### Library seeks volunteer reading tutors

Did you know that our extraordinary library has a free tutoring program for low-level adult readers who need to improve their literacy skills, such as reading, comprehension, spelling, grammar, and math?

Oceanside READS offers help for those who want to seek higher employment or perform better at their current jobs, prepare for the GED, read to their children or help them with homework, understand and complete applications, and accomplish numerous other tasks that many of us take for granted.

To provide this free service, READS needs responsible volunteer tutors. No teaching experience is required—we will train you!

If you are interested in changing someone's life with the gift of reading, please call Corrie Miles at 760-435-5680.
