvement District. The first TID was formed in West Hollywood, California in 1992. Since then, eighty California destinations have followed suit. In recent years, other states have begun adopting the California model – Washington, Montana, and Texas have adopted TMD laws. Several other states are in the process of adopting their own legislation. And, some cities, like Portland, Oregon, have utilized their charter powers to create TMDs without a state law.

California's TMDs collectively raise over \$150 million for local destination marketing. With competitors raising their budgets, and increasing rivalry for visitor dollars, it is important that the Oceanside lodging businesses continue their investment in stable, lodging-specific marketing programs.

TMDs utilize the efficiencies of private sector operation in the market-based promotion of tourism districts. TMDs allow lodging

business owners to organize their efforts to increase room night sales. Lodging business owners within the TMD pay an assessment and those funds are used to provide services that increase room night sales.

In California, TMDs are formed pursuant to the Property and Improvement District Law of 1994. This law allows for the creation of a special benefit assessment district to raise funds within a specific geographic area. *The key difference between TMDs and other special benefit assessment districts is that funds raised are returned to the private non-profit corporation governing the district.*

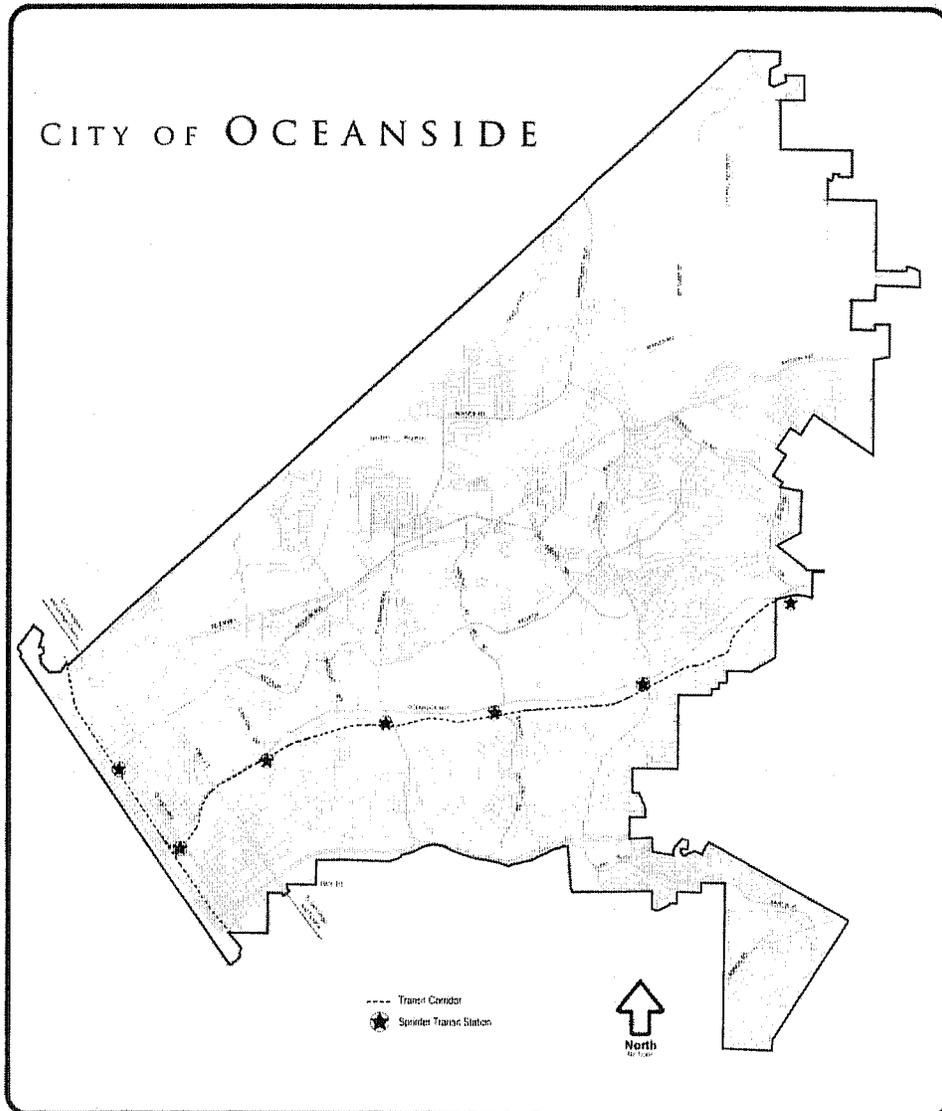

There are many benefits to TMD:

- Funds must be spent on services and improvements that provide a specific and special benefit only to those who pay;
- Funds cannot be diverted to general government programs;
- They are customized to fit the needs of payors in each destination;
- They allow for a wide range of services;
- They are **designed, created and governed by those who will pay** the assessment; and
- They provide a stable funding source for tourism promotion.

