### CROWN HEIGHTS LADIES NIGHT

Crown Heights Resource Center will be hosting the Second Annual Ladies Night Banquet December 28 in celebration and honor of the women of Crown Heights.

Ladies Night is a community empowerment program that brings monolingual Spanish speaking women together and “unleashes the power within.”

The women’s group is based in the Crown Heights Resource Center at 1210 Division Street in Oceanside. Ladies Night takes place once a month with a pre-set educational theme that empowers women to take an hour out of their busy schedules for themselves, breaking cultural norms and expectations. The program aims to teach women to set goals, have open communication and learn that anything is possible with perseverance. The women that attend the Ladies Night group come from all walks of life and come from different parts of Latin America. Many have overcome major challenges and obstacles in their lives and have persevered. For this reason, the theme for the Ladies Night Banquet is Woman: Jewel of Life.

Ladies Night relays the message the women are valued as individuals, and as the matriarchs of their families and community. They are jewels in the community.
