

## NEIGHBORHOOD SERVICES DEPARTMENT Celebration of Life March 11 at Libby Lake Park

**Please join us at the 4th Annual Celebration of Life at Libby Lake Park on Saturday, March 11 from noon to 3:00 p.m.**

Celebration of Life is an annual event hosted by Vista Community Clinic Project REACH, the City of Oceanside, and Oceanside Police Department to join the Libby Lake community in remembering victims of violence, while celebrating the lives of youth and families who continue to thrive in Libby Lake neighborhood.

The celebration aims to remind youth of their incredible potential, encourage parents to stay involved in their childrens' lives, and enjoy partnerships between families and community agencies committed to the safety and success of Oceanside youth.

The event is free and will include food, games, music, and prizes. Resource booths will be set up with information that will serve youth and families on health, college, and after-school activities.

Any questions can be directed to Libby Lake Project REACH Supervisor Salvador Roman at (760) 631-5000 x 7136.