IV. BOUNDARY

The OTMD will include all lodging businesses, existing and in the future, available for public occupancy within the boundaries of the City of Oceanside.

The boundary, as shown in the map below, currently includes 515 lodging businesses. A complete listing of lodging businesses within the proposed OTMD can be found in Appendix 2.

V. BUDGET AND SERVICES

A. Annual Service Plan

Assessment funds will be spent to provide specific benefits conferred or privileges granted directly to the payors that are not provided to those not charged, and which do not exceed the reasonable cost to the City of conferring the benefits or grating the privileges. The privileges and services provided with the OTMD funds are sales, marketing, advertising, and promotional programs available only to assessed businesses.

A service plan budget has been developed to deliver services that benefit businesses throughout the District. A detailed annual budget will be developed and approved by the Owners' Association. The table below illustrates the initial annual budget allocations.

Category	Percent of Budget	Dollar Amount
Sales and Marketing	73.4%	\$440,400
Administration	20%	\$120,000
City Collection Costs	1.6%	\$9,600
Contingency/Renewal	5%	\$30,000
Total Annual Budget	100%	\$600,000

Although actual revenues will fluctuate due to market conditions, the proportional allocations of the budget shall remain the same. However, the City and the VO board shall have the authority to adjust budget allocations between the categories by no more than fifteen percent (15%) per year. A description of the proposed improvements and activities for the initial year of operation is below. The same activities are proposed for subsequent years. In the event of a legal challenge against the OTMD assessment, the assessment proceeds may be used for defense of the assessment.

Sales and Marketing

A sales and marketing program will promote assessed businesses as tourist, meeting, and event destinations. The sales and marketing program will have a central theme of promoting Oceanside as a desirable place to visit overnight. The program will have the goal of increasing overnight visitation and room night sales at assessed businesses, and may include the following activities:

- Internet marketing efforts to increase awareness and optimize internet presence;
- Print ads in magazines and newspapers targeted at potential visitors;
- Television ads targeted at potential visitors;
- Radio ads targeted at potential visitors;
- Operation of a visitors center;
- Public relations;
- Attendance of trade shows;
- Sales blitzes;
- Familiarization tours;
- Preparation and production of collateral promotional materials such as brochures, flyers and maps;
- Attendance of professional industry conferences and affiliation events;

- Lead generation activities designed to attract tourists and group events to Oceanside;
- Director of Sales and General Manager meetings to plan and coordinate tourism promotion efforts;
- Education of hospitality staff on service and safety (related to alcohol and food) designed to create a visitor experience that will bring repeat visits; and
- Education of lodging business management and the owners' association on marketing strategies best suited to meet Oceanside's needs.

Administration and Operations

The administrative and operations portion of the budget shall be utilized for administrative staffing costs, office costs, and other general administrative costs such as insurance, legal, and accounting fees.

City Administration Fee

The City of Oceanside shall be paid a fee equal to 1.6% of the amount of assessment collected to cover its costs of collection and administration.

Contingency/Renewal

A prudent portion of the budget will be set aside in a contingency fund, to be used for unforeseeable costs in carrying out the sales and marketing programs. If at the expiration of the district there are contingency funds remaining, and business owners wish to renew the district, the remaining contingency funds may be used for renewal costs.

B. Determination of Specific Benefit

State law requires that assessment funds be expended on specific benefits conferred directly to the payors that are not provided to those not charged, and which do not exceed the reasonable cost to the City of conferring the benefits. The services in this Management District Plan are designed to provide targeted benefits directly to assessed lodging businesses. These services are tailored not to serve the general public, but rather to serve the specific lodging businesses within the District, e.g., the proposed activities are specifically targeted to increase room night sales for assessed lodging businesses within the boundaries of the District, and are narrowly tailored. OTMD funds will be used exclusively to provide the specific benefit of increased room night sales directly to the assesseees. For example, non-assessed businesses will not be featured in OTMD programs and will not receive sales leads from them. The activities paid for from assessment revenues are business services constituting and providing specific benefits to the assessed businesses.

Further, the assessment may be utilized to provide specific government services directly to the payors that are not provided to those not charged, and which do not exceed the reasonable costs to the City of providing the services. The amount of the assessment is no more than necessary to cover the reasonable costs of the proposed activities, and the manner in which the costs are allocated to a business owner bear a fair share or reasonable relationship to the businesses' benefits received from the proposed activities.

District services will be implemented carefully to ensure they do not exceed the reasonable cost of such services. Funds will be managed by the Owners' Association, and reports submitted on an annual basis to the City. Only assessed businesses will be featured in marketing materials, receive sales leads generated from district-funded activities, be featured in advertising campaigns, and

benefit from other district-funded services. Non-assessed businesses will not receive these, nor any other, district-funded services and benefits.

