

DATE: March 4, 2015
TO: Honorable Mayor and City Councilmembers
FROM: Property Management
SUBJECT: **AMENDMENT 1 TO THE ENCROACHMENT PERMIT AGREEMENT WITH T-MOBILE USA, INC. FOR TELECOMMUNICATIONS FACILITIES**

SYNOPSIS

Staff recommends that the City Council approve Amendment 1 to the Encroachment Permit Agreement with T-Mobile USA, Inc. to encroach upon a portion of the rights-of-way located at 592 ½ Vandegrift Boulevard for telecommunications facilities, extending the term of the agreement retroactively from April 1, 2014 to March 31, 2019, with minimum revenue to the City in the amount of \$88,800 during the five-year term; and authorize the City Manager to execute the amendment.

BACKGROUND

Pacific Bell Wireless, LLC dba Cingular Wireless ("Cingular"), originally entered into an Encroachment Permit Agreement ("Agreement") with the City of Oceanside on March 17, 2004, to encroach upon a portion of the rights-of-way located at 592 ½ Vandegrift Boulevard ("Premises") for telecommunications facilities. The original term of the Agreement expired March 31, 2014. T-Mobile USA, Inc. ("T-Mobile") purchased Cingular Assets in 2005 and T-Mobile is now the Permittee under the Agreement.

ANALYSIS

The proposed amendment to the Agreement ("Amendment") extends the term of the Agreement an additional five years for the continued use of the Premises by T-Mobile as telecommunication facilities. The continued use by T-Mobile will provide continued revenue to the City. The City has the authority to manage and to require fair and reasonable compensation from telecommunications providers within City rights-of-way on a competitively neutral and nondiscriminatory basis.

FISCAL IMPACT

The Amendment requires annual payments of \$17,760 during the five-year extension period. The annual payments are subject to adjustment based on annual increases, if any, in the Consumer Price Index ("CPI") during the five-year extension period. It is anticipated that the five-year extension of the term of the Agreement through March 31, 2019, assuming no CPI increases, would generate a minimum of \$88,800. However,

this amount could be higher depending on the increase in the CPI over said five-year period. Payments received under the Agreement will be deposited to the City's General Fund revenue account 1101.4351.0005.

COMMISSION OR COMMITTEE REPORT

Does not apply.

INSURANCE REQUIREMENTS

T-Mobile will be required to maintain the City's standard insurance requirements over the term of the Agreement.
