CITY OF OCEANSIDE

Deputy Fire Chief *(Continued)*

Ability to:

- Plan, organize, assign, coordinate, direct and evaluate the work of others in a modern municipal fire department;
- Provide professional leadership and participate as an effective member of the management team;
- Properly interpret laws, regulations, ordinances, codes and policies in decision making process;
- Prepare and present clear and concise reports to the City Council, Commissions, and community groups;
- Demonstrate an awareness and appreciation of the diversity of the community;
- Work well under pressure to meet deadlines;
- Supervise, as necessary, the management of major fires or disasters;
- Assist in the development and administration of long- range programs; and
- Exercise sound judgment, tact, resourcefulness, and leadership in handling the administration of departmental personnel and in dealing with City officials, other government agencies, the public and the media.

Experience and Training

Experience: Eight years of increasingly responsible experience performing major operational and administrative functions in an organized paid municipal Fire Department, including at least three years at the level of Battalion Chief with the City of Oceanside.

Training and Education: A Bachelor's degree from an accredited college or university in Fire Science, Fire Administration, Public Administration, or a related field is required.

License/Certificates: Possession of a valid California driver's license. Must maintain a valid California driver's license as a condition of continued employment. Chief Officer Certificate is highly desirable.

WORKING CONDITIONS

Environmental Conditions: May be called upon to participate in firefighting activities or respond to an emergency situation. Primary working condition is an office environment.

Physical Conditions: Essential and marginal functions may require maintaining physical condition necessary for arduous work, moderate or light lifting, and for sitting or standing for prolonged periods of time.