C. Assessment

The annual assessment rate is 1.5% of gross short-term (thirty consecutive calendar days or less) room rental revenue. Based on the benefit received, assessments will not be collected on domestic or international government employees on government business. For stays longer than thirty (30) days there shall be no assessment for the thirty-first (31st) day or any day thereafter. Stays by owners of vacation rentals in their own vacation rentals shall not be subject to assessment.

The term "gross revenue" as used herein includes the following: (1) Any charge for a room, whether the guest uses the room or not; (2) Any charge for additional guests in a room; and (3) Any fee for guaranteeing the availability of a room, whether or not that room is occupied. Gross revenue shall not include any federal, state or local taxes collected, including but not limited to transient occupancy taxes. Any other charges shall be considered gross revenue only in accordance with the local transient occupancy tax.

The amount of assessment, if passed on to each transient, shall be disclosed in advance and separately stated from the amount of rent charged and any other applicable taxes, and each transient shall receive a receipt for payment from the business. The assessment shall not be considered revenue for any purposes, including calculation of transient occupancy taxes.

Bonds will not be issued.

D. Penalties and Interest

1. Original delinquency. Any business which fails to remit any assessment within the time required shall pay a penalty of ten (10) percent of the amount of the assessment in addition to the amount of the assessment.
2. Continued delinquency. Any business which fails to remit any delinquent remittance on or before a period of thirty (30) days following the date on which the remittance first became delinquent shall pay a second delinquency penalty of ten (10) percent of the amount of the assessment in addition to the amount of the assessment and the ten (10) percent penalty first imposed.
3. Fraud. If the city determines that the nonpayment of any remittance is due to fraud, a penalty of twenty-five (25) percent of the amount of the assessment shall be added thereto in addition to the penalties stated in subparagraphs (1) and (2) of this section.
4. Interest. In addition to the penalties imposed, any business which fails to remit any assessment shall pay interest at the rate of one-half (0.5) percent per month or fraction thereof on the amount of the assessment, exclusive of penalties, from the date on which the remittance first became delinquent until paid.
5. Penalties merged with assessment. Every penalty imposed and such interest as accrues under the provisions of this section shall become a part of the assessment required to be paid.

E. Time and Manner for Collecting Assessments

The OTMD assessment will be implemented beginning April 1, 2015 and will continue for ten years through March 31, 2025. The City of Oceanside will be responsible for collecting the assessment on a quarterly basis (including any delinquencies, penalties and interest) from each lodging business located in the boundaries of the OTMD. Assessments shall be collected monthly at the same time as, but in a separate remittance from, transient occupancy tax. The City shall take all reasonable efforts to collect the assessments from each lodging business. The City of Oceanside shall forward the assessments to the Visit Oceanside Corporation (VO) which will have the responsibility of managing the TMD programs as provided in this Management District Plan.

The time and manner for collecting the OTMD assessments shall be in accordance with the City of Oceanside's transient occupancy tax collection procedures. The OTMD assessment shall be collected in the same form and manner as the TOT. Procedures for collection of the OTMD assessment is subject to any changes the City may make in TOT collection procedures.

F. Annual Budget

The total five year improvement and service plan budget is projected at approximately \$600,000 annually, or \$6,000,000 through 2025. This amount may fluctuate as sales and revenue increase at assessed businesses.

VI. GOVERNANCE

A. Owners' Association

The City Council, through adoption of this Management District Plan, has the right, pursuant to Streets and Highways Code §36651, to identify the body that shall implement the proposed program, which shall be the Owners' Association of the OTMD as defined in Streets and Highways Code §36614.5. The City Council has determined that VO will serve as the Owner's Association for the OTMD.

VO's day-to-day operations will be managed by the President/CEO. The President/CEO will report to VO's Board of Directors, which will have ultimate responsibility for VO's operations. The Board will operate according to established Bylaws and this Plan to set policy, manage funds, and execute the VO mission.

The Board of Directors will have between thirteen and seventeen members. The Board will be structured to ensure hotel representatives always have a majority presence; remaining seats will be filled by representatives of Oceanside businesses with an interest in tourism promotion.

VO Board members shall be selected and vacancies shall be filled in accordance with the provisions of the VO Bylaws.

B. Brown Act and California Public Records Act Compliance

An owners' association is a private entity and may not be considered a public entity for any purpose, nor may its board members or staff be considered to be public officials for any purpose. The Owner's Association is, however, subject to government regulations relating to transparency, namely the Ralph M. Brown Act and the California Public Records Act. These regulations are designed to promote public accountability. The Owners' Association is considered a legislative body under the Ralph M. Brown Act (Government Code §54950 et seq.). Thus, meetings of the VO board and certain committees must be held in compliance with the public notice and other requirements of the Brown Act. The Owner's Association is also subject to the record keeping and disclosure requirements of the California Public Records Act.

C. Annual Report

The VO shall present an annual report at the end of each year of operation to the City Council pursuant to Streets and Highways Code §36650 (see Appendix 1).

