**NOTICE**

**VOTING IS A VERY IMPORTANT RIGHT**

TO ALL OCEANSIDE REGISTERED VOTERS:

Thank you for being a voter and for your interest in the democratic process we are so fortunate to have. We now need your participation and your vote. Don't let a small percentage select the choices for our city. We need all your votes.

If you cannot get to your polling place on Election Day—Tuesday, December 8, you still have time to send in your request to vote by mail. It takes the worry out of trying to get to the polling place (if your Tuesday will be hectic).

If you have the time to vote at your polling place on Election Day, please review your sample ballot pamphlet for your polling place location for this election. Please don't assume it is where it was before. Some locations have changed by necessity.

Election Central will be in the Council Chambers and will be open at 8:00 p.m. Everyone is invited to join us and witness the culmination of the election process.

PLEASE VOTE
