SUPPORT FOR SMALL BUSINESSES - ETP SERVES SMALL EMPLOYERS:

1. Direct contracts with single employers.
2. Multiple Employer Contracts (MECs) with employer consortia, joint apprenticeship training councils, trade associations, and training agencies that train workers of multiple employers.

Current key efforts in serving small businesses include:

- Small Business Program (SBP) -- To facilitate direct small business contracts, SBP provides up to \$75,000 in training cost reimbursements for small businesses with 100 or fewer workers.
- MEC Entrepreneurial Training -- ETP funds entrepreneurial training for small businesses owners, equipping them with the tools necessary to successfully run their business.
- Fast Track Process -- Both the SBP and Small Business Owner Training programs provide a fast track process that simplifies and expedites the contract process for these employers.
- On-Site MEC Training for Small Business -- Recognizing the specialized effectiveness of on-site training, the Panel provides higher training reimbursement rates for MEC training that is provided directly at the worksite of employers with 100 or fewer employees.
- Training Opportunities with a MEC -- A Small Business can also participate in a standard MEC, and thereby reduce the cost of administration.

PROGRAM PARAMETERS	CDC operates as direct lender utilizing funds borrowed from the SBA. This program is available to businesses that do not qualify for bank financing. Business owners receive business counseling post funding.	CDC collaborates with a bank partner and operates as an intermediary to assist business owners throughout loan process. Collateral is not a criteria for loan approval. 10% capital injection is required for businesses in operation less than 24 months. Loan funds cannot be used for business acquisitions, tenant improvements, or for refinancing existing debt.	A for-profit subsidiary of CDC lends funds pooled by banks located within San Diego County. This program is available to businesses that do not qualify for SBA or bank financing. Open to businesses that: <ul style="list-style-type: none"> • Are located in low to moderate income areas (LMI) or • Employ individuals from LMI areas or • Provide services to LMI populations. 	CDC operates as a direct lender utilizing the SBA's loan guarantee program. This program is available to businesses that do not qualify for bank financing. The SBA guarantee allows the CDC to make loans that would not otherwise be made due to risk.	CDC packages loans for qualified business owners to assist in obtaining financing. CDC loan officers utilize their expertise and strong industry relationships to package loans and assist business owners in finding a lender willing to finance the request. Business owners benefit by saving time, receiving fewer inquiries on their credit report, and tapping into CDC's strong network of lenders.

Services are provided on a non-discriminatory basis.

 Phone: 760-435-5800
https://www.ci.oceanside.ca.us/gov/water/services_programs/clean/biz/default.asp

EMPLOYEE TRAINING ON PRACTICES TO PREVENT STORM WATER POLLUTION

Commercial businesses must annually conduct a storm water pollution prevention training that focuses on employee responsibility for creating, managing, and updating “Best Management Practices” that prevent storm water pollution. The City of Oceanside offers literature for certain types of commercial businesses to help train employees.

How to Comply with Stormwater Rules: Hazardous materials must be stored off the ground and covered with an impervious surface (e.g. roof, tarp, etc.).

Materials and equipment needed for spill response must be maintained and readily accessible. Employees who handle hazardous wastes must be trained in the use of such materials and equipment.

EL CORAZON COMPOST FACILITY

3300 1/2 Oceanside Blvd.
760-439-9920
www.agrismerviceinc.com

Agri Service provides recycling services and operates full service compost facilities in Southern California. Working with local and state government agencies, the Agri Service team develops green waste facilities to meet the needs of communities, professional growers and hobbyist gardeners. They have over 30 years of experience in soil science and plant nutrition and 15 years of experience with urban organic recycling, permitting and regulatory compliance. The team's combined experience allows them to assist cities and counties in managing and reducing their waste flow in an environmentally and economically sound manner.

The flagship operation is the public-private partnership of Oceanside's El Corazon Compost Facility, started in 1995. By balancing incoming material flow with outgoing sales of mulch and soil amendment products, El Corazon has processed over 1 million tons of green waste, creating high quality soil amendments, mulch, and potting mixes for use in Oceanside and the surrounding communities. They also provide educational and outreach programs to the community and create competitive living-wage jobs.