This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with another business assessment district created pursuant to this part. This part does not prohibit the boundaries of a business assessment district created pursuant to this part to overlap with a property assessment district created pursuant to this part.

(d) The improvements and activities proposed for each year of operation of the district and the maximum cost thereof. If the improvements and activities proposed for each year of operation are the same, a description of the first year's proposed improvements and activities and a statement that the same improvements and activities are proposed for subsequent years shall satisfy the requirements of this subdivision.

(e) The total annual amount proposed to be expended for improvements, maintenance and operations, and debt service in each year of operation of the district. If the assessment is levied on businesses, this amount may be estimated based upon the assessment rate. If the total annual amount proposed to be expended in each year of operation of the district is not significantly different, the amount proposed to be expended in the initial year and a statement that a similar amount applies to subsequent years shall satisfy the requirements of this subdivision.

(f) The proposed source or sources of financing, including the proposed method and basis of levying the assessment in sufficient detail to allow each property or business owner to calculate the amount of the assessment to be levied against his or her property or business. The plan also shall state whether bonds will be issued to finance improvements.

(g) The time and manner of collecting the assessments.

(h) The specific number of years in which assessments will be levied. In a new district, the maximum number of years shall be five. Upon renewal, a district shall have a term not to exceed 10 years. Notwithstanding these limitations, a district created pursuant to this part to finance capital improvements with bonds may levy assessments until the maximum maturity of the bonds. The management district plan may set forth specific increases in assessments for each year of operation of the district.

(i) The proposed time for implementation and completion of the management district plan.

(j) Any proposed rules and regulations to be applicable to the district.

(k) A list of the properties or businesses to be assessed, including the assessor's parcel numbers for properties to be assessed, and a statement of the method or methods by which the expenses of a district will be imposed upon benefited real property or businesses, in proportion to the benefit received by the property or business, to defray the cost thereof, including operation and maintenance. The plan may provide that all or any class or category of real property which is exempt by law from real property taxation may nevertheless be included within the boundaries of the district but shall not be subject to assessment on real property.

(l) Any other item or matter required to be incorporated therein by the city council.

§ 36623. Procedure to levy assessment

(a) If a city council proposes to levy a new or increased property assessment, the notice and protest and hearing procedure shall comply with *Section 53753 of the Government Code*.

(b) If a city council proposes to levy a new or increased business assessment, the notice and protest and hearing procedure shall comply with *Section 54954.6 of the Government Code*, except that notice shall be mailed to the owners of the businesses proposed to be assessed. A protest may be made orally or in writing by any interested person. Every written protest shall be filed with the clerk at or before the time fixed for the public hearing. The city council may waive any irregularity in the form or content of any written protest. A written protest may be withdrawn in writing at any time before the conclusion of the public hearing. Each written protest shall contain a description of the business in which the person subscribing the protest is interested sufficient to identify the business and, if a person subscribing is not shown on the official records of the city as the owner of the business, the protest shall contain or be accompanied by written evidence that the person subscribing is the owner of the business or the authorized representative. A written protest that does not comply with this section shall not be counted in determining a majority protest. If written protests are received from the owners or authorized representatives of businesses in the proposed district that will pay 50 percent or more of the assessments proposed to be levied and protests are not withdrawn so as to reduce the protests to less than 50 percent, no further proceedings to levy the proposed assessment against such businesses, as contained in the resolution of intention, shall be taken for a period of one year from the date of the finding of a majority protest by the city council.

(c) If a city council proposes to conduct a single proceeding to levy both a new or increased property assessment and a new or increased business assessment, the notice and protest and hearing procedure for the property assessment shall comply with subdivision (a), and the notice and protest

and hearing procedure for the business assessment shall comply with subdivision (b). If a majority protest is received from either the property or business owners, that respective portion of the assessment shall not be levied. The remaining portion of the assessment may be levied unless the improvement or other special benefit was proposed to be funded by assessing both property and business owners.

§ 36624. Changes to proposed assessments

At the conclusion of the public hearing to establish the district, the city council may adopt, revise, change, reduce, or modify the proposed assessment or the type or types of improvements and activities to be funded with the revenues from the assessments. Proposed assessments may only be revised by reducing any or all of them. At the public hearing, the city council may only make changes in, to, or from the boundaries of the proposed property and business improvement district that will exclude territory that will not benefit from the proposed improvements or activities. Any modifications, revisions, reductions, or changes to the proposed assessment district shall be reflected in the notice and map recorded pursuant to Section 36627.

§ 36625. Resolution of formation

(a) If the city council, following the public hearing, decides to establish the proposed property and business improvement district, the city council shall adopt a resolution of formation that shall contain all of the following:

(1) A brief description of the proposed activities and improvements, the amount of the proposed assessment, a statement as to whether the assessment will be levied on property, businesses, or both within the district, a statement about whether bonds will be issued, and a description of the exterior boundaries of the proposed district. The descriptions and statements do not need to be detailed and shall be sufficient if they enable an owner to generally identify the nature and extent of the improvements and activities and the location and extent of the proposed district.

