

# ***Celebration of Life at Libby Lake Park*** ***March 13, 2015 from 3-6 p.m.***

The Celebration of Life is an event the City of Oceanside's Neighborhood Services Department, Oceanside Police Department, Vista Community Clinic's Project REACH youth development program and various additional partnering organizations and colleges that support the Libby Lake Community in remembering the victims of violence while celebrating the lives of the youth and families that have survived the violence and continue to live in the Libby Lake community.

The event sets a forum in which youth are reminded of the potential they have for self-improvement and positive growth. In addition, families are encouraged to build their parent-child communication and increase their on-going involvement with their children from preschool age to high school.

There will be food, games, music, and guest speakers. In addition, there will be resource booths with information about health services, colleges, job training programs and after school activities for youth and families .

Any questions can be directed to Neighborhood Service Dept. staff, Maria Yanez at (760) 435-3393 or Adrian Mendoza at (760) 435-3340.
