

CITY OF OCEANSIDE

NEIGHBORHOOD SERVICES

SPREADING HOLIDAY CHEER ONE BOOK AT A TIME

As the holidays grow near, the City of Oceanside's Housing and Neighborhood Services Department, in collaboration with the Fire Department and other local youth organizations, are working together to spread the holiday spirit one book at a time.

Through donations from city employee groups, businesses, and other organizations, the City's Housing and Neighborhood Services Department is able to provide the gift of reading to youth in city-sponsored and/or operated programs in our communities.

This year, staff will be presenting a book to over 250 local children. The Fire Department will escort Santa Claus on Wednesday, December 14, 2016, delivering books to various sites, including the Crown Heights Resource Center, Joe Balderrama Recreation and Community Center and the Libby Lake Community Center. For more information, please contact Denise at (760) 435-3961 or Adrian at (760) 435-3340.

Happy Holidays!