(2) The number, date of adoption, and title of the resolution of intention.

(3) The time and place where the public hearing was held concerning the establishment of the district.

(4) A determination regarding any protests received. The city shall not establish the district or levy assessments if a majority protest was received.

(5) A statement that the properties, businesses, or properties and businesses in the district established by the resolution shall be subject to any amendments to this part.

(6) A statement that the improvements and activities to be provided in the district will be funded by the levy of the assessments. The revenue from the levy of assessments within a district shall not be used to provide improvements or activities outside the district or for any purpose other than the purposes specified in the resolution of intention, as modified by the city council at the hearing concerning establishment of the district.

(7) A finding that the property or businesses within the area of the property and business improvement district will be benefited by the improvements and activities funded by the assessments proposed to be levied.

(b) The adoption of the resolution of formation and, if required, recordation of the notice and map pursuant to Section 36627 shall constitute the levy of an assessment in each of the fiscal years referred to in the management district plan.

§ 36626. Resolution establishing district

If the city council, following the public hearing, desires to establish the proposed property and business improvement district, and the city council has not made changes pursuant to Section 36624, or has made changes that do not substantially change the proposed assessment, the city council shall adopt a resolution establishing the district. The resolution shall contain all of the information specified in paragraphs (1) to (8), inclusive, of subdivision (b) of Section 36625, but need not contain information about the preliminary resolution if none has been adopted.

§ 36626.5. [Section repealed 1999.]

§ 36626.6. [Section repealed 1999.]

§ 36626.7. [Section repealed 1999.]

§ 36627. Notice and assessment diagram

Following adoption of the resolution establishing district assessments on properties pursuant to Section 36625 or Section 36626, the clerk of the city shall record a notice and an assessment diagram pursuant to Section 3114. No other provision of Division 4.5 (commencing with Section 3100) applies to an assessment district created pursuant to this part.

§ 36628. Establishment of separate benefit zones within district; Categories of businesses

The city council may establish one or more separate benefit zones within the district based upon the degree of benefit derived from the improvements or activities to be provided within the benefit zone and may impose a different assessment within each benefit zone. If the assessment is to be levied on businesses, the city council may also define categories of businesses based upon the degree of benefit that each will derive from the improvements or activities to be provided within the district and may impose a different assessment or rate of assessment on each category of business, or on each category of business within each zone.

§ 36628.5. Assessments on businesses or property owners

The city council may levy assessments on businesses or on property owners, or a combination of the two, pursuant to this part. The city council shall structure the assessments in whatever manner it determines corresponds with the distribution of benefits from the proposed improvements and activities.

§ 36629. Provisions and procedures applicable to benefit zones and business categories

All provisions of this part applicable to the establishment, modification, or disestablishment of a property and business improvement district apply to the establishment, modification, or disestablishment of benefit zones or categories of business. The city council shall, to establish, modify, or disestablish a benefit zone or category of business, follow the procedure to establish, modify, or disestablish a property and business improvement district.

§ 36630. Expiration of district; Creation of new district

If a property and business improvement district expires due to the time limit set pursuant to subdivision (h) of Section 36622, a new management district plan may be created and a new district established pursuant to this part.

§ 36631. Time and manner of collection of assessments; Delinquent payments

The collection of the assessments levied pursuant to this part shall be made at the time and in the manner set forth by the city council in the resolution levying the assessment. Assessments levied on real property may be collected at the same time and in the same manner as for the ad valorem property tax, and may provide for the same lien priority and penalties for delinquent payment. All delinquent payments for assessments levied pursuant to this part shall be charged interest and penalties.

§ 36632. Assessments to be based on estimated benefit; Classification of real property and businesses; Exclusion of residential and agricultural property

(a) The assessments levied on real property pursuant to this part shall be levied on the basis of the estimated benefit to the real property within the property and business improvement district. The city council may classify properties for purposes of determining the benefit to property of the improvements and activities provided pursuant to this part.

(b) Assessments levied on businesses pursuant to this part shall be levied on the basis of the estimated benefit to the businesses within the property and business improvement district. The city council may classify businesses for purposes of determining the benefit to the businesses of the improvements and activities provided pursuant to this part.

(c) Properties zoned solely for residential use, or that are zoned for agricultural use, are conclusively presumed not to benefit from the improvements and service funded through these assessments, and shall not be subject to any assessment pursuant to this part.

§ 36633. Time for contesting validity of assessment

The validity of an assessment levied under this part shall not be contested in any action or proceeding unless the action or proceeding is commenced within 30 days after the resolution levying the assessment is adopted pursuant to Section 36626. Any appeal from a final judgment in an action or proceeding shall be perfected within 30 days after the entry of judgment.

