

North County Earth Month 2014

# Create to Educate Performance Art Contest

## Earth Month

is a month full of FREE events sponsored by the City of Oceanside and North County community partners. The Green Oceanside campaign is dedicated to teaching residents and local businesses how to be better stewards of the earth by recycling, reducing waste, composting, using water efficiently and preventing water pollution and litter.

Road to **ZERO** Waste

## Write, Perform and Win!

**Oceanside Students 1st through 12th grades** are invited to compose a song, rap, sketch, dramatic skit, poem or spoken word piece that entertains and educates on one or more of the topics listed below. *Get creative!!* Inspire people and build awareness on how we can positively make a change to help the environment.

- **Reduce, Reuse, Recycle and/or Zero Waste**
- **Preserving Natural Resources**
- **Preventing Ocean and Water Pollution**
- **Water Conservation**
- **Renewable Energy and/or Energy Conservation**
- **Environmental Stewardship**

In partnership with the City of Oceanside, Coastal Music Studios will be producing this exciting Contest and Performance Showcase.

**Write** Create an original composition incorporating one or more of the above topics to help promote environmental awareness. Compositions should fall into one of these categories:

- Song or rap
- Sketch or dramatic skit
- Poem or spoken word

All entries must include the following:

- Official entry form
- Video of you performing your original composition (video/audio quality is not judged, smartphone audio/video is acceptable)
- Typed/printed sheet of the original lyrics, text or script

**The deadline to submit the entry form, video and lyric/text/script is Friday, April 18, 2014, by 5 p.m.**

**Perform** All submissions will be reviewed and evaluated by the Judging Panel. The top entries will receive an invitation to perform at the Create to Educate Performance Showcase on Friday, April 25 at the historic STAR Theatre in Downtown Oceanside. This event is free and guests are encouraged to attend!

**Win** There will be three winners in each age group from the performers at the Create to Educate Performance Showcase. A PROFESSIONALLY PRODUCED VIDEO SHOWN IN LOCAL MOVIE THEATERS WILL BE AWARDED TO GRADE PRIZE WINNERS. Entries will be judged on the performer's composition, creativity, educational component and how clearly the topic is conveyed. These winners will receive prizes and be invited to perform at the Earth Festival on Sunday, April 27.
