Request to add to 2 Commissioners to the El Corazon Standing Committee

As you recall, the EDC previously appointed a standing El Corazon Committee. At the time of appointment, four commissioners were assigned to the standing committee: Commissioners Schorder, Kassleman, LaBounty and LaGrange. Since the original establishment, two commissioners – LaGrange and LaBounty – have resigned. Staff is recommending that the EDC assign two new commissioners to take the place of former commissioners LaGrange and LaBounty.
