

Teen Volunteers!

The Library is recruiting Teen Partners to help with the Summer Reading programming at the Library. If you have a teen at home who's looking for something to do, why not volunteer at the library? The Library accepts teens from ages 14-18 years old to volunteer. Teen Partners help with preparing for children's crafts, assisting during library programs, as well as helping to shelve materials. Applications can be downloaded from the Library's web-site: <http://www.ci.oceanside.ca.us/gov/lib/teens/partners.asp>, or pick up an application at the Library. For more information, please call Franklin Escobedo, Principal Librarian Teen Services at 760-435-5577.

Children's Summer Reading Program

Fizz, Boom, READ!

The Oceanside Public Library invites families to kick off the annual children's summer reading program with two special events: On Thursday, June 5, at 2:00 PM, *Mad Science* will present "Wild About Science" at the Civic Center Library, 330

North Coast Highway. On Friday, June 6, at 11:00 AM, *Bubble Mania & Company* will present an interactive bubble show at the Mission Branch Library, 3861-B Mission Avenue. These events are free and for children of all ages. This year's science theme, titled "Fizz, Boom, READ!," encourages students to keep up both their reading and science skills while on break from school. Children ages 0-12 earn prizes for reading, or being read to, and enjoy free, fun reading- and science-themed activities at the library throughout the summer. The summer reading program helps children maintain or improve their reading levels and fosters a lifelong love of learning and reading. Children can sign up online on the library's website or in the library starting Thursday, June 5, 2014. For more information, please call (760) 435-5600 or visit the library's website at

www.oceansidepubliclibrary.org. [Kick-Off Events](#) [Summer Events](#)

Teen Summer Reading

June 5—August 9

Teens, you've heard it all before—reading's good for you! But this summer you'll be helping our animal friends! For every book, audio book, or magazine you read, you can help raise money for the Humane Society here in Oceanside!

For every book read and reviewed, a donation of \$1 will be made to: San Diego Humane Society & SPCA North Campus
Sponsored by G. G. Greene Enterprises

The San Diego Humane Society & SPCA, North Campus, located here in Oceanside, is committed to rescuing and finding good homes for cats, dogs, and other animals! The San Diego Humane Society is also responsible for sheltering and adopting animals, investigating animal cruelty and neglect, rescuing animals in emergency situations, positive reinforcement behavior training through public training classes providing adult and youth education programs, sharing animals through pet-assisted therapy and more. In Oceanside and Vista, the San Diego Humane Society North Campus provides animal control and stray pet services for the city.

**So grab a book
and start reading!**

Learn How to Download eBooks!

The Oceanside Public Library is offering classes on how to download FREE eBooks to your eReader!

iPad Classes:

Saturday, June 14, 2014 at 4 p.m. @ CCL
