

STAFF REPORT**CITY OF OCEANSIDE**

DATE: April 1, 2015

TO: Chairman and Members of the Community Development Commission

FROM: Neighborhood Services Department

SUBJECT: **RESOLUTION APPROVING THE ANNUAL AND FIVE-YEAR PUBLIC HOUSING AGENCY (PHA) PLANS**

SYNOPSIS

Staff recommends that the Community Development Commission (CDC) adopt a resolution approving the 2015-2016 Annual and 2015-2020 Five-Year Public Housing Agency (PHA) Plans and authorize the CDC Chairman to submit the plan to the Department of Housing and Urban Development (HUD) with the inclusion of changes made to the PHA Plans as a result of public comments, and execute all related documents.

BACKGROUND

The CDC currently administers the Section 8 Housing Choice Voucher (HCV) Program; the program provides rental assistance benefits to approximately 1,600 low-income Oceanside households.

HUD established a requirement for PHAs to submit PHA plans beginning in Federal Fiscal Year 2000. Housing Authorities have flexibility and discretion to use federal funding to address the needs of low-income families. The PHA Plan is Congress's way of ensuring that the PHA is accountable to the local community for choices it makes with this flexibility. PHAs are required to submit both a five-year plan, outlining the agency's mission and goals, and a one-year plan highlighting the agency's operations, programs and services. This plan is the Annual Plan for 2015-2016 and the Five-year Plan for 2015-2020. Housing authorities that operate HCV Programs are permitted to submit streamlined plans; limited information must be submitted to HUD and other information must be available for public review.

ANALYSIS

Federal regulations require that a Resident Advisory Board (RAB) participate in the planning process and assist and make recommendations regarding the PHA Plan. Five voucher participants volunteered to serve on the RAB, which met on December 16, 2014 and January 28, 2015. PHAs are required to consider the RAB's recommendations to the Plan, but are not required to agree with them. Any comments

submitted by the RAB will be addressed in the Annual Plan submitted to HUD. No recommendations have been received as of March 4, 2015.

PHAs are required to conduct a Public Hearing after a 45-day comment period that was advertised in the San Diego Union Tribune. The draft Plan has been made available for review at the Neighborhood Services Department offices and on the City's website.

The PHA's goals and objectives are identified on page one, (Section 5.2) of the plan. The primary goal of the program is to assist as many households as possible with the funding provided. The HA was awarded 12 new vouchers effective October 1, 2014, as the result of a property owner deciding to terminate his project-based contract with HUD.

The PHA Plan elements that have been revised since the last Annual Plan submissions are addressed on page one (Section 6) of the plan. A new preference for admission has been added for homeless veteran families (including single persons) and chronically homeless persons. A maximum of 30 applicant households may qualify for this preference.

FISCAL IMPACT

Funding for the Section 8 HCV Program is appropriated on a calendar year basis. HUD has notified the CDC that funding for Housing Assistance Payments for Calendar Year 2015 will be \$13,479,781. This amount along with projected administrative funding and reserve funds is expected to be sufficient to cover program expenses, including providing rental assistance benefits to all currently assisted program participants.

COMMISSION OR COMMITTEE REPORT

At its February 24, 2015 meeting, staff reviewed the PHA plans with the Housing Commission; no vote was taken as there was not a quorum.

CITY ATTORNEY'S ANALYSIS

The referenced documents have been reviewed by the City Attorney and approved as to form.

RECOMMENDATION

Staff recommends that the Community Development Commission (CDC) adopt a resolution approving the 2015-2016 Annual and 2015-2020 Five-Year Public Housing Agency (PHA) Plans and authorize the CDC Chairman to submit the plans to the Department of Housing and Urban Development (HUD) with the inclusion of changes made to the PHA Plans as a result of public comments, and execute all related documents.

8.2	Capital Fund Program Five-Year Action Plan. As part of the submission of the Annual Plan, PHAs must complete and submit the <i>Capital Fund Program Five-Year Action Plan</i> , form HUD-50075.2, and subsequent annual updates (on a rolling basis, e.g., drop current year, and add latest year for a five year period). Large capital items must be included in the Five-Year Action Plan.
8.3	Capital Fund Financing Program (CFFP). <input type="checkbox"/> Check if the PHA proposes to use any portion of its Capital Fund Program (CFP)/Replacement Housing Factor (RHF) to repay debt incurred to finance capital improvements.
9.0	Housing Needs. Based on information provided by the applicable Consolidated Plan, information provided by HUD, and other generally available data, make a reasonable effort to identify the housing needs of the low-income, very low-income, and extremely low-income families who reside in the jurisdiction served by the PHA, including elderly families, families with disabilities, and households of various races and ethnic groups, and other families who are on the public housing and Section 8 tenant-based assistance waiting lists. The identification of housing needs must address issues of affordability, supply, quality, accessibility, size of units, and location. There are currently more than 6,600 households on the waiting list. The average wait for assistance for applicants with the highest priority (live or work in Oceanside and family, elderly and/or disabled) is currently approximately seven years.
9.1	Strategy for Addressing Housing Needs. Provide a brief description of the PHA's strategy for addressing the housing needs of families in the jurisdiction and on the waiting list in the upcoming year. 10.0	Additional Information. Describe the following, as well as any additional information HUD has requested. (a) Progress in Meeting Mission and Goals. Provide a brief statement of the PHA's progress in meeting the mission and goals described in the 5-Year Plan. See Attachment (b) Significant Amendment and Substantial Deviation/Modification. CITY OF OCEANSIDE PHA PLAN JULY 2010- JUNE 2015

REPORT ON PROGRESS IN MEETING GOALS FROM THE PREVIOUS PHA PLAN 2010-2015

HUD Strategic Goal: Increase the supply of assisted housing

PHA Goal: Expand the supply of assisted housing

Objective: Apply for additional rental vouchers

HUD funding was significantly reduced during the five-year period. The PHA awarded 48 new Family Unification Program vouchers in 2011. Congress did not allocate funding for regular vouchers during this period. In addition, the Housing Authority was awarded 12 Tenant Protection vouchers that were effective October 1, 2014. The property owner opted out of a HUD Project-Based Contract. The Housing Authority was awarded vouchers to assist the tenants residing in the project.