§ 36634. Service contracts authorized to establish levels of city services

The city council may execute baseline service contracts that would establish levels of city services that would continue after a property and business improvement district has been formed.

§ 36635. Request to modify management district plan

The owners' association may, at any time, request that the city council modify the management district plan. Any modification of the management district plan shall be made pursuant to this chapter.

§ 36636. Modification of plan by resolution after public hearing; Adoption of resolution of intention; Modification of improvements and activities by adoption of resolution after public hearing

(a) Upon the written request of the owners' association, the city council may modify the management district plan after conducting one public hearing on the proposed modifications. The city council may modify the improvements and activities to be funded with the revenue derived from the levy of the assessments by adopting a resolution determining to make the modifications after holding a public hearing on the proposed modifications. If the modification includes the levy of a new or increased assessment, the city council shall comply with Section 36623. Notice of all other public meetings and public hearings pursuant to this section shall comply with both of the following:

(1) The resolution of intention shall be published in a newspaper of general circulation in the city once at least seven days before the public meeting.

(2) A complete copy of the resolution of intention shall be mailed by first class mail, at least 10 days before the public meeting, to each business owner or property owner affected by the proposed modification.

(b) The city council shall adopt a resolution of intention which states the proposed modification prior to the public hearing required by this section. The public hearing shall be held not more than 90 days after the adoption of the resolution of intention.

§ 36637. Reflection of modification in notices recorded and maps

Any subsequent modification of the resolution shall be reflected in subsequent notices and maps recorded pursuant to Division 4.5 (commencing with Section 3100), in a manner consistent with the provisions of Section 36627.

§ 36640. Bonds authorized; Procedure; Restriction on reduction or termination of assessments

(a) The city council may, by resolution, determine and declare that bonds shall be issued to finance the estimated cost of some or all of the proposed improvements described in the resolution of formation adopted pursuant to Section 36625, if the resolution of formation adopted pursuant to that section provides for the issuance of bonds, under the Improvement Bond Act of 1915 (Division 10 (commencing with Section 8500)) or in conjunction with Marks-Roos Local Bond Pooling Act of 1985 (Article 4 (commencing with *Section 6584*) of *Chapter 5 of Division 7 of Title 1 of the Government Code*). Either act, as the case may be, shall govern the proceedings relating to the issuance of bonds, although proceedings under the Bond Act of 1915 may be modified by the city council as necessary to accommodate assessments levied upon business pursuant to this part.

(b) The resolution adopted pursuant to subdivision (a) shall generally describe the proposed improvements specified in the resolution of formation adopted pursuant to Section 36625, set forth the estimated cost of those improvements, specify the number of annual installments and the fiscal years during which they are to be collected. The amount of debt service to retire the bonds shall not exceed the amount of revenue estimated to be raised from assessments over 30 years.

(c) Notwithstanding any other provision of this part, assessments levied to pay the principal and interest on any bond issued pursuant to this section shall not be reduced or terminated if doing so would interfere with the timely retirement of the debt.

§ 36641. [Section repealed 2001.]

§ 36642. [Section repealed 2001.]

§ 36643. [Section repealed 2001.]

§ 36650. Report by owners' association; Approval or modification by city council

(a) The owners' association shall cause to be prepared a report for each fiscal year, except the first year, for which assessments are to be levied and collected to pay the costs of the improvements and activities described in the report. The owners' association's first report shall be due after the first year of operation of the district. The report may propose changes, including, but not limited to, the boundaries of the property and business improvement district or any benefit zones within the district, the basis and method of levying the assessments, and any changes in the classification of property, including any categories of business, if a classification is used.

(b) The report shall be filed with the clerk and shall refer to the property and business improvement district by name, specify the fiscal year to which the report applies, and, with respect to that fiscal year, shall contain all of the following information:

(1) Any proposed changes in the boundaries of the property and business improvement district or in any benefit zones or classification of property or businesses within the district.

(2) The improvements and activities to be provided for that fiscal year.

(3) An estimate of the cost of providing the improvements and the activities for that fiscal year.

(4) The method and basis of levying the assessment in sufficient detail to allow each real property or business owner, as appropriate, to estimate the amount of the assessment to be levied against his or her property or business for that fiscal year.

(5) The amount of any surplus or deficit revenues to be carried over from a previous fiscal year.

(6) The amount of any contributions to be made from sources other than assessments levied pursuant to this part.

(c) The city council may approve the report as filed by the owners' association or may modify any particular contained in the report and approve it as modified. Any modification shall be made pursuant to Sections 36635 and 36636.

The city council shall not approve a change in the basis and method of levying assessments that would impair an authorized or executed contract to be paid from the revenues derived from the levy of assessments, including any commitment to pay principal and interest on any bonds issued on behalf of the district.

