

# CROWN HEIGHTS RESOURCE CENTER

1210 Division Street in Oceanside  
(760) 435-3335

**Family Night** - Family Night occurs every fourth Wednesday of the month at Crown Heights Resource center at 6 pm. It is a time in which families are invited to come together from the neighborhood to promote literacy among children and teens. The youth read to the children and create fun interactive activities for the entire family to join in. In February, the families created a center piece for their dinner table made out of hearts. In each heart, each family wrote an activity that they will be doing for the upcoming year as a family. Come and join the fun!

**Ladies Night** - Ladies Night occurs every fourth Tuesday of the month at 6 pm, alternating months between the Crown Heights Resource Center and at the Country Club Lane Senior Center. Ladies Night was originally created to provide a small group of women with a safe place to have some fun and build positive connections. Ladies night is a time in which women 18 years and older come together for 60 minutes for themselves and participate in various interactive activities! Each activity has a purpose of teaching the women core skills and push the women beyond their comfort zones. They have therefore demonstrated increased confidence, open communication and goal setting due to the activities that are done monthly.