PHA Goal: Improve the quality of assisted housing

Objective: Improve voucher management (SEMAP score): Maintain High Performer status

SEMAP ratings were as follows annually:

2009-10	High Performer	2010-11	High Performer	2013-14	Standard Performer
2011-12	High Performer	2012-13	High Performer		

HUD Strategic Goal: Promote self-sufficiency and asset development of families and children:

PHA Goal: Promote self-sufficiency and asset development of assisted families

Objectives: Assist 100 HCV households with the FSS Program.

The FSS Program was reduced from 100 to 50 participants effective January 1, 2014. The program size was reduced primarily due to the lack of funding provided by HUD for staffing. The funding only provides approximately 70 percent of the costs for the FSS Coordinator including salary, benefits and overhead expenses.

The OHA shall provide written information about community resources to new participants at briefings and in the Housing Authority lobby. Information shall be provided regarding community social service agencies, utility programs for low-income households and recycling information.

This goal has been achieved.

Board Resolution to Accompany the PHA 5-Year and Annual PHA Plan**

Acting on behalf of the Board of Commissioners of the Public Housing Agency (PHA) listed below, as its Chairman or other authorized PHA official if there is no Board of Commissioners, I approve the submission of the 5-Year and Annual PHA Plan for the PHA fiscal year beginning July 1, 2015, hereinafter referred to as "the Plan", of which this document is a part and make the following certifications and agreements with the Department of Housing and Urban Development (HUD) in connection with the submission of the Plan and implementation thereof:

1. The Plan is consistent with the applicable comprehensive housing affordability strategy (or any plan incorporating such strategy) for the jurisdiction in which the PHA is located.
2. The Plan contains a certification by the appropriate State or local officials that the Plan is consistent with the applicable Consolidated Plan, which includes a certification that requires the preparation of an Analysis of Impediments to Fair Housing Choice, for the PHA's jurisdiction and a description of the manner in which the PHA Plan is consistent with the applicable Consolidated Plan.
3. The PHA certifies that there has been no change, significant or otherwise, to the Capital Fund Program (and Capital Fund Program/Replacement Housing Factor) Annual Statement(s), since submission of its last approved Annual Plan. The Capital Fund Program Annual Statement/Annual Statement/Performance and Evaluation Report must be submitted annually even if there is no change.
4. The PHA has established a Resident Advisory Board or Boards, the membership of which represents the residents assisted by the PHA, consulted with this Board or Boards in developing the Plan, and considered the recommendations of the Board or Boards (24 CFR 903.13). The PHA has included in the Plan submission a copy of the recommendations made by the Resident Advisory Board or Boards and a description of the manner in which the Plan addresses these recommendations.
5. The PHA made the proposed Plan and all information relevant to the public hearing available for public inspection at least 45 days before the hearing, published a notice that a hearing would be held and conducted a hearing to discuss the Plan and invited public comment.
6. The PHA certifies that it will carry out the Plan in conformity with Title VI of the Civil Rights Act of 1964, the Fair Housing Act, section 504 of the Rehabilitation Act of 1973, and title II of the Americans with Disabilities Act of 1990.
7. The PHA will affirmatively further fair housing by examining their programs or proposed programs, identify any impediments to fair housing choice within those programs, address those impediments in a reasonable fashion in view of the resources available and work with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement and maintain records reflecting these analyses and actions.
8. For PHA Plan that includes a policy for site based waiting lists:
 - The PHA regularly submits required data to HUD's 50058 PIC/IMS Module in an accurate, complete and timely manner (as specified in PIH Notice 2006-24);
 - The system of site-based waiting lists provides for full disclosure to each applicant in the selection of the development in which to reside, including basic information about available sites; and an estimate of the period of time the applicant would likely have to wait to be admitted to units of different sizes and types at each site;
 - Adoption of site-based waiting list would not violate any court order or settlement agreement or be inconsistent with a pending complaint brought by HUD;
 - The PHA shall take reasonable measures to assure that such waiting list is consistent with affirmatively furthering fair housing;
 - The PHA provides for review of its site-based waiting list policy to determine if it is consistent with civil rights laws and certifications, as specified in 24 CFR part 903.7(c)(1).
9. The PHA will comply with the prohibitions against discrimination on the basis of age pursuant to the Age Discrimination Act of 1975.
10. The PHA will comply with the Architectural Barriers Act of 1968 and 24 CFR Part 41, Policies and Procedures for the Enforcement of Standards and Requirements for Accessibility by the Physically Handicapped.

VIOLENCE AGAINST WOMEN ACT (VAWA) ATTACHMENT TO ANNUAL PHA PLAN FOR 2015-16

The City of Oceanside Community Development Commission (CDC), the Housing Authority, complies with VAWA and has advised staff of outside resources available to child and adult victims of domestic violence, dating violence, sexual assault or stalking. Staff has been directed to provide referrals to outside agencies that provide such services, including the Women's Resource Center, which is located in Oceanside and provides domestic violence services in the Housing Authority service area.

The PHA provides information about VAWA to new voucher participants at the program briefing. In addition, information about VAWA is available in the PHA lobby and on the PHA website. All PHA staff has been trained about VAWA and provide information about VAWA rights and domestic violence resources to participants when notified that domestic violence is occurring in an assisted household.