§ 36651. Designation of owners' association to provide improvements and activities

The management district plan may, but is not required to, state that an owners' association will provide the improvements or activities described in the management district plan. If the management district plan designates an owners' association, the city shall contract with the designated nonprofit corporation to provide services.

§ 36660. Renewal of district; Transfer or refund of remaining revenues; District term limit

(a) Any district previously established whose term has expired, may be renewed by following the procedures for establishment as provided in this chapter.

(b) Upon renewal, any remaining revenues derived from the levy of assessments, or any revenues derived from the sale of assets acquired with the revenues, shall be transferred to the renewed district. If the renewed district includes additional parcels or businesses not included in the prior district, the remaining revenues shall be spent to benefit only the parcels or businesses in the prior district. If the renewed district does not include parcels or businesses included in the prior

district, the remaining revenues attributable to these parcels shall be refunded to the owners of these parcels or businesses.

(c) Upon renewal, a district shall have a term not to exceed 10 years, or, if the district is authorized to issue bonds, until the maximum maturity of those bonds. There is no requirement that the boundaries, assessments, improvements, or activities of a renewed district be the same as the original or prior district.

§ 36670. Circumstances permitting disestablishment of district; Procedure

(a) Any district established or extended pursuant to the provisions of this part, where there is no indebtedness, outstanding and unpaid, incurred to accomplish any of the purposes of the district, may be disestablished by resolution by the city council in either of the following circumstances:

(1) If the city council finds there has been misappropriation of funds, malfeasance, or a violation of law in connection with the management of the district, it shall notice a hearing on disestablishment.

(2) During the operation of the district, there shall be a 30-day period each year in which assesses may request disestablishment of the district. The first such period shall begin one year after the date of establishment of the district and shall continue for 30 days. The next such 30-day period shall begin two years after the date of the establishment of the district. Each successive year of operation of the district shall have such a 30-day period. Upon the written petition of the owners or authorized representatives of real property or the owners or authorized representatives of businesses in the area who pay 50 percent or more of the assessments levied, the city council shall pass a resolution of intention to disestablish the district. The city council shall notice a hearing on disestablishment.

(b) The city council shall adopt a resolution of intention to disestablish the district prior to the public hearing required by this section. The resolution shall state the reason for the disestablishment, shall state the time and place of the public hearing, and shall contain a proposal to dispose of any assets acquired with the revenues of the assessments levied within the property and business improvement district. The notice of the hearing on disestablishment required by this section shall be given by mail to the property owner of each parcel or to the owner of each business subject to assessment in the district, as appropriate. The city shall conduct the public hearing not less than 30 days after mailing the notice to the property or business owners. The public hearing shall be held not more than 60 days after the adoption of the resolution of intention.

§ 36671. Refund of remaining revenues upon disestablishment or expiration without renewal of district; Calculation of refund; Use of outstanding revenue collected after disestablishment of district

(a) Upon the disestablishment or expiration without renewal of a district, any remaining revenues, after all outstanding debts are paid, derived from the levy of assessments, or derived from the sale of assets acquired with the revenues, or from bond reserve or construction funds, shall be refunded to the owners of the property or businesses then located and operating within the district in which assessments were levied by applying the same method and basis that was used to calculate the assessments levied in the fiscal year in which the district is disestablished or expires. All outstanding assessment revenue collected after disestablishment shall be spent on improvements and activities specified in the management district plan.

(b) If the disestablishment occurs before an assessment is levied for the fiscal year, the method and basis that was used to calculate the assessments levied in the immediate prior fiscal year shall be used to calculate the amount of any refund.

RESOLUTION NO.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF OCEANSIDE DECLARING RESULTS OF MAJORITY PROTEST PROCEEDINGS AND RENEWING THE OCEANSIDE TOURISM MARKETING DISTRICT

WHEREAS, the Property and Business Improvement District Law of 1994 (Streets and Highways Code §36600 et. seq.) authorizes the city to establish business improvement districts upon petition by a weighted majority of the business owners located within the boundaries of the district; and

WHEREAS, lodging business owners who will pay more than fifty percent (50%) of the proposed assessment, as weighted according to the amount of the assessment to be paid by the petitioner, within the boundaries of the Oceanside Tourism Marketing District (“OTMD”) have petitioned the City Council to renew the OTMD; and

WHEREAS, included with the petitions was a Management District Plan summary that describes the proposed assessment to be levied on lodging businesses within the OTMD to pay for sales promotion and marketing activities, and other improvements and activities set forth in the Management District Plan; and

WHEREAS, the assessed lodging businesses within the OTMD will be specifically benefited by the activities and improvements set forth in the Management District Plan; and

WHEREAS, on November 20, 2013 at 4:00 p.m. at the City of Oceanside Council Chambers located at 300 North Coast Highway, Oceanside, CA 92054, the City Council adopted a Resolution of Intention, Resolution No. 13-R0734-1; and