SAN DIEGO COUNTY HAZMAT REGULATIONS

Compliance inspections are conducted on a routine basis and focus on five general areas:

1. Site Inspection:
 - Observe hazardous materials and waste management, including containment, storage, labeling, treatment, and waste disposal procedures.
 - Observe the operation and management of underground storage tanks.
 - Review emergency equipment, spill control, and reporting procedures.
 - Review the quantities of hazardous materials that are handled or stored onsite in discloseable quantities.
 - Review the current Unified Program Facility Permit.
2. Hazardous Materials Business Plan or Contingency Plan: A review of hazardous materials inventory, facility site maps, emergency contacts, emergency response procedures, emergency equipment and employee training plans.
3. Employee Training Program Documentation: A review of written records for the hazardous materials training program.
4. Disposal Documentation for hazardous wastes generated onsite: A review of the uniform hazardous waste manifests, bills of lading and receipts that document proper disposal of hazardous wastes generated at your facility.
5. Underground Storage Tank (UST) monitoring records to include at a minimum:
 - Records of testing, certifications and maintenance performed on the leak detection equipment and UST system
 - Monitoring Plan, Emergency Response Plan, and Monitoring Plot Plan
 - Certification of Financial Responsibility
 - UST Operating Permit

Small business disposal options are available if you qualify as a Conditionally Exempt Small Quantity Generator (CESQG). This service provides affordable, safe, legal, and convenient disposal of hazardous waste for businesses that generate:

Less than 27 gallons, or 220 pounds, of hazardous waste per month.

Less than 1 quart, or 2.2 pounds, of acute hazardous waste per month.

North County Transit District's services are a vital part of San Diego's regional transportation network. NCTD moves more than 12 million passengers annually by providing public transportation for North San Diego County. The family of transit services includes:

- The BREEZE bus system
- The COASTER commuter rail service to Downtown San Diego
- The SPRINTER light rail line
- LIFT Paratransit
- METROLINK commuter rail service to Los Angeles area
- AMTRAK passenger rail service to more than 500 destinations throughout the United States

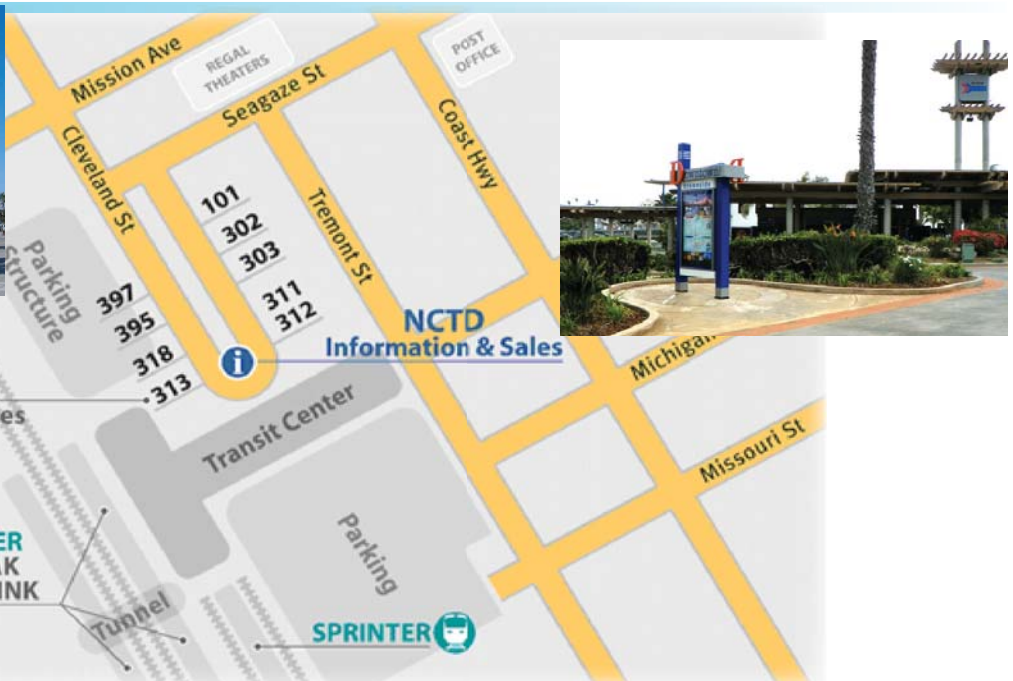

TRANSIT STATION STAFFED HOURS: 6:30 a.m. to 10:30 p.m.
Restrooms, Pay Phones, Burger King, and Baggage Service

Free parking is available at this station (surface lot or parking garage). Parking is available free of charge at all stations except downtown San Diego at Santa Fe Depot, where metered parking is available.

At the Oceanside Transit Center, a new 450-space parking structure opened in 2006. This transit center has more than 1200 spaces total. Overnight parking is allowed for up to 72 at the Oceanside Transit Center, but not in the new parking structure. Long term parking in Oceanside (exceeding 72 hours and up to 2 weeks) requires a Parking Permit that may be obtained onsite from roving NCTD security officers.

At the other stations overnight parking is allowed (except at Old Town) for up to 24 hours only, no long term parking is allowed. Vehicles appearing to be abandoned are subject to tow.

Drivers leave autos at COASTER stations and transit centers "at their own risk." NCTD is not responsible for vandalism or theft. Report of vehicle theft or vandalism should be directed to local Police or Sheriff.