WHEREAS, the public meeting and public hearing to consider the renewal of the OTMD have been properly noticed in accordance with Streets and Highways Code §36623; and

///

1 WHEREAS, on January 8, 2014 at 4:00 p.m. at the City of Oceanside Council Chambers
2 located at 300 North Coast Highway, Oceanside, CA 92054, the City Council held a public
3 meeting regarding the renewal of the OTMD, and the City Council heard and received
4 objections and protests, if any, to the renewal of the OTMD and the levy of the proposed
5 assessment; and

6 WHEREAS, on February 19, 2014 at 5:00 p.m. at the City of Oceanside Council
7 Chambers located at 300 North Coast Highway, Oceanside, CA 92054, the City Council held a
8 public hearing regarding the renewal of the OTMD, and the City Council heard and received all
9 objections and protests, if any, to the renewal of the OTMD and the levy of the proposed
10 assessment; and

11 WHEREAS, the City Clerk has determined that there was no majority protest. A
12 majority protest is defined as written protests received from owners of businesses in the
13 proposed district which would pay fifty percent (50%) or more of the assessments proposed to
14 be levied. Protests are weighted based on the assessment proposed to be levied on each lodging
15 business.

16 NOW, THEREFORE, the City Council of the City of Oceanside does resolve as follows:

17 SECTION 1. The recitals set forth herein are adopted by the City Council as findings
18 and they are true and correct.

19 SECTION 2. The Oceanside Tourism Marketing District is hereby renewed for a 10-
20 year term, beginning April 1, 2015 through March 31, 2025.

21 SECTION 3. The activities to be provided to benefit businesses in the district will be
22 funded by the levy of the assessment. The revenue from the assessment levy shall not be used:
23 to provide activities that directly benefit businesses outside the district; to provide activities or
24 improvements outside the OTMD; or for any purpose other than the purposes specified in this
25 Resolution, the Resolution of Intention, and the Management District Plan.

26 ///

27 ///

28 ///

1 SECTION 4. The City Council finds as follows:

- 2 A) The activities funded by the assessment will provide a special and specific
3 benefit to assessed businesses within the OTMD that is not provided to those
4 not paying the assessment.
- 5 B) The assessment is a charge imposed for a specific benefit (singular benefit)
6 provided directly to the payor that is not provided to those not charged, and
7 which does not exceed the reasonable costs to the local government of
8 providing the specific benefit. Ancillary or other benefits to non-payors may
9 be created in the course of providing the specific benefit to payors, provided
10 that the reasonable cost of providing the specific benefit is not exceeded.
- 11 C) The assessment is a charge imposed for a specific government service
12 (singular service), which has been or is sometimes provided by the
13 government, which is provided directly to the payor, and which does not
14 exceed the reasonable costs to the local government of providing the specific
15 government service. The government may provide the same or similar service
16 to others, provided that assessment funds may only be used to provide that
17 service to the payors. Government services may include services that
18 governments have provided in the past, including, but not limited to, safety,
19 maintenance, landscaping, marketing, events, constructing capital
20 improvements, and promotions.
- 21 D) Assessments imposed pursuant to the OTMD are levied solely upon the
22 assessed business, and the business owner is solely responsible for payment of
23 the assessment when due. If the owner chooses to collect any portion of the
24 assessment, up to and not to exceed the rate applicable to the business, from a
25 transient, that portion shall be specifically called out and identified for the
26 transient in any and all communications from the business owner as the
27 "OTMD Assessment."

28 ///

1 SECTION 5. The assessments levied for the OTMD shall be applied towards marketing
2 and sales promotions provided directly to and focused entirely on assessed businesses.
3 Activities are designed to provide specific benefits to assessed businesses by increasing
4 overnight room sales at assessed businesses, and by marketing assessed Oceanside
5 lodging businesses as tourist, meeting, and event destinations as set forth in the
6 Management District Plan.

7 SECTION 6. Assessments levied on lodging businesses pursuant to this resolution shall
8 be levied on the basis of benefit. Because the services provided are intended to increase
9 room rentals, an assessment based on room rentals is the best measure of benefit.

10 SECTION 7. The assessments for the entire District will total approximately
11 \$600,000.00 in year one. This budget is expected to fluctuate as room sales do, but is
12 not expected to significantly change over the OTMD's term.

13 SECTION 8. Bonds will not be issued to fund the OTMD.

14 SECTION 9. The boundaries of the OTMD shall be the boundaries of the City of
15 Oceanside. A boundary map is attached hereto and incorporated herein by reference.

16 SECTION 10. The assessments shall be used for the purposes set forth above and any
17 funds remaining at the end of any year may be used in subsequent years in which the
18 OTMD assessment is levied as long as they are used consistent with the requirements set
19 forth herein.

20 SECTION 11. The assessments to fund the activities and improvements for the OTMD
